For purposes of determining compliance with the provisions in Article VI, in the event that a proposed transaction or other action meets the criteria of more than one of the categories described therein, the Borrower, in its sole discretion, will be permitted to classify such transaction or other action on the date it is consummated or otherwise taken or later reclassify such transaction or other action, in any manner that complies with each applicable provision of Article VI, so long as such transaction or other action is permitted to be consummated or otherwise taken pursuant to each applicable provision of Article VI at the time of reclassification.

SECTION 1.10. Calculations. For purposes of categorization of each Portfolio Investment in accordance with Section 5.13, the amount of “first lien debt”, “aggregate first lien debt” and “EBITDA” with respect to any Portfolio Investment may be calculated by the Borrower in good faith using information from and calculations consistent with the relevant financial models, pro forma financial statements, compliance certificates and financial reporting packages provided by the relevant obligor or issuer as per the requirements of and all in the manner set forth in the relevant agreement governing such Portfolio Investment.

SECTION 1.11. Rates. The Administrative Agent does not warrant or accept responsibility for, and shall not have any liability with respect to (a) the continuation of, administration of, submission of, calculation of or any other matter related to the Alternate Base Rate, the Daily Simple RFR, Term SOFR, the CDO Rate, the Adjusted EURIBO Rate, the AUD Rate, the TIBOR Rate, the STIBOR Rate, the BKBM Rate or any component definition thereof or rates referred to in the definition thereof, or any alternative, successor or replacement rate thereto (including any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, the Alternate Base Rate, the Daily Simple RFR, Term SOFR, the CDO Rate, the Adjusted EURIBO Rate, the AUD Rate, the TIBOR Rate, the STIBOR Rate, the BKBM Rate or any other Benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Conforming Changes. The Administrative Agent and its affiliates or other related entities may engage in transactions that affect the calculation of the Alternate Base Rate, the Daily Simple RFR, Term SOFR, the CDO Rate, the Adjusted EURIBO Rate, the AUD Rate, the TIBOR Rate, the STIBOR Rate, the BKBM Rate, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain the Alternate Base Rate, the Daily Simple RFR, Term SOFR, the CDO Rate, the Adjusted EURIBO Rate, the AUD Rate, the TIBOR Rate, the STIBOR Rate, the BKBM Rate or any other Benchmark, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) by any such information source or service.

ARTICLE II
THE CREDITS

SECTION 2.01. The Commitments.

Subject to the terms and conditions set forth herein:

(a) each Dollar Lender severally agrees to make Revolving Loans in Dollars to the Borrower from time to time during the Availability Period in an aggregate principal amount that will not result in (i) such Lender's Revolving Dollar Credit Exposure exceeding such Lender's Dollar Commitment, (ii) the aggregate Revolving Dollar Credit Exposure of all of the Lenders exceeding the Dollar Commitments, or (iii) the total Covered Debt Amount exceeding the Borrowing Base then in effect;

(b) each Multicurrency Lender severally agrees to make Revolving Loans in Dollars or in any Agreed Foreign Currency to the Borrower from time to time during the Availability Period in an aggregate principal amount that will not result in (i) such Lender's Revolving Multicurrency Credit Exposure exceeding such Lender's Multicurrency Commitment, (ii) the aggregate Revolving Multicurrency Credit Exposure of all of the Lenders exceeding the Multicurrency Commitments or (iii) the total Covered Debt Amount exceeding the Borrowing Base then in effect; and

(c) Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Revolving Loans.

SECTION 2.02. Loans and Borrowings.

(a) Obligations of Lenders. Each Loan shall be made as part of a Borrowing consisting of Loans of the same Class, Currency and Type made by the applicable Lenders ratably in accordance with their respective Commitments of the same Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Type of Loans. Subject to Section 2.13, (i) each Borrowing of a Class shall be constituted entirely of ABR Loans, of RFR Loans or of Term Benchmark Loans of such Class denominated in a single Currency as the Borrower may request in accordance herewith. Each ABR Loan shall be denominated in Dollars and (ii) each Pro-Rata Borrowing shall be constituted entirely of ABR Loans or of Term Benchmark Loans denominated in Dollars. Each Term Benchmark Loan shall be denominated in an Agreed Foreign Currency (other than GBP or CHF) or Dollars. Each Daily Simple RFR Loan shall be denominated in GBP or CHF. Each Lender at its option may make any RFR Loan or Term Benchmark Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that (i) any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement and (ii) in exercising such option, such Lender shall use commercially reasonable efforts to minimize any increased costs to the Borrower resulting therefrom (which obligation of the Lender shall not require it to take, or refrain from taking, actions that it determines would result in increased costs for which it will not be compensated hereunder or that it determines would be otherwise disadvantageous to it and in the event of such request for costs for which compensation is provided under this Agreement, the provisions of Sections 2.14 and 2.19 shall apply).

(c) Minimum Amounts. Each Borrowing (whether Term Benchmark, RFR, ABR or Swingline) shall be in an aggregate principal amount of \$1,000,000 or a whole multiple of \$100,000 in excess thereof (or, in each case, such smaller amount as may be agreed to by the Administrative Agent) or, with respect to any Agreed Foreign Currency, such smaller minimum amount as may be agreed to by the Administrative Agent; provided that (i) an ABR Borrowing of a Class may be in an aggregate principal amount that is equal to the entire unused balance of the total Commitments of such Class or that is required to finance the reimbursement of an LC Disbursement of such Class as contemplated by Section 2.05(f) and (ii) any Pro-Rata Borrowing may be in an aggregate principal amount of \$1,000,000 or a whole multiple of \$100,000 in excess thereof (or, in each case, such smaller amount as may be agreed to by the Administrative Agent). Borrowings of more than one (1) Class, Currency and Type may be outstanding at the same time.

(d) Limitations on Interest Periods. Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request (or to elect to convert to or continue as a Term Benchmark Borrowing or RFR Borrowing) any Borrowing if the Interest Period requested therefor would end after the Maturity Date. After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than fifteen (15) Interest Periods with respect to Term Benchmark Borrowings in effect at any time.

SECTION 2.03. Requests for Borrowings.

(a) Notice by the Borrower. To request a Borrowing (other than a Swingline Loan), the Borrower shall notify the Administrative Agent of such request by electronic communication (i) in the case of a Term Benchmark Borrowing denominated in Dollars, not later than 12:00 p.m., New York City time, three (3) Business Days before the date of the proposed Borrowing, (ii) in the case of a Term Benchmark Borrowing denominated in a Foreign Currency, not later than 12:00 p.m., New York City time, four (4) Business Days before the date of the proposed Borrowing, (iii) in the case of an ABR Borrowing, not later than 11:00 a.m., New York City time, on the date of the proposed Borrowing or (iv) in the case of an RFR Borrowing, not later than 12:00 p.m., New York City time, four (4) Business Days before the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery, telecopy or electronic mail to the Administrative Agent of a written Borrowing Request in a form approved by the Administrative Agent and signed by the Borrower. Notwithstanding the other provisions of this Agreement, in the case of any Revolving Borrowing denominated in Dollars, the Borrower may request that such Borrowing be split into a Dollar Loan in an aggregate principal amount equal to the Pro-Rata Dollar Portion and a Multicurrency Loan in an aggregate amount equal to the Pro-Rata Multicurrency Portion (any such Borrowing, a "Pro-Rata Borrowing"). Except as expressly set forth in this Agreement, a Pro-Rata Borrowing shall be treated as being comprised of two (2) separate Borrowings, a Dollar Borrowing under the Dollar Commitments and a Multicurrency Borrowing under the Multicurrency Commitments.

(b) Content of Borrowing Requests. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

-
- (i) whether such Borrowing is to be made under the Dollar Commitments or the Multicurrency Commitments or as a Pro-Rata Borrowing;
 - (ii) in the case of a Revolving Borrowing, if such Borrowing is a Pro-Rata Borrowing, the Pro-Rata Dollar Portion and the Pro-Rata Multicurrency Portion;
 - (iii) in the case of a Revolving Borrowing, the aggregate amount and Currency of the requested Borrowing;
 - (iv) the date of such Borrowing, which shall be a Business Day;
 - (v) in the case of any Revolving Borrowing denominated in Dollars, whether such Borrowing is to be an ABR Borrowing or a Term Benchmark Borrowing;
 - (vi) in the case of a Term Benchmark Borrowing or RFR Borrowing, the Interest Period therefor, which shall be a period contemplated by the definition of the term "Interest Period" and permitted under Section 2.02(d); and
 - (vii) the location and number of the Borrower's account (or such other account(s) as the Borrower may designate in a written Borrowing Request accompanied by information reasonably satisfactory to the Administrative Agent as to the identity and purpose of such other account(s)) to which funds are to be disbursed or, in the case of any ABR Borrowing requested to finance the reimbursement of an LC Disbursement provided in Section 2.05(f), the identity of the Issuing Bank that made such LC Disbursement.

(c) Notice by the Administrative Agent to the Lenders. Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each applicable Lender of the details thereof and of the amounts of such Lender's Loan to be made as part of the requested Borrowing.

(d) Failure to Elect. If no election as to the Class of a Revolving Borrowing is specified in a Borrowing Request, then the requested Borrowing shall be denominated in Dollars and shall be a Pro-Rata Borrowing. If no election as to the Currency of a Revolving Borrowing is specified in a Borrowing Request, then the requested Borrowing shall be denominated in Dollars. If no election as to the Type or Currency of a Borrowing is specified in a Borrowing Request, then the requested Borrowing shall be a Term Benchmark Borrowing denominated in Dollars having an Interest Period of one (1) month and, if an Agreed Foreign Currency has been specified, the requested Borrowing shall be a Term Benchmark Borrowing or RFR Borrowing, as applicable denominated in such Agreed Foreign Currency and having an Interest Period of one (1) month. If a Borrowing (other than an ABR Borrowing) is requested but no Interest Period is specified, (i) if the Currency specified for such Borrowing is Dollars (or if no Currency has been so specified), the requested Borrowing shall be a Term Benchmark Borrowing denominated in Dollars having an Interest Period of one (1) month's duration, and (ii) if the Currency specified for such Borrowing is an Agreed Foreign Currency, the Borrower shall be deemed to have selected an Interest Period of one (1) month's duration.

(e) Notice by Borrower for Initial Borrowing. Notwithstanding anything to the contrary herein and the notice requirements set forth in Section 2.03(a), to request a Borrowing to be made on the Effective Date, the Borrower shall notify the Administrative Agent of such request by telephone (confirmed by telecopy or electronic communication) not later than 12:00 p.m., New York City time, one (1) Business Day before the date of the proposed Effective Date (or such later time as reasonably agreed by the Administrative Agent). For the avoidance of doubt, such notice shall not affect any future obligations of the Borrower to comply with the obligations of Section 2.03(a) in connection with any Borrowing Request.

SECTION 2.04. Swingline Loans

(a) Agreement to Make Swingline Loans. Subject to the terms and conditions set forth herein, each Swingline Lender severally agrees to make Swingline Loans under each Commitment to the Borrower from time to time during the Availability Period, in Dollars, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding \$200,000,000 or any Swingline Lender's outstanding Swingline Loans exceeding the amount set forth opposite the name of such Swingline Lender on Schedule IX, (ii) the sum of any Swingline Lender's outstanding Dollar Loans, its Dollar LC Exposure and its outstanding Swingline Loans exceeding its Dollar Commitment, (iii) the sum of any Swingline Lender's outstanding Multicurrency Loans, its Multicurrency LC Exposure and its outstanding Swingline Loans exceeding its Multicurrency Commitment, (iv) the total Revolving Dollar Credit Exposures exceeding the aggregate Dollar Commitments, (v) the total Revolving Multicurrency Credit Exposures exceeding the aggregate Multicurrency Commitments or (vi) the total Covered Debt Amount exceeding the Borrowing Base then in effect; provided that no Swingline Lender shall be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, repay, prepay and reborrow Swingline Loans.

(b) Notice of Swingline Loans by the Borrower. To request a Swingline Loan, the Borrower shall notify the Administrative Agent and each Swingline Lender of such request by telephone (confirmed by telecopy or electronic communication) not later than 2:00 p.m., New York City time, on the day of such proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the Swingline Lender from which such Swingline Loan shall be made, the requested date (which shall be a Business Day) and the amount of the requested Swingline Loan (which (x) in the case of any Swingline Lender that is a Dollar Lender, shall be made under the Dollar Commitments and (y) in the case of any Swingline Lender that is a Multicurrency Lender, shall be made under the Multicurrency Commitments). The Administrative Agent will promptly advise the applicable Swingline Lender of any such notice received from the Borrower. Each Swingline Lender shall make each applicable Swingline Loan available to the Borrower by means of a credit to the Borrower's account specified in Section 2.03(b)(vii) (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f), by remittance to the applicable Issuing Bank) by 3:00 p.m., New York City time, on the requested date of such Swingline Loan.

(c) Participations by Lenders in Swingline Loans. Any Swingline Lender may by written notice given to the Administrative Agent not later than 10:00 a.m., New York City time on any Business Day, require (x) the Multicurrency Lenders in the case of any Swingline Loan made under the Multicurrency Commitments and (y) the Dollar Lenders in the case of any Swingline Loan made under the Dollar Commitments, in each case, to acquire participations on such Business Day in all or a portion of such Swingline Loans, and the applicable Lenders shall participate in such Swingline Loans (and in the event any such Swingline Loan is not repaid within five (5) Business Days and the Borrower has submitted a Borrowing Request in accordance with Section 2.03, such Swingline Loan shall be converted to a Term Benchmark Loan denominated in Dollars having an Interest Period of one (1) month's duration made ratably by the applicable Lenders and shall no longer constitute a Swingline Loan). Such notice to the Administrative Agent shall specify the aggregate amount of Swingline Loans in which the applicable Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Dollar Lender or Multicurrency Lender, as applicable, specifying in such notice such Lender's Applicable Dollar Percentage or Applicable Multicurrency Percentage, as applicable, of such Swingline Loan or Loans. Each Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above in this paragraph, to pay to the Administrative Agent, for account of any applicable Swingline Lender, such Lender's Applicable Dollar Percentage or Applicable Multicurrency Percentage, as applicable, of the applicable Swingline Loan or Loans made under such Lender's Class of Commitments.

Subject to the foregoing, each Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph (c) is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments of the respective Class, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, *mutatis mutandis*, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the applicable Swingline Lender the amounts so received by it from the Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the applicable Swingline Lender. Any amounts received by a Swingline Lender from the Borrower (or other party on behalf of the Borrower) in respect of a Swingline Loan after receipt by such Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Lenders that shall have made their payments pursuant to this paragraph and to the applicable Swingline Lender, as their interests may appear. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

(d) Replacement of Any Swingline Lender. Any Swingline Lender may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Swingline Lender and the successor Swingline Lender. The Administrative Agent shall notify the Lenders of any such resignation and replacement of any Swingline Lender. In addition, if any Swingline Lender, in its capacity as a Lender, assigns all of its Loans and Commitments in connection with the terms of this Agreement, such Swingline Lender shall be deemed to have automatically resigned as a Swingline Lender hereunder. The Administrative Agent shall notify the Lenders of any such replacement of any Swingline Lender. At the time any such replacement or resignation shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced or resigning Swingline Lender pursuant to Section 2.11. From and after

the effective date of any such replacement, (i) the successor Swingline Lender shall have all the rights and obligations of the replaced Swingline Lender under this Agreement with respect to Swingline Loans to be made thereafter and (ii) references herein to the term “Swingline Lender” and/or “Swingline Lenders” shall be deemed to refer to such successor or successors (and the other current Swingline Lenders, if applicable) or to any previous Swingline Lender, or to such successor or successors (and all other current Swingline Lenders) and all previous Swingline Lenders, as the context shall require. After the replacement or resignation of an Swingline Lender hereunder, the replaced or resigning Swingline Lender shall have no obligation to make additional Swingline Loans.

(e) Designation of Additional Swingline Lenders. The Borrower may, at any time and from time to time, with the consent of the Administrative Agent (which consent shall not be unreasonably withheld), designate as additional Swingline Lenders one (1) or more Lenders that agree to serve in such capacity as provided below. The acceptance by a Lender of an appointment as a Swingline Lender hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent, executed by the Borrower, the Administrative Agent and such designated Lender and, from and after the effective date of such agreement, (i) such Lender shall have all the rights and obligations of a Swingline Lender under this Agreement and the other Loan Documents and (ii) references herein or therein to the term “Swingline Lender” shall be deemed to include such Lender in its capacity as a maker of Swingline Loans hereunder.

SECTION 2.05. Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, in addition to the Loans provided for in Section 2.01, the Borrower may request any Issuing Bank to issue, and each Issuing Bank severally agrees to issue, at any time and from time to time during the Availability Period, Letters of Credit denominated in Dollars or in any Agreed Foreign Currency for its own account or the account of its designee (provided the Borrower shall remain primarily liable to the Lenders hereunder for payment and reimbursement of all amounts payable in respect of such Letter of Credit hereunder) in such form as is acceptable to such Issuing Bank and such named beneficiary or beneficiaries as are specified by the Borrower, each in its reasonable determination, and for the benefit of such named beneficiary or beneficiaries as are specified by the Borrower. Letters of Credit issued hereunder shall constitute utilization of the Multicurrency Commitments or the Dollar Commitments, as applicable, up to the aggregate amount then available to be drawn thereunder. Without limiting any rights of an Issuing Bank under this Section 2.05, no Issuing Bank shall be obligated to issue, amend, renew or extend any Letter of Credit (i) denominated in any Foreign Currency if at the time of such issuance, such Issuing Bank, in its capacity as a Lender, would not be required to make Loans in such Foreign Currency hereunder or (ii) if, immediately after giving effect to such issuance, amendment, renewal or extension, the sum of such Issuing Bank’s outstanding Revolving Loans, LC Exposure and Swingline Exposure (if any) would exceed such Issuing Bank’s Dollar Commitment or Multicurrency Commitment, as the case may be.

This Section 2.05 shall not be construed to impose an obligation upon any Issuing Bank to issue, amend, renew or extend any Letter of Credit if (i) any order, judgment or decree of any Governmental Authority shall by its terms purport to enjoin or restrain such Issuing Bank from issuing, amending or extending such Letter of Credit, or any law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Bank in good faith deems material to it or (ii) the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally.

(b) Notice of Issuance, Amendment, Renewal or Extension. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by such Issuing Bank) to any Issuing Bank and the Administrative Agent (reasonably in advance of, which shall not be required to exceed five Business Days in advance of, the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (d) of this Section 2.05), the amount, Class and Currency of such Letter of Credit, stating that such Letter of Credit is to be issued under the Multicurrency Commitments or Dollar Commitments, as applicable, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. The Administrative Agent will promptly notify the Lenders following the issuance of any Letter of Credit. If requested by the applicable Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, any Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(c) Limitations on Amounts. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) the aggregate LC Exposure at such time of the Issuing Banks (determined for these purposes without giving effect to the participations therein of the Lenders pursuant to paragraph (e) of this Section 2.05) shall not exceed the amount set forth opposite the name of such Issuing Bank on Schedule IX (or such greater amount as may be agreed between the Borrower and such Issuing Bank from time to time), (ii) the total Revolving Multicurrency Credit Exposures shall not exceed the aggregate Multicurrency Commitments and the total Revolving Dollar Credit Exposure shall not exceed the aggregate Dollar Commitments, (iii) with respect to each Issuing Bank, the sum of such Issuing Bank's outstanding Revolving Loans, LC Exposure and Swingline Exposure (if any) of such Class shall not exceed its Commitment of such Class and (iv) the total Covered Debt Amount shall not exceed the Borrowing Base then in effect.

(d) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the date twelve (12) months after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, twelve (12) months after the then-current expiration date of such Letter of Credit, so long as such renewal or extension occurs within three (3) months of such then-current expiration date); provided that any Letter of Credit with a one (1) year term may provide for the renewal thereof for additional one (1) year periods; provided further, that (x) in no event shall a Letter of Credit expire after the Commitment Termination Date unless the Borrower (1) deposits, on or prior to the Commitment Termination Date, into the Letter of Credit Collateral Account Cash in an amount equal to 102% of the undrawn face amount of all Letters of Credit that remain outstanding as of the close of business on the Commitment Termination Date and (2) pays in full, on or prior to the Commitment Termination Date, all commissions required to be paid with respect to any such Letter of Credit through the then-current expiration date of such Letter of Credit and (y) no Letter of Credit shall have an expiry date after the Maturity Date.

(e) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) by an Issuing Bank, and without any further action on the part of the Issuing Banks or the Lenders, (i) in the case of a Multicurrency Issuing Bank, such Multicurrency Issuing Bank hereby grants to each Multicurrency Lender, and each Multicurrency Lender hereby acquires from such Multicurrency Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Multicurrency Percentage of the aggregate amount available to be drawn under such Letter of Credit and (ii) in the case of a Dollar Issuing Bank, such Dollar Issuing Bank hereby grants to each Dollar Lender, and each Dollar Lender hereby acquires from such Dollar Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Dollar Percentage of the aggregate amount available to be drawn under such Letter of Credit. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the applicable Class of Commitments.

In consideration and in furtherance of the foregoing, (x) each Multicurrency Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of each Multicurrency Issuing Bank, such Lender's Applicable Multicurrency Percentage of each LC Disbursement made by each such Multicurrency Issuing Bank and (y) each Dollar Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of each Dollar Issuing Bank, such Lender's Applicable Dollar Percentage of each LC Disbursement made by each such Dollar Issuing Bank, in each case, in respect of Letters of Credit promptly upon the request of each such Issuing Bank (which such request shall be made by such Issuing Bank in accordance with the notice requirements applicable to the Borrower with respect to a request for Loans in Section 2.03) at any time from the time of such LC Disbursement until such LC Disbursement is reimbursed by the Borrower or at any time after any reimbursement payment is required to be refunded to the Borrower for any reason. Such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each such payment shall be made in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, *mutatis mutandis*, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to such Issuing Bank the amounts so received by it from the Lenders. Promptly following receipt by the Administrative Agent of any payment from the

Borrower pursuant to Section 2.05(f), the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that the Lenders have made payments pursuant to this paragraph to reimburse an Issuing Bank, then to such Lenders and such Issuing Banks as their interests may appear. Any payment made by a Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(f) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such Issuing Bank in respect of such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 12:00 noon, New York City time, on (i) the Business Day that the Borrower receives notice of such LC Disbursement, if such notice is received prior to 10:00 a.m., New York City time, or (ii) the Business Day immediately following the day that the Borrower receives such notice, if such notice is not received prior to such time, provided that, if such LC Disbursement is not less than \$1,000,000 (or such smaller amount as may be agreed to by the Administrative Agent) and is denominated in Dollars, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or 2.04 that such payment be financed with an ABR Borrowing or a Swingline Loan of the respective Class in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Borrowing or Swingline Loan.

If the Borrower fails to make such payment when due, the Administrative Agent shall notify each affected Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Revolving Lender's Applicable Multicurrency Percentage or Applicable Dollar Percentage, as applicable, thereof.

(g) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (f) of this Section 2.05 shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply strictly with the terms of such Letter of Credit, and (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.05, constitute a legal or equitable discharge of the Borrower's obligations hereunder.

None of the Administrative Agent, the Lenders, the Issuing Banks, or any of their respective Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit by the Issuing Banks or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Banks; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower

to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by any Issuing Bank's gross negligence or willful misconduct when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof as determined by a final, non-appealable judgment of a court of competent jurisdiction. The parties hereto expressly agree that:

(i) the Issuing Banks may accept documents that appear on their face to be in substantial compliance with the terms of a Letter of Credit without responsibility for further investigation, regardless of any notice or information to the contrary, and may make payment upon presentation of documents that appear on their face to be in substantial compliance with the terms of such Letter of Credit;

(ii) the Issuing Banks shall have the right, in their sole discretion, to decline to accept such documents and to make such payment if such documents are not in strict compliance with the terms of such Letter of Credit; and

(iii) this sentence shall establish the standard of care to be exercised by the Issuing Banks when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof (and the parties hereto hereby waive, to the extent permitted by applicable law, any standard of care inconsistent with the foregoing).

(h) Disbursement Procedures. Each Issuing Bank shall, within a reasonable time following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly after such examination notify the Administrative Agent and the Borrower by telephone (confirmed by telecopy or electronic communication) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse the applicable Issuing Bank and the applicable Lenders with respect to any such LC Disbursement.

(i) Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Loans; provided that, if the Borrower fails to reimburse such LC Disbursement within two (2) Business Days following the date when due pursuant to paragraph (f) of this Section 2.05, then the provisions of Section 2.12(d) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Lender pursuant to paragraph (f) of this Section 2.05 to reimburse an Issuing Bank shall be for the account of such Lender to the extent of such payment.

(j) Resignation or Replacement of an Issuing Bank. Any Issuing Bank may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. In addition, any Issuing Bank may resign as an Issuing Bank hereunder upon not less than three (3) Business Days prior written notice to the Administrative Agent and the Borrower; provided further that if any Issuing Bank, in its capacity as a Lender, assigns all of its Loans and Commitments in accordance with the terms of this Agreement, such Issuing Bank shall be deemed to have automatically resigned as an Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement or resignation of an Issuing Bank. At the time any such replacement or resignation shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced or resigning Issuing Bank pursuant to Section 2.11(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" and/or "Issuing Banks" shall be deemed to refer to such successor or successors (and the other current Issuing Banks, if applicable) or to any previous Issuing Bank, or to such successor or successors (and all other current Issuing Banks) and all previous Issuing Banks, as the context shall require. After the replacement or resignation of an Issuing Bank hereunder, the replaced or resigning Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement or resignation, but shall not be required to issue additional Letters of Credit.

(k) Designation of Additional Issuing Banks. The Borrower may, at any time and from time to time, with the consent of the Administrative Agent (which consent shall not be unreasonably withheld), designate as additional Issuing Banks one (1) or more Lenders that agree to serve in such capacity as provided below. The acceptance by a Lender of an appointment as an Issuing Bank hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent, executed by the Borrower, the Administrative Agent and such designated Lender and, from and after the effective date of such agreement, (i) such Lender shall have all the rights and obligations of an Issuing Bank under this Agreement and the other Loan Documents and (ii) references herein or therein to the term "Issuing Bank" shall be deemed to include such Lender in its capacity as an issuer of Letters of Credit hereunder.

(l) Cash Collateralization. If the Borrower shall be required to provide cover for LC Exposure of a Class pursuant to Section 2.09(a), Section 2.10(c), Section 2.10(d), Section 2.18(c)(ii) or the last paragraph of Section 7.01, the Borrower shall immediately (or in accordance with the time periods specified in the applicable section) deposit into a segregated collateral account or accounts (herein, collectively, the "Letter of Credit Collateral Account") in the name and under the dominion and control of the Administrative Agent, Cash denominated in the Currency of the Letter of Credit under which such LC Exposure arises in an amount equal to the amount required under Section 2.09(a), Section 2.10(c), Section 2.10(d), Section 2.18(c)(ii) or the last paragraph of Section 7.01, as applicable. Such deposit shall be held by the Administrative Agent as collateral in the first instance for the LC Exposure under this Agreement and thereafter for the payment of the Secured Obligations, and for these purposes the Borrower hereby grants a security interest to the Administrative Agent for the benefit of the Lenders in the Letter of Credit Collateral Account and in any financial assets (as defined in the Uniform Commercial Code) or other property held therein. If the Borrower is required to provide cash collateral hereunder as a result of the occurrence of an Event of Default, such cash collateral (to the extent not applied as set forth in this Section 2.05(l)) shall be returned to the Borrower within three (3) Business Days after all Events of Default have been cured or waived. If the Borrower is required to provide cash collateral hereunder pursuant to Section 2.10(b)(ii), such cash collateral (to the extent not applied as set forth in this Section 2.05(l)) shall be returned to the Borrower as and to the extent that, after giving effect to such return, the aggregate Credit Exposures would not exceed the aggregate Commitments and no Specified Default or Event of Default shall have occurred and be continuing.

SECTION 2.06. Funding of Borrowings.

(a) Funding by Lenders. Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by (i) in the case of any Loan (other than an ABR Borrowing), 11:00 a.m. New York City time, and (ii) in the case of any Loan that is an ABR Borrowing, 1:00 p.m., New York City time, to the account of the Administrative Agent most recently designated by it for such purpose, in each case, by notice to the Lenders; provided that Swingline Loans shall be made as provided in Section 2.04. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower designated by the Borrower in the applicable Borrowing Request; provided that Borrowings made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f) shall be remitted by the Administrative Agent to the applicable Issuing Bank.

(b) Presumption by the Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section 2.06 and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in the corresponding Currency with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the Federal Funds Effective Rate or (ii) in the case of the Borrower, the interest rate applicable at the time to ABR Loans in the case of a Dollar Borrowing or the interest rate applicable to such Borrowing in the case of a Multicurrency Borrowing. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. Nothing in this paragraph shall relieve any Lender of its obligation to fulfill its commitments hereunder, and shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

SECTION 2.07. Interest Elections.

(a) Elections by the Borrower for Borrowings. Subject to Section 2.03(d), the Loans constituting each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Term Benchmark Borrowing, shall have the Interest Period specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a Borrowing of a different Type or to continue such Borrowing as a Borrowing of the same Type and, in the case of a Term Benchmark Borrowing, may elect the Interest Period therefor, all as provided in this Section 2.07; provided, however, that (i) a Borrowing of a Class may only be continued or converted into a Borrowing of the same Class, (ii) a Borrowing denominated in one

Currency may not be continued as, or converted to, a Borrowing in a different Currency, (iii) no Term Benchmark Borrowing denominated in a Foreign Currency or RFR Borrowing may be continued if, after giving effect thereto, the aggregate Revolving Multicurrency Credit Exposures would exceed the aggregate Multicurrency Commitments, and (iv) a Term Benchmark Borrowing denominated in a Foreign Currency or RFR Borrowing may not be converted to a Borrowing of a different Type. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders of the respective Class holding the Loans constituting such Borrowing, and the Loans constituting each such portion shall be considered a separate Borrowing. For the avoidance of doubt, this Section 2.07(a) shall not apply to Swingline Borrowings, which may not be converted or continued except in accordance with Section 2.04(c).

(b) Notice of Elections. To make an election pursuant to this Section 2.07, the Borrower shall notify the Administrative Agent of such election by telephone (confirmed by telecopy or electronic communication) by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly (but no later than the close of business on the date of such request) by hand delivery, telecopy or electronic communication to the Administrative Agent of a written Interest Election Request signed by the Borrower.

(c) Content of Interest Election Requests. Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing (including the Class) to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) of this paragraph shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether, in the case of a Borrowing denominated in Dollars, the resulting Borrowing is to be an ABR Borrowing or a Term Benchmark Borrowing; and

(iv) if the resulting Borrowing is a Term Benchmark Borrowing or RFR Borrowing, the Interest Period therefor after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period" and permitted under Section 2.02(d).

(d) Notice by the Administrative Agent to the Lenders. Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each applicable Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) Failure to Elect; Events of Default. If the Borrower fails to deliver a timely and complete Interest Election Request with respect to a Term Benchmark Borrowing prior to the end of the Interest Period therefor, then, unless such Borrowing is repaid as provided herein, (i) if such Borrowing is denominated in Dollars, at the end of such Interest Period such Borrowing shall be converted to a Term Benchmark Borrowing of the same Class having an Interest Period of one (1) month's duration, and (ii) if such Borrowing is denominated in a Foreign Currency, the Borrower shall be deemed to have selected an Interest Period of one (1) month's duration. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing no outstanding Term Benchmark Borrowing or RFR Borrowing denominated in a Foreign Currency may have an Interest Period of more than one (1) month's duration.

SECTION 2.08. Termination, Reduction or Increase of the Commitments.

(a) Scheduled Termination. Unless previously terminated in accordance with the terms of this Agreement, the Revolving Commitments of each Class shall terminate on the Commitment Termination Date.

(b) Voluntary Termination or Reduction. The Borrower may at any time without premium or penalty terminate, or from time to time reduce, the Commitments ratably among (and within) each Class; provided that (i) each reduction of the Commitments shall be in an amount that is \$5,000,000 (or, if less, the entire remaining amount of the Commitments of any Class) or a larger multiple of \$1,000,000 in excess thereof (or the entire amount of the Commitments of such Class) and (ii) the Borrower shall not terminate or reduce the Revolving Commitments if, immediately after giving effect to any concurrent prepayment of the Loans of any Class in accordance with Section 2.10, the total Revolving Credit Exposures of such Class would exceed the total Commitments of such Class. Any such reduction of the Commitments below the aggregate principal amount of the Swingline Loans permitted under Section 2.04(a)(i) and the aggregate amount of Letters of Credit permitted under Section 2.05(c)(i) shall result in a dollar-for-dollar reduction of such amounts as applicable.

(c) Notice of Voluntary Termination or Reduction. The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section 2.08 at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section 2.08(c) shall be irrevocable; provided that a notice of termination or reduction of the Commitments of a Class delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other events, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(d) Effect of Termination or Reduction. Any termination or reduction of the Commitments of a Class pursuant to clause (b) shall be permanent. Each reduction of the Commitments pursuant to clause (b) shall be made ratably between the Multicurrency Commitments and the Dollar Commitments and ratably among the Lenders in accordance with their respective Commitments of each Class.

(e) Increase of the Commitments.

(i) Requests for Increase by Borrower. The Borrower shall have the right, at any time on or after the Effective Date but prior to the Commitment Termination Date, to propose that the Commitments of a Class hereunder be increased (each such proposed increase being a “Commitment Increase”) by notice to the Administrative Agent, specifying each existing Lender (each an “Increasing Lender”) and/or each additional lender (each an “Assuming Lender”) that shall have agreed to an additional Commitment and the date on which such increase is to be effective (the “Commitment Increase Date”), which shall be a Business Day at least three (3) Business Days (or such lesser period as the Administrative Agent may reasonably agree) after delivery of such notice and at least thirty (30) days prior to the Commitment Termination Date; provided that no Lender shall be obligated to provide any increased Commitment; provided, further that:

(A) each increase shall be in a minimum amount of at least \$25,000,000 or a larger multiple of \$5,000,000 in excess thereof (or such lesser amount as the Administrative Agent may reasonably agree);

(B) the aggregate amount of all Commitments, including Commitment Increases effected pursuant to this Section 2.08(e), shall not exceed \$1,560,000,000;

(C) in the case of a Commitment Increase under the Revolving Commitments, each Assuming Lender shall be consented to by the Administrative Agent and the Issuing Banks (in each case, which consent shall not be unreasonably withheld, conditioned or delayed);

(D) in the case of any Commitment Increase (other than a Commitment Increase used in connection with a Specified Purchase), no Default or Event of Default shall have occurred and be continuing on such Commitment Increase Date; and

(E) (1) in the case of a Commitment Increase used in connection with a merger or consolidation with, or acquisition of all or substantially all of the assets of, any other business development company advised by the Advisor by an Obligor permitted under Section 6.03 (such Person, a “Specified Target” and such merger, consolidation or acquisition a “Specified Purchase”), the Specified Representations (immediately after giving effect to such merger, consolidation or acquisition) and the Specified Purchase Agreement Representations (immediately prior to giving effect to such merger, consolidation or acquisition) shall be true and correct in all material respects on and as of such Commitment Increase Date, or (2) in the case of any other Commitment Increase, the representations and warranties made by the Borrower and/or its Significant Subsidiaries, as applicable, contained in this Agreement shall be true and correct in all material respects (or, in the case of any portion of the representations and warranties already subject to a materiality qualifier, true and correct in all respects) on and as of the Commitment Increase Date as if made on and as of such date (or, if any such representation or warranty is expressly stated to have been made as of a specific date, as of such specific date);

(ii) Effectiveness of Commitment Increase by Borrower. The Assuming Lender, if any, shall become a Lender hereunder as of such Commitment Increase Date with the Commitment in the amount set forth in the applicable Incremental Assumption Agreement, and the Commitment of the respective Class of any Increasing Lender part of such Commitment Increase, and such Assuming Lender shall be increased as of such Commitment Increase Date to the amount set forth in the applicable Incremental Assumption Agreement; provided that:

(A) the Administrative Agent shall have received a certificate of a duly authorized officer of the Borrower stating that each of the applicable conditions to such Commitment Increase set forth in the foregoing paragraph (i) has been satisfied;

(B) each Assuming Lender or Increasing Lender shall have delivered to the Administrative Agent, on or prior to such Commitment Increase Date, an agreement (an "Incremental Assumption Agreement"), in form and substance reasonably satisfactory to the Borrower and the Administrative Agent, pursuant to which such Lender shall, effective as of such Commitment Increase Date, undertake a Commitment or an increase of Commitment in each case of the respective Class, duly executed by such Assuming Lender or Increasing Lender, as applicable, and the Borrower and acknowledged by the Administrative Agent; and

(C) [reserved].

(iii) Recordation into Register. Upon its receipt of an agreement referred to in clause (ii)(B) above executed by an Assuming Lender or an Increasing Lender, together with the certificate referred to in clause (ii)(A) above, the Administrative Agent shall, if such agreement has been completed, (x) accept such agreement, (y) record the information contained therein in the Register and (z) give prompt notice thereof to the Borrower.

(iv) Adjustments of Borrowings upon Effectiveness of Increase. In the case of a Commitment Increase under the Revolving Commitments, on each Commitment Increase Date, the Borrower shall (A) prepay the outstanding Revolving Loans (if any) of the affected Class in full, (B) simultaneously borrow new Revolving Loans of such Class hereunder in an amount equal to such prepayment (in the case of Term Benchmark Loans, with Relevant Rates equal to the outstanding Relevant Rates and with Interest Period(s) ending on the date(s) of any then outstanding Interest Period(s); provided that for any outstanding Interest Period of less than one (1) month, the Interest Period will be deemed equal to one (1) month), as applicable (as modified hereby); provided that with respect to subclauses (A) and (B), (x) the prepayment to, and borrowing from, any existing Revolving Lender shall be effected by book entry to the extent that any portion of the amount prepaid to such Revolving Lender will be subsequently borrowed from such Revolving Lender and (y) the existing Revolving Lenders, the Increasing Lenders and the Assuming Lenders shall make and receive payments among themselves, in a manner acceptable to the Administrative Agent, so that, after giving effect thereto, the Revolving Loans of such Class are held ratably by the Revolving Lenders of such Class in accordance with the respective Revolving Commitments of such Class of such Revolving Lenders (after giving effect to such Commitment Increase) and (C) pay to the Revolving Lenders of such Class the amounts, if any, payable under Section 2.15 as a result of any such prepayment. Concurrently therewith, the Revolving Lenders of such Class shall be deemed to have adjusted their participation interests in any outstanding Swingline Loans and Letters of Credit of such Class so that such interests are held ratably in accordance with their Revolving Commitments of such Class as so increased.

(v) Terms of Loans Issued on the Commitment Increase Date. The terms and provisions of any new Loans issued by any Assuming Lender or Increasing Lender, and the Commitment Increase of any Assuming Lender or Increasing Lender, in the case of a Commitment Increase under the Revolving Commitments, shall be identical to the terms and provisions of Loans issued by, and the Commitments of, the Revolving Lenders immediately prior to the applicable Commitment Increase Date (except that any upfront or similar one-time fee may be different).

SECTION 2.09. Repayment of Loans; Evidence of Debt.

(a) Repayment. The Borrower hereby unconditionally promises to repay the Loans of each Class as follows:

(i) to the Administrative Agent for the account of the applicable Lenders the outstanding principal amount of each Class of the Loans on the Maturity Date; and

(ii) to the applicable Swingline Lender the then unpaid principal amount of each Swingline Loan made by such Swingline Lender, on the earlier of the Commitment Termination Date and the first date after such Swingline Loan is made that is the 15th or last day of a calendar month and is at least ten Business Days after such Swingline Loan is made; provided that any Swingline Loan that is not repaid timely in accordance with this clause (ii) shall be automatically converted to a Term Benchmark Loan in accordance with Section 2.04(c); provided further that on each date that a Borrowing of such Class is made, the Borrower shall repay all Swingline Loans of such Class then outstanding.

In addition, on the Maturity Date, to the extent any Letter of Credit is outstanding (notwithstanding the requirements of Section 2.05(d)), the Borrower shall deposit into the Letter of Credit Collateral Account Cash in an amount equal to 102% of the undrawn face amount of all Letters of Credit outstanding on the close of business on the Maturity Date, such deposit to be held by the Administrative Agent as collateral security for the LC Exposure under this Agreement in respect of the undrawn portion of such Letters of Credit.

(b) Manner of Payment. Subject to Section 2.10(d), prior to any repayment or prepayment of any Borrowings hereunder, the Borrower shall select the Borrowing or Borrowings to be paid and shall notify the Administrative Agent by telephone (confirmed by telecopy or electronic communication) of such selection not later than the time set forth in Section 2.10(e) prior to the scheduled date of such repayment; provided that, each repayment of Borrowings within a Class shall be applied to repay or prepay any outstanding ABR Borrowings of such Class before any other Borrowings of such Class. If the Borrower fails to make a timely selection of the Borrowing or Borrowings to be repaid or prepaid, such payment shall be applied, first, solely in the case of any payment of a Borrowing denominated in Dollars, to pay any outstanding ABR

Borrowings pro rata between any outstanding Dollar ABR Borrowings and outstanding Multicurrency ABR Borrowings, second, if no Class is specified and such payment relates to a Borrowing denominated in Dollars, to any Pro-Rata Borrowings in the order of the remaining duration of their respective Interest Periods (the Pro-Rata Borrowing with the shortest remaining Interest Period to be repaid or prepaid first) and, third, within each Class, to any remaining Borrowings in the order of the remaining duration of their respective Interest Periods (the Borrowing with the shortest remaining Interest Period to be repaid or prepaid first). Each payment of a Pro-Rata Borrowing shall be applied ratably between the Dollar Loans and Multicurrency Loans included in such Pro-Rata Borrowing. Each payment of a Borrowing of a Class shall be applied ratably to the Loans of such Class included in such Borrowing. If the repayment or prepayment amount is denominated in Dollars and the Class to be repaid or prepaid is not specified, the Borrower shall repay or prepay such amount pro rata between any outstanding ABR Borrowings of the Dollar Lenders and the Multicurrency Lenders, and thereafter repay or prepay the remaining Borrowings denominated in Dollars in the order of the remaining duration of their respective Interest Periods, commencing with such Borrowings with the shortest remaining Interest Period. If the repayment or prepayment is denominated in an Agreed Foreign Currency (including as a result of the Borrower's receipt of proceeds from a prepayment event in such Agreed Foreign Currency), the Borrower may, at its option, repay or prepay any outstanding Borrowings in such Currency ratably among just the Multicurrency Lenders in the order of the remaining duration of their respective Interest Periods, commencing with such Borrowings with the shortest remaining Interest Period, and, if after such payment, the balance of the Borrowings denominated in such Currency is zero (0), then if there are any remaining proceeds, the Borrower shall repay or prepay the Loans (or provide cover for outstanding Letters of Credit as contemplated by Section 2.05(l)) on a pro-rata basis between each outstanding Class of Revolving Credit Exposure in the order of the remaining duration of their respective Interest Periods, commencing with such Borrowings with the shortest remaining Interest Period.

(c) Maintenance of Records by Lenders. Each Lender shall maintain in accordance with its usual practice records evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts and Currency of principal and interest payable and paid to such Lender from time to time hereunder.

(d) Maintenance of Records by the Administrative Agent. The Administrative Agent shall maintain records in which it shall record (i) the amount and Currency of each Loan made hereunder, the Class and Type thereof and each Interest Period therefor, (ii) the amount and Currency of any principal or interest due and payable or to become due and payable from the Borrower to each Lender of such Class hereunder and (iii) the amount and Currency of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(e) Effect of Entries. The entries made in the records maintained pursuant to paragraph (c) or (d) of this Section 2.09 shall be prima facie evidence, absent manifest error, of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such records or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records maintained by the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. In the event of any conflict between the Register and any other accounts and records maintained by the Administrative Agent, the Register shall control in the absence of manifest error.

(f) Promissory Notes. Any Lender may request that Loans made by it be evidenced by a promissory note (or, in the case of any Lender having Commitments of different Classes, by separate promissory notes in respect of each Class of Commitments). In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its permitted registered assigns) in substantially the form attached hereto as Exhibit E or in such other form as shall be reasonably satisfactory to the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one (1) or more promissory notes in such form payable to the payee named therein (or, if such promissory note is a registered note, to such payee and its permitted registered assigns).

SECTION 2.10. Prepayment of Loans.

(a) Optional Prepayments. The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, without premium or penalty except for payments under Section 2.15, subject to the requirements of this Section 2.10.

(b) Mandatory Prepayments due to Changes in Exchange Rates.

(i) Determination of Amount Outstanding. On each Revaluation Date, the Administrative Agent shall determine the aggregate Revolving Multicurrency Credit Exposure. For the purpose of this determination, the outstanding principal amount of any Loan or LC Exposure that is denominated in any Foreign Currency shall be deemed to be the Dollar Equivalent of the amount in the Foreign Currency of such Loan or LC Exposure, determined as of such Revaluation Date. Upon making such determination, the Administrative Agent shall promptly notify the Multicurrency Lenders and the Borrower thereof.

(ii) Prepayment.

(A) If, on the date of such determination the aggregate Revolving Multicurrency Credit Exposure minus the Multicurrency LC Exposure fully cash collateralized pursuant to Section 2.05(l) on such date exceeds 105% of the aggregate amount of the Multicurrency Commitments as then in effect the Borrower shall prepay the Multicurrency Loans and Swingline Loans (and/or provide cover for Multicurrency LC Exposure as specified in Section 2.05(l)) within fifteen (15) Business Days following the date the Borrower receives notice from the Administrative Agent of such determination in such amounts, if any, as shall be necessary so that after giving effect thereto and the determination of the aggregate Revolving Multicurrency Credit Exposure as of such date, the aggregate Revolving Multicurrency Credit Exposure does not exceed the Multicurrency Commitments. Any prepayment pursuant to this paragraph shall be applied, first, to Swingline Loans, second, to Multicurrency Loans, and third, as cover for Multicurrency LC Exposure.

(B) If, on the date of such determination the aggregate Revolving Dollar Credit Exposure minus the Dollar LC Exposure fully cash collateralized pursuant to Section 2.05(l) on such date exceeds the aggregate amount of the Dollar Commitments as then in effect, the Borrower shall prepay the Dollar Loans (and/or provide cover for Dollar LC Exposure as specified in Section 2.05(l)) within fifteen (15) Business Days following the date the Borrower receives notice from the Administrative Agent of such determination in such amounts, if any, as shall be necessary so that after giving effect thereto and the determination of the aggregate Revolving Dollar Credit Exposure as of such date, the aggregate Revolving Dollar Credit Exposure does not exceed the Dollar Commitments. Any prepayment pursuant to this paragraph shall be applied, first, to Dollar Loans outstanding and second, as cover for Dollar LC Exposure.

(c) Mandatory Prepayments due to Borrowing Base Deficiency or Contingent Borrowing Base Deficiency.

(i) In the event that at any time, but only for so long as, any Borrowing Base Deficiency shall exist, the Borrower shall, within five (5) Business Days after delivery of the applicable Borrowing Base Certificate, prepay the Revolving Loans (and/or provide cover for Letters of Credit as contemplated by Section 2.05(l)), or reduce its other Indebtedness that is included in the Covered Debt Amount in such amounts as shall be necessary so that such Borrowing Base Deficiency is promptly cured; provided that (i) the aggregate amount of such prepayment of Revolving Loans (and cover for Letters of Credit) shall be at least equal to the Revolving Credit Exposure's ratable share (such ratable share being determined based on the outstanding principal amount of the Revolving Credit Exposures as compared to its other Indebtedness that is included in the Covered Debt Amount) of the aggregate prepayment and reduction of its other Indebtedness that is included in the Covered Debt Amount, (ii) any payment or repayment of Revolving Loans denominated in Dollars shall be made and applied ratably (based on the aggregate outstanding principal amounts of such Revolving Loans denominated in Dollars) between Dollar Lenders and Multicurrency Lenders and (iii) if, within five (5) Business Days after delivery of a Borrowing Base Certificate demonstrating such Borrowing Base Deficiency (and/or at such other times as the Borrower has knowledge of such Borrowing Base Deficiency), the Borrower shall present the Administrative Agent with a reasonably feasible plan to enable such Borrowing Base Deficiency to be cured within thirty (30) Business Days (which thirty (30) Business Day period shall include the five (5) Business Days permitted for delivery of such plan), then such prepayment (and/or cash collateralization), reduction or addition of assets to the Borrowing Base shall not be required to be effected immediately but may be effected in accordance with such plan (with such modifications as the Borrower may reasonably determine), so long as such Borrowing Base Deficiency is cured within such thirty (30) Business Day period; provided, further, that solely to the extent such Borrowing Base Deficiency is due to a failure to satisfy the requirements of Section 5.13(j) as a consequence of a change in either (x) the ratio of the Gross Borrowing Base to the Senior Debt Amount or (y) the Relevant Asset Coverage Ratio from one (1) quarterly period to the next, such thirty (30) Business Day period shall be extended to a forty-five (45) Business Day period solely with respect to compliance with Section 5.13(j).

(ii) In the event that at any time, but only for so long as, any Contingent Borrowing Base Deficiency shall exist, the Borrower shall, within five (5) Business Days after delivery of the applicable Borrowing Base Certificate, prepay the Revolving Loans (and/or provide cover for Letters of Credit as contemplated by Section 2.05(l)), reduce its other Indebtedness that is included in the Covered Debt Amount or otherwise remedy the Contingent Borrowing Base Deficiency in such amounts as shall be necessary so that such Contingent Borrowing Base Deficiency is promptly cured; provided that (i) the aggregate amount of such prepayment of Revolving Loans (and cover for Letters of Credit) shall be at least equal to the Revolving Credit Exposure's ratable share (such ratable share being determined based on the outstanding principal amount of the Revolving Credit Exposures as compared to its other Indebtedness that is included in the Covered Debt Amount and Contingent Secured Indebtedness) of the aggregate prepayment and reduction of its other Indebtedness that is included in the Covered Debt Amount and Contingent Secured Indebtedness, (ii) any payment or repayment of Revolving Loans denominated in Dollars shall be made and applied ratably (based on the aggregate outstanding principal amounts of such Revolving Loans denominated in Dollars) between Dollar Lenders and Multicurrency Lenders and (iii) if, within five (5) Business Days after delivery of a Borrowing Base Certificate demonstrating such Contingent Borrowing Base Deficiency (and/or at such other times as the Borrower has knowledge of such Contingent Borrowing Base Deficiency), the Borrower shall present the Administrative Agent with a reasonably feasible plan to enable such Contingent Borrowing Base Deficiency to be cured within thirty (30) Business Days (which thirty (30) Business Day period shall include the five (5) Business Days permitted for delivery of such plan), then such prepayment (and/or cash collateralization), reduction or addition of assets to the Borrowing Base shall not be required to be effected immediately but may be effected in accordance with such plan (with such modifications as the Borrower may reasonably determine), so long as such Contingent Borrowing Base Deficiency is cured within such thirty (30) Business Day period; provided, further, that solely to the extent such Contingent Borrowing Base Deficiency is due to a failure to satisfy the requirements of Section 5.13(j) as a consequence of a change in either (x) the ratio of the Gross Borrowing Base to the Senior Debt Amount or (y) the Relevant Asset Coverage Ratio from one (1) quarterly period to the next, such thirty (30) Business Day period shall be extended to a forty-five (45) Business Day period solely with respect to compliance with Section 5.13(j).

(d) Mandatory Prepayments During Amortization Period. During the period commencing on the date immediately following the Commitment Termination Date and ending on the Maturity Date:

(i) Asset Disposition. If the Borrower or any other Obligor receives any Net Cash Proceeds in excess of \$2,000,000 in the aggregate since the Commitment Termination Date, the Borrower shall prepay an aggregate principal amount of Loans equal to 100% of such Net Cash Proceeds of a Disposition no later than the fifth Business Day following the receipt of such Net Cash Proceeds (such prepayments to be applied as set forth in Section 2.09(b)).

(ii) Equity Issuance. Upon receipt by the Borrower or any other Obligor of any Net Cash Proceeds of the issuance of any Equity Interests (other than pursuant to any distribution or dividend reinvestment plan), the Borrower shall prepay an aggregate principal amount of Loans equal to 75% of all Net Cash Proceeds received therefrom no later than the fifth Business Day following the receipt of such Net Cash Proceeds (such prepayments to be applied as set forth in Section 2.09(b)).

(iii) Indebtedness. Upon the incurrence or issuance by the Borrower or any other Obligor of any Indebtedness for borrowed money (excluding any Permitted Advisor Loan) by such Borrower or such other Obligor, as applicable, the Borrower shall prepay an aggregate principal amount of Loans equal to 100% of all Net Cash Proceeds received therefrom no later than the fifth Business Day following the receipt of such Net Cash Proceeds (such prepayments to be applied as set forth in Section 2.09(b)).

(iv) Extraordinary Receipt. Upon any Extraordinary Receipt (which, when taken with all other Extraordinary Receipts received after the Commitment Termination Date, exceeds \$5,000,000 in the aggregate) received by or paid to or for the account of the Borrower or any other Obligor, and not otherwise included in clauses (i), (ii) or (iii) of this Section 2.10(d), the Borrower shall prepay an aggregate principal amount of Loans equal to 100% of all Net Cash Proceeds received therefrom no later than the fifth Business Day following the receipt of such Net Cash Proceeds (such prepayments to be applied as set forth in Section 2.09(b)).

(v) Return of Capital. If any Obligor shall receive any Return of Capital and is not otherwise included in clauses (i), (ii), (iii) or (iv) of this Section 2.10(d), (other than arising from any Transferred Assets), the Borrower shall prepay an aggregate principal amount of Loans equal to 90% of such Return of Capital (excluding amounts payable by the Borrower pursuant to Section 2.15) no later than the fifth Business Day following the receipt of such Return of Capital (such prepayments to be applied as set forth in Section 2.09(b)).

Notwithstanding the foregoing, (I) Net Cash Proceeds and Return of Capital required to be applied to the prepayment of the Loans pursuant to this Section 2.10(d) shall (A) be applied in accordance with the Guarantee and Security Agreement and (B) exclude the amount necessary for the Borrower to make all required dividends and distributions (which shall be no less than the amount estimated in good faith by Borrower under Section 6.05(b) herein) to maintain the status of a RIC under the Code and its election to be treated as a "business development company" under the Investment Company Act for so long as the Borrower retains such status and to avoid payment by the Borrower of federal income and excise Taxes imposed by Section 4982 of the Code for so long as the Borrower retains the status of a RIC under the Code, and (II) if the Loans to be prepaid pursuant to this Section 2.10(d) are Term Benchmark Loans, the Borrower may defer such prepayment until the last day of the Interest Period applicable to such Loans, so long as the Borrower deposits an amount equal to such Net Cash Proceeds, no later than the fifth Business Day following the receipt of such Net Cash Proceeds, into a segregated collateral account in the name and under the dominion and control of the Administrative Agent, pending application of such amount to the prepayment of the Loans on the last day of such Interest Period; provided, further, that the Administrative Agent may direct the application of such deposits as set forth in Section 2.09(b) at any time and if the Administrative Agent does so, no amounts will be payable by the Borrower pursuant to Section 2.15.

(e) Notices, Etc. The Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the applicable Swingline Lender) by telephone (confirmed by telecopy or electronic communication) of any prepayment hereunder (i) in the case of prepayment of a Term Benchmark Loan denominated in Dollars (other than in the case of a prepayment pursuant to Section 2.10(d)), not later than 12:00 p.m., New York City time, three (3) Business Days before the date of prepayment, (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m., New York City time, on the date of prepayment, (iii) in the case of prepayment of a Swingline Loan, not later than 11:00 a.m., New York City time, on the date of prepayment, (iv) in the case of prepayment of an RFR Borrowing (other than in the case of a prepayment pursuant to Section 2.10(d)), not later than 12:00 p.m., London time, four (4) Business Days before the date of prepayment, (v) in the case of a prepayment of a Term Benchmark Borrowing denominated in a Foreign Currency (other than in the case of a prepayment pursuant to Section 2.10(d)), not later than 12:00 p.m., New York time, four (4) Business Days before the date of prepayment, or (vi) in the case of any prepayment pursuant to Section 2.10(d), not later than 11:00 p.m., New York City time, one Business Day before the date of prepayment or, in each case of the notice periods described in this paragraph (e), such lesser period as the Administrative Agent may reasonably agree. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that, if a notice of prepayment is given in connection with a conditional notice of termination or reduction of the Commitments of a Class as contemplated by Section 2.08, then such notice of prepayment may be revoked if such notice of termination or reduction is revoked in accordance with Section 2.08. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the affected Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment or scheduled payment. Each prepayment of a Borrowing of a Class shall be applied ratably to the Loans of such Class included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.12 and shall be made in the manner specified in Section 2.09(b). In the event the Borrower is required to make any concurrent prepayments under both paragraph (c) and also any other paragraph of this Section 2.10, the prepayment pursuant to such other paragraph of this Section 2.10 shall be made prior to any prepayment required to be made pursuant to paragraph (c) and the amount of the payment required pursuant to paragraph (c) (if any) shall be determined immediately after giving effect to the prepayment made (or to be made) under such other paragraph of this Section 2.10.

SECTION 2.11. Fees.

(a) Commitment Fee. The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender a commitment fee, which shall accrue at 0.375% on the daily unused amount of the Dollar Commitment and Multicurrency Commitment, as applicable, of such Lender during the period from and including the Effective Date to but excluding the earlier of the date such Commitment terminates and the Commitment Termination Date. Accrued commitment

fees shall be payable in arrears on the sixth (6th) Business Day after each Quarterly Date, commencing on December 31, 2022, and on the earlier of the date the Commitments of the respective Class terminate and the Commitment Termination Date, commencing on the first such date to occur after the Effective Date. All commitment fees shall be computed on the basis of a year of three hundred sixty (360) days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing commitment fees, (i) the daily unused amount of the applicable Commitment shall be determined as of the end of each day and (ii) the Commitment of any Class of a Lender shall be deemed to be used to the extent of the outstanding Loans and LC Exposure of such Class of such Lender (and the Swingline Exposure of such Class of such Lender shall be disregarded for such purpose).

(b) **Letter of Credit Fees.** The Borrower agrees to pay (i) to the Administrative Agent for the account of each Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at a rate per annum equal to the Applicable Margin applicable to interest on Term Benchmark Loans (or, if such Letter of Credit is denominated in GBP or CHF, RFR Loans) on the daily maximum amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Commitment of the applicable Class terminates and the date on which such Lender ceases to have any LC Exposure of such Class, and (ii) to each Issuing Bank a fronting fee, which shall accrue at the rate of 0.25% per annum on the daily maximum amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) applicable to Letters of Credit issued by such Issuing Bank during the period from and including the Effective Date to but excluding the later of the date of termination of the Commitments and the date on which there ceases to be any LC Exposure, as well as each Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including each Quarterly Date shall be payable in arrears on the sixth (6th) Business Day following such Quarterly Date, commencing on December 31, 2022; provided that, all such fees with respect to the Letters of Credit shall be payable on the date on which the Commitments of the applicable Class terminate (the "termination date"), the Borrower shall pay any such fees that have accrued and that are unpaid on the termination date and, in the event any Letters of Credit shall be outstanding that have expiration dates after the termination date, the Borrower shall prepay on the termination date the full amount of the participation and fronting fees that will accrue on such Letters of Credit subsequent to the termination date through but not including the date such outstanding Letters of Credit are scheduled to expire (and in that connection, the Lenders agree not later than the date two (2) Business Days after the date upon which the last such Letter of Credit shall expire or be terminated to rebate to the Borrower the excess, if any, of the aggregate participation and fronting fees that have been prepaid by the Borrower over the amount of such fees that ultimately accrue through the date of such expiration or termination). Any other fees payable to the Issuing Banks pursuant to this paragraph shall be payable within ten (10) Business Days after demand. All participation fees and fronting fees shall be computed on the basis of a year of three hundred sixty (360) days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) Administrative Agent Fees. The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times as set forth in the Administrative Agent Fee Letter dated as of the Effective Date between the Borrower and the Administrative Agent.

(d) Payment of Fees. All fees payable hereunder shall be paid on the dates due, in Dollars (or, with the consent of the relevant Issuing Bank, with respect to any fees payable to an Issuing Bank on account of Letters of Credit issued by such Issuing Bank in any Foreign Currency, in such Foreign Currency) and immediately available funds, to the Administrative Agent (or to the Issuing Banks, in the case of fees payable to them) for distribution, in the case of commitment fees and participation fees, to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances absent manifest error.

SECTION 2.12. Interest

(a) ABR Loans. The Loans constituting each ABR Borrowing (including each Swingline Loan) shall bear interest at a rate per annum equal to the Alternate Base Rate plus the Applicable Margin.

(b) Term Benchmark Loans. The Loans constituting each Term Benchmark Borrowing shall bear interest at a rate per annum equal to the Relevant Rate applicable to such Borrowing for the related Interest Period plus the Applicable Margin.

(c) RFR Loans. The Loans constituting each RFR Borrowing shall bear interest at a rate per annum equal to the Daily Simple RFR plus the Applicable Margin.

(d) Default Interest. Notwithstanding the foregoing clauses (a) through (c), if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due (after giving effect to any grace or cure period), whether at stated maturity, upon acceleration, by mandatory prepayment or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided above or (ii) in the case of any other amount, 2% plus (x) if such other amount is denominated in Dollars, the rate applicable to ABR Loans as provided in paragraph (a) of this Section 2.12, (y) if such other amount is denominated in a Foreign Currency (other than GBP or CHF), the rate applicable to Term Benchmark Loans as provided in paragraph (b) of this Section 2.12 or (z) if such other amount is denominated in GBP or CHF, the rate applicable to RFR Loans as provided in paragraph (c) of this Section 2.12.

(e) Payment of Interest. Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan in the Currency in which such Loan is denominated and upon the Maturity Date; provided that (i) interest accrued pursuant to paragraph (d) of this Section 2.12 shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Loan prior to the Maturity Date), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Term Benchmark Loan denominated in Dollars prior to the end of the Interest Period therefor, accrued interest on such Borrowing shall be payable on the effective date of such conversion.

(f) Computation. All interest hereunder shall be computed on the basis of a year of three hundred sixty (360) days, except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate and interest on all Loans denominated in GBP shall be computed on the basis of a year of three hundred sixty five (365) days (or three hundred sixty six (366) days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The Alternate Base Rate, each Relevant Rate and the Daily Simple RFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(g) Eurocurrency Loans. Notwithstanding anything to the contrary in this Agreement, all outstanding Eurocurrency Loans (as defined in the Existing Credit Agreement) as of the Effective Date shall remain outstanding as Eurocurrency Loans until the end of the Interest Period applicable thereto as of the Effective Date (immediately prior to the effectiveness of this Agreement) and thereafter shall be converted to ABR Loans or Term Benchmark Loans, as applicable, in accordance with the terms of this Agreement.

SECTION 2.13. Market Disruption and Alternate Rate of Interest

(a) Subject to Section 2.13(b) below, if:

(i) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing in any Applicable Currency, the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining Term SOFR, the CDO Rate, the Adjusted EURIBO Rate, the AUD Rate, the TIBOR Rate, the STIBOR Rate or the BKBM Rate, as applicable (including, without limitation, because the Relevant Screen Rate for such Interest Period is not available or published on a current basis and such circumstances are unlikely to be temporary) for such Interest Period or (B) at any time, for an RFR Borrowing, the Administrative Agent determines that adequate and reasonable means do not exist for ascertaining the Daily Simple RFR (each determination under this clause (i) shall be made in good faith and shall be conclusive absent manifest error); or

(ii) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing in any Applicable Currency, the Administrative Agent is advised by the Required Lenders of the applicable Class or, in the case of a Pro-Rata Borrowing, the Required Lenders, that Term SOFR, the CDO Rate, the Adjusted EURIBO Rate, the AUD Rate, the TIBOR Rate, the STIBOR Rate or the BKBM Rate, as applicable, for a Loan in such Applicable Currency or for the applicable Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining the Loans included in such Borrowing for such Interest Period or (B) at any time, for an RFR Borrowing, the Administrative Agent is advised by Multicurrency Lenders constituting Required Lenders of such Class that the Daily Simple RFR will not adequately and fairly reflect the cost to such Lenders of making or maintaining the Loans included in such Borrowing;

then the Administrative Agent shall give written notice thereof (or telephonic notice, promptly confirmed in writing) to the Borrower and the affected Lenders as promptly as practicable thereafter identifying the relevant provision above. Until the Administrative Agent shall notify the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or the continuation of any Borrowing as, a Term Benchmark Borrowing denominated in the affected Currency shall be ineffective and, if the affected Currency is Dollars, such Borrowing (unless prepaid) shall be continued as, or converted to, an ABR Borrowing at the end of the applicable Interest Period, (ii) if the affected Currency is Dollars and any Borrowing Request requests a Term Benchmark Borrowing denominated in Dollars, such Borrowing shall be made as an ABR Borrowing, (iii) if the affected Currency is a Foreign Currency other than CAD, (A) any Borrowing Request that requests a Term Benchmark Borrowing or RFR Borrowing denominated in the affected Currency shall be made as a Borrowing bearing interest at the Central Bank Rate for the applicable Agreed Foreign Currency; provided, that if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Agreed Foreign Currency cannot be determined, such Borrowing Request shall be ineffective, and (B) any outstanding Term Benchmark Borrowing or RFR Borrowing in the affected Currency, at the Borrower's election shall either (1) be converted to a Borrowing bearing interest at the Central Bank Rate for the applicable Agreed Foreign Currency; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Agreed Foreign Currency cannot be determined, such Borrowing shall be converted into an ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such affected Currency) immediately in the case of an RFR Borrowing or, in the case of a Term Benchmark Borrowing, at the end of the applicable Interest Period, (2) be converted into an ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such affected Currency) immediately in the case of an RFR Borrowing or, in the case of a Term Benchmark Borrowing, at the end of the applicable Interest Period, or (3) be prepaid in full immediately in the case of an RFR Borrowing or, in the case of a Term Benchmark Borrowing, at the end of the applicable Interest Period, and (iv) if the affected Currency is CAD, (A) any Borrowing Request that requests a Term Benchmark Borrowing denominated in Canadian Dollars shall be made as a Term Benchmark Borrowing with a Term Benchmark Rate equal to the Canadian Prime Rate; provided, that if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Canadian Prime Rate cannot be determined, such Borrowing Request shall be ineffective, and (B) any outstanding Term Benchmark Borrowing in CAD, at the Borrower's election, shall either (1) be converted to a Term Benchmark Borrowing denominated in CAD with a Term Benchmark Rate equal to the Canadian Prime Rate at the end of applicable Interest Period, (2) be converted into an ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such affected Currency) at the end of the applicable Interest Period, or (3) be prepaid in full at the end of the applicable Interest Period; provided that if no election is made by the Borrower by the date that is three Business Days after receipt by the Borrower of such notice or, in the case of a Term Benchmark Borrowing, the last day of the current Interest Period for the applicable Term Benchmark Loan, if earlier, the Borrower shall be deemed to have elected clause (iii)(B)(1) or (iv)(B)(1) above, as applicable.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to any setting of the then-current Benchmark for an Applicable Currency, then (x) if a Benchmark Replacement for the Term SOFR Reference Rate is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such

Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for such Applicable Currency for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising (x) in the case of a Benchmark Replacement for Dollars, the Required Lenders, and, (y) in the case of a Benchmark Replacement for any Foreign Currency, the Required Multicurrency Lenders. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a quarterly basis.

(c) In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent (after consulting with the Borrower) will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, and (iii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (e) below and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.13, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.13.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark for an Applicable Currency is a term rate (including the Term SOFR Reference Rate or the applicable Relevant Rate) and either (A) any tenor for such Benchmark for such Applicable Currency is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark for such Applicable Currency is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any

Benchmark settings for such Applicable Currency at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark for such Applicable Currency (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark for such Applicable Currency (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings for such Applicable Currency at or after such time to reinstate such previously removed tenor.

(f) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a Term Benchmark Borrowing or RFR Borrowing of, conversion to or continuation of Term Benchmark Loans or RFR Loans in each affected Currency to be made, converted or continued during any Benchmark Unavailability Period and, failing that, (i) any Interest Election Request that requests the conversion of any Borrowing to, or the continuation of any Borrowing as, a Term Benchmark Borrowing denominated in the affected Applicable Currency shall be ineffective and, if the affected Applicable Currency is Dollars, such Borrowing (unless prepaid) shall be continued as, or converted to, an ABR Borrowing at the end of the applicable Interest Period, (ii) if the affected Applicable Currency is Dollars and any Borrowing Request requests a Term Benchmark Borrowing denominated in Dollars, such Borrowing shall be made as an ABR Borrowing, (iii) if the affected Applicable Currency is a Foreign Currency other than CAD, (A) any Borrowing Request that requests a Term Benchmark Borrowing or RFR Borrowing denominated in the affected Applicable Currency shall be made as a Borrowing bearing interest at the Central Bank Rate for the applicable Agreed Foreign Currency; provided, that if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Agreed Foreign Currency cannot be determined, such Borrowing Request shall be ineffective, and (B) any outstanding Term Benchmark Borrowing or RFR Borrowing in the affected Applicable Currency, at the Borrower's election shall either (1) be converted to a Borrowing bearing interest at the Central Bank Rate for the applicable Agreed Foreign Currency; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Agreed Foreign Currency cannot be determined, such Borrowing shall be converted into an ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such affected Applicable Currency) immediately in the case of an RFR Borrowing or, in the case of a Term Benchmark Borrowing, at the end of the applicable Interest Period, (2) be converted into an ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such affected Applicable Currency) immediately in the case of an RFR Borrowing or, in the case of a Term Benchmark Borrowing, at the end of the applicable Interest Period, or (3) be prepaid in full immediately in the case of an RFR Borrowing or, in the case of a Term Benchmark Borrowing, at the end of the applicable Interest Period, and (iv) if the affected Applicable Currency is CAD, (A) any Borrowing Request that requests a Term Benchmark Borrowing denominated in Canadian Dollars shall be made as a Term Benchmark Borrowing with a Term Benchmark Rate equal to the Canadian Prime Rate; provided, that if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Canadian Prime Rate cannot be determined, such Borrowing Request shall be ineffective, and (B) any outstanding Term Benchmark Borrowing in CAD, at the Borrower's election, shall either (1) be converted to a Term Benchmark Borrowing denominated in CAD with a Term Benchmark Rate equal to the Canadian

Prime Rate at the end of applicable Interest Period, (2) be converted into an ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such affected Applicable Currency) at the end of the applicable Interest Period, or (3) be prepaid in full at the end of the applicable Interest Period; provided that if no election is made by the Borrower by the date that is three Business Days after receipt by the Borrower of such notice or, in the case of a Term Benchmark Borrowing, the last day of the current Interest Period for the applicable Term Benchmark Loan, if earlier, the Borrower shall be deemed to have elected clause (iii)(B)(1) or (iv)(B)(1) above, as applicable. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate.

SECTION 2.14. Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve (including pursuant to regulations issued from time to time by the Board for determining the maximum reserve requirement (including any emergency, special, supplemental, or other marginal reserve requirement) with respect to eurocurrency funding (currently referred to as “Eurocurrency liabilities” in Regulation D), compulsory loan, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted EURIBOR Rate) or any Issuing Bank;

(ii) impose on any Lender or any Issuing Bank or the relevant interbank market for an Agreed Foreign Currency any other condition, cost or expense (other than Taxes), affecting this Agreement or Term Benchmark Loans or RFR Loans made by such Lender or any Letter of Credit issued by such Issuing Bank or participation by such Lender therein; or

(iii) subject any Lender, any Issuing Bank or the Administrative Agent to any Taxes (other than Indemnified Taxes and Excluded Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or the Administrative Agent of making, continuing, converting into or maintaining any Term Benchmark Loan or RFR Loan (or any Loan, if such increase is in respect of Taxes) (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender, such Issuing Bank or the Administrative Agent of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender, such Issuing Bank or the Administrative Agent hereunder (whether of principal, interest or otherwise), then, upon the request of such Lender, such Issuing Bank or the Administrative Agent, the Borrower will pay to such Lender, such Issuing Bank or the Administrative Agent, as the case may be, in Dollars, such additional amount or amounts as will compensate such Lender, such Issuing Bank or the Administrative Agent, as the case may be, for such additional costs incurred or reduction suffered; provided that no Lender will claim the payment of any of the amounts referred to in this paragraph (a) if not generally claiming similar compensation from its other similar customers in similar circumstances.

(b) Capital Requirements. If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Swingline Loans and Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy), by an amount deemed to be material by such Lender or such Issuing Bank, then, upon the request of such Lender or such Issuing Bank, the Borrower will pay to such Lender or such Issuing Bank, as the case may be, in Dollars, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered; provided that no Lender will claim the payment of any of the amounts referred to in this paragraph (b) if not generally claiming similar compensation from its other similar customers in similar circumstances.

(c) Certificates from Lenders. A certificate of a Lender or an Issuing Bank (x) setting forth in reasonable detail the basis for and the calculation of the amount or amounts, in Dollars, necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 2.14, (y) setting forth in reasonable detail the manner of determination of such amount or amounts and (z) certifying that such Lender or such Issuing Bank or its holding company, as the case may be, is generally claiming similar compensation from its other similar customers in similar circumstances, shall be promptly delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section 2.14 shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section 2.14 for any increased costs or reductions incurred more than three (3) months prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the three (3) month period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.15. Break Funding Payments.

(a) In the event of (i) the payment of any principal of any Term Benchmark Loan other than on the last day of an Interest Period therefor (including as a result of the occurrence of any Commitment Increase Date or an Event of Default), (ii) the conversion of any Term Benchmark Loan other than on the last day of an Interest Period therefor, (iii) the failure to borrow, convert, continue or prepay any Term Benchmark Loan on the date specified in any notice delivered pursuant hereto (including, in connection with any Commitment Increase Date, and regardless of whether such notice is permitted to be revocable under Section 2.10(f) and is revoked in accordance herewith), or (iv) the assignment as a result of a request by the Borrower pursuant to Section 2.19(b) of any Term Benchmark Loan other than on the last day of an Interest Period therefor, then, in any such event, the Borrower shall compensate each affected Lender for such Lender's loss, cost and expense attributable to such event (excluding loss of anticipated profits).

(b) Payment under this Section 2.15 shall be made upon written request of a Lender delivered to the Borrower not later than ten (10) Business Days following the payment, conversion, or failure to borrow, convert, continue or prepay that gives rise to a claim under this Section 2.15 accompanied by a written certificate of such Lender setting forth in reasonable detail the amount or amounts that such Lender is entitled to receive pursuant to this Section 2.15 and the basis for and the manner of determination of such amount or amounts, which certificate shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

SECTION 2.16. Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower hereunder or under any other Loan Document shall be made free and clear of and without deduction or withholding for any taxes, except as required by applicable law; provided that if the Borrower shall be required to deduct or withhold any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions or withholdings (including deductions or withholdings applicable to additional sums payable under this Section 2.16) the Administrative Agent, Lender or Issuing Bank (as the case may be) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the Borrower shall make such deductions or withholdings and (iii) the Borrower shall pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law.

(b) Payment of Other Taxes by the Borrower. In addition, the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Indemnification by the Borrower. The Borrower shall indemnify the Administrative Agent, each Lender and each Issuing Bank for, and within thirty (30) Business Days after written demand therefor, pay the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.16) paid by the Administrative Agent, such Lender or such Issuing Bank, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender or an Issuing Bank, or by the Administrative Agent on its own behalf or on behalf of a Lender or an Issuing Bank, shall be conclusive absent manifest error.

(d) Indemnification by the Lenders. Each Lender and each Issuing Bank shall severally indemnify the Administrative Agent, within thirty (30) days after demand thereof, for (i) any Indemnified Taxes attributable to such Lender or Issuing Bank (but only to the extent that a party to this Agreement has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of any party to this Agreement to do so), (ii) any Taxes attributable to such Lender or Issuing Bank's failure to comply with the provisions of Section 9.04(e) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender or Issuing Bank, in each case that are payable or paid by the Administrative Agent in connection with this Agreement or any other Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender or Issuing Bank by the Administrative Agent shall be conclusive absent manifest error. Each Lender and each Issuing Bank hereby authorize the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender or Issuing Bank under this Agreement or any other Loan Document or otherwise payable by the Administrative Agent to such Lender or Issuing Bank from any other source against any amount due to the Administrative Agent under this paragraph.

(e) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Foreign Lenders. Any Foreign Lender that is entitled to an exemption from or reduction of withholding Tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate.

In addition, any Foreign Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Foreign Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two (2) sentences, the completion, execution and delivery of such documentation (other than such documentation set forth in Sections 2.16(f)(i)-(iv) or Section 2.16(h)) shall not be required if in the Foreign Lender's reasonable judgment such completion, execution or delivery would subject such Foreign Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Foreign Lender.

Without limiting the generality of the foregoing, if the Borrower is resident for tax purposes in the United States, any Foreign Lender shall deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

(i) duly completed copies of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E claiming eligibility for benefits of an income tax treaty to which the United States is a party,

(ii) duly completed copies of Internal Revenue Service Form W-8ECI certifying that the income receivable pursuant to this Agreement is effectively connected with the conduct of a trade or business in the United States,

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (A) a certificate to the effect that such Foreign Lender is not (1) a “bank” within the meaning of Section 881(c)(3)(A) of the Code, (2) a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (3) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code and (B) duly completed copies of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E certifying that the Foreign Lender is not a United States Person, or

(iv) duly completed copies of Internal Revenue Service Form W-8IMY; together with an IRS Form W-8BEN or IRS Form W-8BEN-E or any other supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

Each Foreign Lender shall promptly notify the Borrower and the Administrative Agent at any time the chief tax officer of such Foreign Lender becomes aware that it no longer satisfies the legal requirements to provide any previously delivered form or certificate to the Borrower.

(g) United States Lenders. Each Lender and each Issuing Bank that is not a Foreign Lender shall deliver to the Borrower (with a copy to the Administrative Agent), prior to the date on which such Issuing Bank or Lender becomes a party to this Agreement, upon the expiration or invalidity of any forms previously delivered and at times reasonably requested by the Borrower or the Administrative Agent, duly completed copies of Internal Revenue Service Form W-9 or any successor form, provided it is legally able to do so at the time. In addition, if requested by the Borrower or the Administrative Agent, each Lender and each Issuing Bank shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender or Issuing Bank is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two (2) sentences, the completion, execution and delivery of such documentation (other than completed copies of Internal Revenue Service Form W-9 or documentation required under Section 2.16(h)) shall not be required if in the Lender or Issuing Bank’s reasonable judgment such completion, execution or delivery would subject such Lender or Issuing Bank to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender or Issuing Bank.

(h) FATCA. If a payment made to a Lender or Issuing Bank under any Loan Document would be subject to United States federal withholding Tax imposed by FATCA if such Lender or Issuing Bank were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender or Issuing Bank shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender or Issuing Bank has complied with such Lender or Issuing Bank's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (h), "FATCA" shall include any amendments made to FATCA after the date of this Agreement. Each Lender and Issuing Bank agrees that if any form or certification it previously delivered under Section 2.16(f), (g) or (h) expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(i) Treatment of Certain Refunds. If the Administrative Agent, any Lender or any Issuing Bank determines, in its sole discretion, that it has received a refund (or credit in lieu of such refund) of any Taxes or Other Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 2.16, it shall pay to the Borrower an amount equal to such refund or credit (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 2.16 with respect to the Taxes or Other Taxes giving rise to such refund or credit), net of all reasonable out-of-pocket expenses of the Administrative Agent, any Lender or any Issuing Bank, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund or credit), provided that the Borrower, upon the request of the Administrative Agent, any Lender or any Issuing Bank, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent, any Lender or any Issuing Bank in the event the Administrative Agent, any Lender or any Issuing Bank is required to repay such refund or credit to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (i), in no event will the Administrative Agent, any Lender or any Issuing Bank be required to pay any amount to the Borrower pursuant to this paragraph (i) the payment of which would place the Administrative Agent or such Lender in a less favorable net after-Tax position than the Administrative Agent, such Lender or such Issuing Bank would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This subsection shall not be construed to require the Administrative Agent, any Lender or any Issuing Bank to make available its tax returns or its books or records (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person.

SECTION 2.17. Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Payments by the Borrower. The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or under Section 2.14, 2.15 or 2.16, or otherwise) or under any other Loan Document (except to the extent otherwise provided therein) prior to 2:00 p.m., New York City time, on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at the Administrative Agent's Account, except as otherwise expressly provided in the relevant Loan Document and except payments to be made directly to an Issuing Bank or a Swingline Lender as expressly provided herein and payments pursuant to Sections 2.14, 2.15, 2.16 and 9.03, which shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All amounts owing under this Agreement (including commitment fees, payments required under Section 2.14, and payments required under Section 2.15 relating to any Loan denominated in Dollars, but not including principal of, and interest on, any Loan denominated in any Foreign Currency or payments relating to any such Loan required under Section 2.15 or any reimbursement or cash collateralization of any LC Exposure denominated in any Foreign Currency, which are payable in such Foreign Currency) or under any other Loan Document (except to the extent otherwise provided therein) are payable in Dollars. Notwithstanding the foregoing, if the Borrower shall fail to pay any principal of any Loan when due (whether at stated maturity, by acceleration, by mandatory prepayment or otherwise), the unpaid portion of such Loan shall, if such Loan is not denominated in Dollars, automatically be redenominated in Dollars on the due date thereof (or, if such due date is a day other than the last day of the Interest Period therefor, on the last day of such Interest Period) in an amount equal to the Dollar Equivalent thereof on the date of such redenomination and such principal shall be payable on demand; and if the Borrower shall fail to pay any interest on any Loan that is not denominated in Dollars, such interest shall automatically be redenominated in Dollars on the due date therefor (or, if such due date is a day other than the last day of the Interest Period therefor, on the last day of such Interest Period) in an amount equal to the Dollar Equivalent thereof on the date of such redenomination and such interest shall be payable on demand.

(b) Application of Insufficient Payments. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees of a Class then due hereunder, such funds shall be applied (i) first, to pay interest and fees of such Class then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees of such Class then due to such parties, and (ii) second, to pay principal and unreimbursed LC Disbursements of such Class then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements of such Class then due to such parties.

(c) Pro Rata Treatment. Except to the extent otherwise provided herein: (i) each Borrowing of a Class shall be made from the Lenders of such Class, and each termination or reduction of the amount of the Commitments of a Class under Section 2.08 shall be applied to the respective Commitments of the Lenders of such Class, pro rata according to the amounts of their respective Commitments of such Class; (ii) each Borrowing of a Class shall be allocated pro rata among the Lenders of such Class according to the amounts of their respective Commitments of

such Class (in the case of the making of Loans) or their respective Loans of such Class that are to be included in such Borrowing (in the case of conversions and continuations of Loans); (iii) each payment of commitment fees under Section 2.11 shall be made for the account of the Lenders pro rata according to the average daily unused amounts of their respective Commitments; (iv) each payment or prepayment of principal of Loans of a Class by the Borrower shall be made for the account of the Lenders of such Class pro rata in accordance with the respective unpaid principal amounts of the Loans of such Class held by them; and (v) each payment of interest on Loans of a Class by the Borrower shall be made for the account of the Lenders of such Class pro rata in accordance with the amounts of interest on such Loans then due and payable to such Lenders.

(d) Sharing of Payments by Lenders. If any Lender of a Class shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans, or participations in LC Disbursements or Swingline Loans, of such Class resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans, and participations in LC Disbursements and Swingline Loans, and accrued interest thereon of such Class then due than the proportion received by any other Lender of such Class, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans, and participations in LC Disbursements and Swingline Loans, of other Lenders of such Class to the extent necessary so that the benefit of all such payments shall be shared by the Lenders of such Class ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans, and participations in LC Disbursements and Swingline Loans of such Class; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation. For the avoidance of doubt, the Borrower may make a Borrowing under the Dollar Commitments or Multicurrency Commitments (if otherwise permitted hereunder) and may use the proceeds of such Borrowing (x) with Dollar Commitments to prepay the Multicurrency Loans (without making a ratable prepayment of the Dollar Loans) or (y) with Multicurrency Commitments to prepay the Dollar Loans (without making a ratable payment to the Multicurrency Loans).

(e) Presumptions of Payment. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Banks, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or each of the Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the Federal Funds Effective Rate.

(f) Certain Deductions by the Administrative Agent. If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(e), 2.06(a), 2.17(d) or 9.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

SECTION 2.18. Defaulting Lenders.

Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) commitment fees pursuant to Section 2.11(a) shall cease to accrue on the unfunded portion of the Revolving Commitment of such Defaulting Lender;

(b) the Commitment and Credit Exposure of such Defaulting Lender shall not be included in determining whether two-thirds (2/3rds) of the Lenders, two-thirds (2/3rds) of the Lenders of a Class, the Required Lenders or the Required Lenders of a Class have taken or may take any action hereunder or any other Loan Documents (including any consent to any amendment or waiver pursuant to Section 9.02), provided that any waiver, amendment or modification requiring the consent of all Lenders (or all Lenders of a Class) or each affected Lender (if applicable to such Defaulting Lender), including as set forth in Section 9.02(b)(i), (ii), (iii), (iv) or (v), shall require the consent of such Defaulting Lender;

(c) if any Swingline Exposure or LC Exposure exists at the time a Lender becomes a Defaulting Lender then:

(i) all or any part of such Swingline Exposure (other than the portion of such Swingline Exposure consisting of Swingline Loans made by such Defaulting Lender) and LC Exposure shall be reallocated among the non-Defaulting Lenders holding Commitments of the same Class as such Defaulting Lender in accordance with their respective Applicable Multicurrency Percentages or Applicable Dollar Percentages, as applicable, but only to the extent (x) in the case of a Defaulting Lender that holds Commitments of a particular Class, the sum of all non-Defaulting Lenders' Revolving Credit Exposures of such Class plus such Defaulting Lender's Swingline Exposure and LC Exposure of such Class does not exceed the total of all non-Defaulting Lenders' Commitments of such Class, and (y) no non-Defaulting Lender's Revolving Credit Exposure of the applicable Class will exceed such Lender's Commitment of such Class;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, within three (3) Business Days following notice by the Administrative Agent (x) first, prepay such Defaulting Lender's Swingline Exposure and (y) second, cash collateralize such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.05(l) for so long as such LC Exposure is outstanding;

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.11(b) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(iv) if the LC Exposure of the non-Defaulting Lenders of the same Class as such Defaulting Lender is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 2.11(a) and Section 2.11(b) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Multicurrency Percentages or Applicable Dollar Percentages, as applicable, in effect immediately after giving effect to such reallocation; and

(v) if any Defaulting Lender's LC Exposure is neither cash collateralized nor reallocated pursuant to this Section 2.18(c), then, without prejudice to any rights or remedies of any Issuing Bank or any Lender hereunder, all commitment fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such LC Exposure) and letter of credit fees payable under Section 2.11(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the applicable Issuing Bank until such LC Exposure is cash collateralized and/or reallocated; and

(d) so long as any Lender is a Defaulting Lender, no Swingline Lenders of the same Class of such Defaulting Lender shall be required to fund any Swingline Loan of such Class and no Issuing Bank of the same Class or such Defaulting Lender shall be required to issue, amend or increase any Letter of Credit of such Class, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the non-Defaulting Lenders of the applicable Class and/or cash collateral will be provided by the Borrower in accordance with Section 2.18(c), and Swingline Exposure related to any newly made Swingline Loan and participating interests in any such newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders of such Class in a manner consistent with Section 2.18(c)(i) (and Defaulting Lenders shall not participate therein).

In the event that the Administrative Agent, the Borrower, the Swingline Lenders and the Issuing Banks (with respect to the Swingline Lenders and the Issuing Banks, only to the extent that such Swingline Lender or Issuing Bank acts in such capacity under the same Class of Commitments held by a Defaulting Lender) each agrees in writing that such Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then on the date of such agreement, such Lender shall no longer be deemed a Defaulting Lender, the Borrower shall no longer be required to cash collateralize any portion of such Lender's LC Exposure cash collateralized pursuant to Section 2.18(c)(ii) above and the Swingline Exposure and the LC Exposure of the Lenders of the affected Class shall be readjusted to reflect the inclusion of such Lender's Commitment of such Class and on such date such Lender shall purchase at par such of the Loans of the other Lenders of such Class (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Multicurrency Percentage or Applicable Dollar Percentage, as applicable, in effect immediately after giving effect to such agreement.

No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a non-Defaulting Lender as a result of such non-Defaulting Lender's increased exposure following such reallocation.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 2.14, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.14 or 2.16, as the case may be, in the future and (ii) would not subject such Lender to any cost or expense not required to be reimbursed by the Borrower and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 2.14, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16, or if any Lender becomes a Defaulting Lender or is a non-consenting Lender (as provided in Section 9.02(d)), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent (and, if a Revolving Commitment is being assigned, the Issuing Banks and the Swingline Lender), which consent shall not unreasonably be withheld, conditioned or delayed, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts then due and payable), and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.14 or payments required to be made pursuant to Section 2.16, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

(c) Defaulting Lender. If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(e), 2.06(a), 2.17(d) or 9.03(c), then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender for the benefit of the Administrative Agent or the Issuing Banks to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid, and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under such Sections; in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

SECTION 2.20. Assignment and Reallocation of Existing Commitments and Existing Loans.

(a) On the Effective Date, the Lenders, shall assign and transfer the Loans among themselves, in a manner acceptable to the Administrative Agent, so that, after giving effect to all such assignments and transfers, the Loans of each Class are held ratably by the Lenders of such Class in accordance with the respective Commitments of such Class of such Lenders (immediately after giving effect to this Agreement). Concurrently therewith, the Lenders of each Class shall be deemed to have assigned and transferred their participation interests in any outstanding Letters of Credit of such Class among themselves, in a manner acceptable to the Administrative Agent, so that such interests are held ratably in accordance with the Commitments of such Class of such Lenders (immediately after giving effect to this Agreement).

(b) Each of the Lenders hereby acknowledges and agrees that (i) no Lender nor the Administrative Agent has made any representations or warranties or assumed any responsibility with respect to (A) any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness or sufficiency of this Agreement, the Existing Credit Agreement or any other Loan Document or (B) the financial condition of any Obligor or the performance by any Obligor of its obligations hereunder or under any other Loan Document; (ii) it has received such information as it has deemed appropriate to make its own credit analysis and decision to enter into this Agreement; (iii) it has made and continues to make its own credit decisions in taking or not taking action under this Agreement, independently and without reliance upon the Administrative Agent or any other Lender; and (iv) no amounts shall be required to be paid to such Lender under Section 2.15 in connection with the reallocation described in Section 2.20(a).

(a) Financial Statements. The financial statements most recently delivered to the Administrative Agent and the Lenders by the Borrower pursuant to Section 5.01 present fairly, in all material respects, the consolidated financial position and results of operations and cash flows of the Borrower and its consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP applied on a consistent basis, subject to, in the case of interim statements, year-end audit adjustments and the absence of footnotes.

The Borrower will, and will cause each of its Subsidiaries (other than Immaterial Subsidiaries) to, pay its obligations, including Tax liabilities and material contractual obligations before the same shall become delinquent or in default, except where (a) the validity or amount thereof is being contested in good faith by appropriate proceedings, (b) the Borrower or such Subsidiary (other than Immaterial Subsidiaries) has set aside on its books adequate reserves with respect thereto in accordance with GAAP and (c) the failure to make payment pending such contest would not reasonably be expected to result in a Material Adverse Effect.

SECTION 5.05. Maintenance of Properties; Insurance. The Borrower will, and will cause each of its Subsidiaries (other than Immaterial Subsidiaries) to, (a) keep and maintain all property material to the conduct of the business of the Borrower and its Subsidiaries, taken as a whole, in good working order and condition, ordinary wear and tear excepted, except where failure to keep or maintain would not reasonably be expected to result in a Material Adverse Effect; provided that the foregoing shall not prohibit any merger, consolidation, liquidation or dissolution not prohibited under Section 6.03, and (b) maintain, with financially sound and reputable insurance companies, insurance in such amounts and against such risks as are customarily maintained by companies engaged in the same or similar businesses.

SECTION 5.06. Books and Records; Inspection Rights. The Borrower will, and will cause each of its Subsidiaries (other than Immaterial Subsidiaries) to, keep books of record and account in accordance with GAAP in all material respects. The Borrower will, and will cause each other Obligor to, permit any representatives designated by the Administrative Agent or any Lender, upon reasonable prior notice to the Borrower, to visit and inspect its properties during normal business hours, to examine and make copies of its books and records (including books and records maintained by it in its capacity as a “servicer” in respect of any Designated Subsidiary or other Excluded Assets, or in a similar capacity with respect to any other Designated Subsidiary, but only to the extent the Borrower is not prohibited from disclosing such information or providing access to such information, and any books, records and documents held by the Custodian), and to discuss its affairs, finances and condition with its officers and independent accountants, all at such

reasonable times and as often as reasonably requested, in each case, to the extent such inspection or requests for such information are reasonable and such information can be provided or discussed without violation of law, rule, regulation or any contract such Obligor entered into with a third party that is not an Affiliate; provided that the Borrower shall be entitled to have its representatives and advisors present during any inspection of its books and records and during any discussion with its independent accountants or independent auditors; provided further that the Borrower shall not be responsible for the costs and expenses of the Administrative Agent and the Lenders for more than one (1) visit and inspection in any calendar year under this Section 5.06 and Section 7.01(b) of the Guarantee and Security Agreement unless an Event of Default shall have occurred and be continuing.

SECTION 5.07. Compliance with Laws; Anti-Corruption; Sanctions. The Borrower will, and will cause each of its Subsidiaries to, comply with all laws, rules, regulations, including the Investment Company Act, any applicable rules, regulations or orders issued by the SEC thereunder (in each case, if applicable to such Person) and orders of any other Governmental Authority applicable to it or its property, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect. The Borrower will maintain in effect and enforce policies and procedures designed to ensure compliance by the Borrower, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions in all material respects.

SECTION 5.08. Certain Obligations Respecting Subsidiaries; Further Assurances.

(a) Subsidiary Guarantors. In the event that (1) any Obligor shall form or acquire any new Domestic Subsidiary (other than an Excluded Asset or Immaterial Subsidiary) or (2) any Excluded Asset or Immaterial Subsidiary that is a Domestic Subsidiary shall no longer constitute an “Excluded Asset” or “Immaterial Subsidiary”, as applicable, pursuant to the definition thereof (in which case such Person shall be deemed to be a “new” Domestic Subsidiary for purposes of this Section 5.08 as of such date), the Borrower will cause, within thirty (30) days (or such longer period as shall be reasonably agreed by the Administrative Agent) following such Person becoming a new Domestic Subsidiary, such new Domestic Subsidiary to become a “Subsidiary Guarantor” (and, thereby, an “Obligor”) under a Guarantee Assumption Agreement and to deliver such proof of corporate or other action, incumbency of officers, opinions of counsel (unless otherwise agreed by the Administrative Agent) and other documents as is consistent with those delivered by the Borrower pursuant to Section 4.01 upon the Effective Date or as the Administrative Agent shall have reasonably requested. For the avoidance of doubt, the Borrower may elect to cause any of its Excluded Assets or Immaterial Subsidiaries to become an Obligor by causing such Person to become a Subsidiary Guarantor and executing and delivering a Guarantee Assumption Agreement and other deliverables as required for a Subsidiary Guarantor under this Section 5.08(a) (at which point such Person shall be a Subsidiary Guarantor and shall no longer be an Excluded Asset or an Immaterial Subsidiary).

(b) Ownership of Subsidiaries. The Borrower will, and will cause each of its Significant Subsidiaries to, take such action from time to time as shall be necessary to ensure that each of its Significant Subsidiaries is a wholly owned Subsidiary (other than any Subsidiary that is an Excluded Asset); provided that the foregoing shall not prohibit any transaction permitted under Section 6.03 or 6.04, so long as immediately after giving effect to such permitted transaction each of the remaining Significant Subsidiaries is a wholly owned Subsidiary.

(c) Further Assurances. The Borrower will, and will cause each of the Subsidiary Guarantors to, take such action from time to time (including filing appropriate Uniform Commercial Code financing statements and executing and delivering such assignments, security agreements and other instruments) as shall be reasonably requested by the Administrative Agent to effectuate the purposes and objectives of this Agreement, including:

(i) to create, in favor of the Collateral Agent for the benefit of the Lenders (and any affiliate thereof that is a party to any Hedging Agreement entered into with such Obligor) and the holders of any Shorter Term Secured Indebtedness or Other Secured Indebtedness, perfected security interests and Liens in the Collateral; provided that any such security interest or Lien shall be subject to the relevant requirements of the Security Documents; provided further, that in the case of any Collateral consisting of voting stock of any Controlled Foreign Corporation, such security interest shall be limited to 65% of the issued and outstanding voting stock of such Controlled Foreign Corporation,

(ii) subject to Section 5.14 hereof and Sections 7.01 and 7.04 of the Guarantee and Security Agreement, to cause any bank or securities intermediary (within the meaning of the Uniform Commercial Code) to enter into such arrangements with the Collateral Agent as shall be appropriate in order that the Collateral Agent has "control" over each deposit account or securities account of the Obligors (other than any Excluded Account (as defined in the Guarantee and Security Agreement)), and in that connection, the Borrower agrees to cause all cash and other proceeds of Portfolio Investments received by any Obligor to be promptly deposited into such an account (or otherwise delivered to, or registered in the name of, the Collateral Agent) and, until such deposit, delivery or registration such cash and other proceeds shall be held in trust by the Borrower for the benefit of the Collateral Agent and shall not be commingled with any other funds or property of such Obligor or of any Designated Subsidiary or other Person (including with any money or financial assets of any Obligor in its capacity as "servicer" for any such Designated Subsidiary or any of its other Excluded Assets, or any money or financial assets of any Excluded Asset),

(iii) in the case of any portfolio investment held by an Excluded Asset or an Immaterial Subsidiary, including any cash collection related thereto, ensure that such portfolio investment shall not be held in the account of any Obligor subject to a control agreement among such Obligor, the Collateral Agent and the Custodian delivered in connection with this Agreement or any other Loan Document,

(iv) in the case of any Portfolio Investment consisting of a Bank Loan that does not constitute all of the credit extended to the underlying borrower under the relevant underlying loan documents and an Excluded Asset or an Immaterial Subsidiary holds any interest in the loans or other extensions of credit under such loan documents, (x) cause such Excluded Asset or such Immaterial Subsidiary to be party to such underlying loan documents as a "lender" having a direct interest (or a participation not acquired from an Obligor) in such underlying loan documents and the extensions of credit thereunder and

(y) ensure that, subject to Section 5.08(c)(v) below, all amounts owing to such Obligor or Excluded Asset or Immaterial Subsidiary by the underlying borrower or other obligated party are remitted by such borrower or obligated party (or the applicable administrative agents, collateral agents or equivalent Person) directly to separate accounts of such Obligor, such Excluded Asset, and such Immaterial Subsidiary, respectively,

(v) in the event that any Obligor is acting as an agent or administrative agent (or analogous capacity) under any loan documents with respect to any Bank Loan that does not constitute all of the credit extended to the underlying borrower under the relevant underlying loan documents, ensure that all funds held by such Obligor in such capacity as agent or administrative agent are segregated from all other funds of such Obligor and are clearly identified as being held in an agency capacity and

(vi) cause all credit or loan agreements, any notes and all assignment and assumption agreements relating to any Portfolio Investment constituting part of the Collateral to be held by (x) the Collateral Agent or (y) a Custodian pursuant to the terms of the applicable Custodian Agreement, or pursuant to an appropriate intercreditor agreement, so long as such Custodian has agreed to grant access to such loan and other documents to the Administrative Agent pursuant to an access or similar agreement between the Borrower and such Custodian in form and substance reasonably satisfactory to the Administrative Agent; provided that the Borrower's obligation to deliver underlying documentation may be satisfied by delivery of copies of such agreements.

Notwithstanding anything to the contrary contained herein, (1) nothing contained herein shall prevent an Obligor from having a Participation Interest in a portfolio investment held by an Excluded Asset and (2) if any instrument, promissory note, agreement, document or certificate held by the Custodian is destroyed or lost not as a result of any action of such Obligor, then any original of such instrument, promissory note, agreement, document or certificate shall be deemed held by the Custodian for all purposes hereunder; provided that, when such Obligor has actual knowledge of any such destroyed or lost instrument, promissory note, agreement, document or certificate, it shall use commercially reasonable efforts to obtain from the underlying borrower, and deliver to the Custodian, a replacement instrument, promissory note, agreement, document or certificate.

SECTION 5.09. Use of Proceeds. The Borrower will use the proceeds of the Loans and the issuances of Letters of Credit only for general corporate purposes of the Borrower and its Subsidiaries, including (a) purchasing shares of its common stock in connection with the redemption (or buyback) of its shares, including in connection with a Tender Offer, (b) repaying outstanding Indebtedness not prohibited by the Loan Documents, (c) paying fees and expenses paid or payable in connection with this Agreement and the other Loan Documents, (d) making other distributions, contributions and investments and (e) acquiring and funding (either directly or through one (1) or more Subsidiaries) of leveraged loans, mezzanine loans, high-yield securities, convertible securities, preferred stock, common stock, Hedging Agreements, Credit Default Swaps and other Portfolio Investments; provided that neither the Administrative Agent nor any Lender shall have any responsibility as to the use of any of such proceeds. No part of the proceeds of any Loan or Letter of Credit will be used in violation of Sanctions or any other applicable law or, directly or indirectly, for the purpose, whether immediate, incidental or ultimate, of buying or

carrying any Margin Stock in violation of Regulation U. Upon the request of any Lender, the Borrower shall furnish to such Lender a statement in conformity with the requirements of FR Form G-3 or FR Form U-1, as applicable, referred to in Regulation U. Without limiting the foregoing, no Obligor will directly or indirectly, use the proceeds of the Loans (A) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws, (B) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, to the extent such activities, businesses or transaction would be prohibited by Sanctions if conducted by a corporation incorporated in the United States, or (C) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

SECTION 5.10. Status of RIC and BDC. The Borrower shall at all times, subject to applicable grace periods set forth in the Code, maintain its status as a RIC under the Code, and as a “business development company” under the Investment Company Act.

SECTION 5.11. Investment and Valuation Policies. The Borrower shall promptly advise the Lenders and the Administrative Agent of any material change in either its Investment Policies or Valuation Policy.

SECTION 5.12. Portfolio Valuation and Diversification, Etc.

(a) Industry Classification Groups. For purposes of this Agreement, the Borrower, in its reasonable determination, shall assign each Portfolio Investment to an Industry Classification Group. To the extent that the Borrower reasonably determines that any Portfolio Investment is not adequately correlated with the risks of other Portfolio Investments in an Industry Classification Group, such Portfolio Investment may be assigned by the Borrower to an Industry Classification Group that is more closely correlated to such Portfolio Investment. In the absence of adequate correlation, the Borrower shall be permitted, upon notice to the Administrative Agent for distribution to each Lender, to create up to three (3) additional industry classification groups for purposes of this Agreement.

(b) Portfolio Valuation Etc.

(i) Settlement Date Basis. For purposes of this Agreement, all determinations of whether an investment is to be included as a Portfolio Investment shall be determined on a settlement-date basis (meaning that any investment that has been purchased will not be treated as a Portfolio Investment until such purchase has settled, and any Portfolio Investment which has been sold will not be excluded as a Portfolio Investment until such sale has settled), provided that no such investment shall be included as a Portfolio Investment to the extent it has not been paid for in full.

(ii) Determination of Values. The Borrower will conduct reviews of the value to be assigned to each of its Portfolio Investments included in the Borrowing Base as follows:

(A) Quoted Investments—External Review. With respect to Portfolio Investments (including Cash Equivalents) for which market quotations are readily available and that are traded in an active and orderly market as determined by the Borrower (“Quoted Investments”), the Borrower shall value such Quoted Investments in accordance with its Valuation Policy and, solely with respect to Portfolio Investments included in the Borrowing Base, not less frequently than once each calendar week, determine the market value of such Quoted Investments which shall, in each case, be determined in accordance with one (1) of the following methodologies (as selected by the Borrower):

(w) in the case of public and 144A securities, the average of the bid prices as determined by at least two (2) Approved Dealers selected by the Borrower,

(x) in the case of bank loans, the bid price as determined by at least one (1) Approved Dealer or Approved Pricing Service selected by the Borrower,

(y) in the case of any Quoted Investment traded on an exchange, the closing price for such Portfolio Investment most recently posted on such exchange, and

(z) in the case of any other Quoted Investment, the fair market value thereof as determined by an Approved Pricing Service; and

(B) Unquoted Investments—External Review. With respect to each Portfolio Investment for which market quotations are not readily available (each, an “Unquoted Investment”), as determined by the Borrower, the Borrower shall value such Unquoted Investments quarterly in a manner consistent with its Valuation Policy and, solely with respect to Portfolio Investments in the Borrowing Base, request an Approved Third-Party Appraiser to assist the Advisor (so long as it has the necessary delegated authority) or the board of directors of the Borrower (or the appropriate committee thereof with the necessary delegated authority) in determining the fair market value of such Unquoted Investments (1) with respect to Unquoted Investments held for a full calendar year, as at the last day of two non-consecutive fiscal quarters each calendar year (or, with respect to the calendar year in which the Effective Date occurs, as at the last day of at least one fiscal quarter in such calendar year) and (2) with respect to Unquoted Investments held for less than one full calendar year but more than one full calendar quarter, as at the last day of at least one fiscal quarter in such calendar year, in each case, and with respect to each calendar year, as selected by the Borrower in its sole discretion (each, a “Testing Quarter”); provided that:

(x) the Value of any such Unquoted Investment acquired during a Testing Quarter shall be deemed to be equal to the cost of such Unquoted Investment until such time as the fair market value of such Unquoted Investment is determined in accordance with the foregoing provisions of this sub-clause (B) as at the last day of the next succeeding Testing Quarter in which such Portfolio Investment is determined (which may be the first full Testing Quarter ending after the date such Unquoted Investment is acquired);

(y) notwithstanding the foregoing clause (B) the Advisor (so long as it has the necessary delegated authority) or the board of directors of the Borrower (or the appropriate committee thereof with the necessary delegated authority) may, without the assistance of an Approved Third-Party Appraiser, determine the Value of an Unquoted Investment in a Testing Quarter for such Unquoted Investment so long as the aggregate Value thereof of all such Unquoted Investments so determined in reliance on this clause (y) does not at any time exceed 10% of the aggregate Borrowing Base for any Testing Quarter, except that the Value of any Unquoted Investment that has been determined without the assistance of an Approved Third-Party Appraiser in reliance on this clause (y) as at the last day of any Testing Quarter with respect to such Unquoted Investment shall be deemed to be zero as at the last day of the immediately succeeding Testing Quarter with respect to such Unquoted Investment (but effective upon the date upon which the Borrowing Base Certificate for such last day is required to be delivered hereunder) if an Approved Third-Party Appraiser has not assisted the Advisor (so long as it has the necessary delegated authority) the board of directors of the Borrower (or the appropriate committee thereof with the necessary delegated authority), as applicable, in determining the fair market value of such Unquoted Investments, as at such date; and

(z) no Testing Quarter with respect to any Unquoted Investment (including any Testing Quarter for any Unquoted Investment pursuant to which the Advisor (so long as it has the necessary delegated authority) or the board of directors of the Borrower (or the appropriate committee thereof with the necessary delegated authority) determined the value of such Unquoted Investment in accordance with clause (y) above) shall end more than six months following the end of the immediately preceding Testing Quarter for such Portfolio Investment.

(C) Internal Review. The Borrower shall conduct internal reviews of all Portfolio Investments included in the Borrowing Base at least once each calendar week which shall take into account any events of which any Responsible Officer of the Borrower has knowledge that materially and adversely affect the aggregate value of the Portfolio Investments included in the Borrowing Base (including the existence of any buyout right for any Portfolio Investment at a purchase price that is less than the value of any Portfolio Investment established under Section 5.12(b)(ii)(A) or (B) above). If the value of any Portfolio Investment as most recently determined by the Borrower pursuant to this Section 5.12(b)(ii)(C) is lower than the value of such Portfolio Investment as most recently determined pursuant to Sections 5.12(b)(ii)(A) and (B), such lower value shall be deemed to be the "Value" of such Portfolio Investment for purposes hereof.

(D) Failure to Determine Values. If the Borrower shall fail to determine the value of any Portfolio Investment as at any date pursuant to the requirements (but subject to the exclusions) of the foregoing subclauses (A) through (C), the "Value" of such Portfolio Investment as at such date shall be deemed to be zero (0) for purposes of the Borrowing Base until such time as the Value of such Portfolio Investment is otherwise determined or reviewed, as applicable, in accordance with this Agreement.

(E) Scheduled Testing of Values.

(1) For the second calendar month immediately following the end of each fiscal quarter (the last such fiscal quarter is referred to herein as, the “Testing Period”), the Administrative Agent shall cause an Approved Third-Party Appraiser selected by the Administrative Agent to value such number of Unquoted Investments ((x) included in the Borrowing Base as of the end of such Testing Period or at any time between the end of such Testing Period and the end of the immediately preceding Testing Period, in each case, unless such Portfolio Investment is no longer in the Collateral Pool pursuant to a transaction permitted hereunder and (y) selected by the Administrative Agent) that collectively have an aggregate Value approximately equal to the Calculation Amount. The Administrative Agent agrees to notify the Borrower of the Unquoted Investments selected by the Administrative Agent to be tested in each Testing Period. If there is a difference between the Borrower’s valuation and the Approved Third-Party Appraiser’s valuation of any Unquoted Investment, the Value of such Unquoted Investment for Borrowing Base purposes shall be established as set forth in sub-clause (F) below.

(2) For the avoidance of doubt, the valuation of any Approved Third-Party Appraiser selected by the Administrative Agent would not be as of, or delivered at, the end of any fiscal quarter. Any such valuation would be as of the end of the second month immediately following any fiscal quarter and would be reflected in the Borrowing Base Certificate for such month (provided that such Approved Third-Party Appraiser delivers such valuation at least seven Business Days before the 20th day after the end of the applicable monthly accounting period and, if such valuation is delivered after such time, it shall be included in the Borrowing Base Certificate for the following monthly period and applied to the then applicable balance of the related Portfolio Investment). For illustrative purposes, if the given fiscal quarter is the fourth quarter ending on December 31, 2021, then (A) the Administrative Agent would initiate the testing of Values (using the December 31, 2021 Values for purposes of determining the scope of the testing under clause (E)(x)) during the month of February with the anticipation of receiving the valuations from the applicable Approved Third-Party Appraiser(s) on or after February 28, 2022 and (B) (x) if such valuations were received before the seventh Business Day before March 20, 2022, such valuations would be included in the March 20, 2022 Borrowing Base Certificate covering the month of February, or (y) if such valuations were received after such time, they would be included in the April 20, 2022 Borrowing Base Certificate for the month of March.

For the avoidance of doubt, all calculations of value pursuant to this Section 5.12(b)(ii)(E), shall be determined without application of the Advance Rates.

(F) Supplemental Testing of Values. Notwithstanding the foregoing, the Administrative Agent shall at any time have the right to request, in its reasonable discretion, any Unquoted Investment included in the Borrowing Base with a value determined pursuant to Section 5.12(b)(ii) (other than, so long as no Event of Default

exists, any Portfolio Investment included in the Borrowing Base tested pursuant to Section 5.12(b)(ii)(E), as of the most recent Testing Period) to be independently valued by an Approved Third-Party Appraiser selected by the Administrative Agent. There shall be no limit on the number of such appraisals requested by the Administrative Agent in its reasonable discretion; provided that, (i) any appraisal shall be conducted in a manner that is not disruptive to the Borrower's business and (ii) the values determined by any appraisal shall be treated as confidential information by the Administrative Agent and the Lenders and shall be deemed to be "Information" hereunder and subject to Section 9.13 hereof. The reasonable and documented out-of-pocket costs of any such valuation shall be at the expense of the Borrower; provided that, so long as no Event of Default has occurred and is continuing, the Borrower's obligations to reimburse valuation costs incurred by the Administrative Agent pursuant to this Section 5.12(b)(ii)(E), shall be limited to an aggregate annual amount equal to the greater of \$100,000 and 0.05% of the aggregate Commitments. The Administrative Agent shall notify the Borrower of its receipt of results from an Approved Third-Party Appraiser of any appraisal and provide a copy of the results and any related reports to the Borrower. If the difference between the Borrower's valuation pursuant to Section 5.12(b)(ii)(B), and the valuation of any Approved Third-Party Appraiser selected by the Administrative Agent pursuant to Section 5.12(b)(ii)(E), or (E) is (1) less than 5% of the Borrower's value thereof, then the Borrower's valuation shall be used, (2) between 5% and 20% of the Borrower's value thereof, then the valuation of such Portfolio Investment shall be the average of the value determined by the Borrower and the value determined by the Approved Third-Party Appraiser retained by the Administrative Agent and (3) greater than 20% of the Borrower's value thereof, then the Borrower and the Administrative Agent shall select an additional Approved Third-Party Appraiser and the valuation of such Portfolio Investment shall be the average of the three valuations (with the average of the Administrative Agent's Approved Third-Party Appraiser's valuation and the Borrower's valuation to be used until the third valuation is obtained). For the avoidance of doubt, Portfolio Investments that are part of the Collateral but not included in the Borrowing Base as of the most recent Testing Period shall not be subject to testing under this Section 5.12(b)(ii)(E); provided that this sentence shall not limit the rights of the Administrative Agent set forth in Section 9.03(a)(iii) to be reimbursed for costs and expenses incurred by the Administrative Agent following the occurrence and during the continuance of an Event of Default.

(iii) Generally Applicable Valuation Provisions.

(A) Each Approved Third-Party Appraiser (whether selected by the Borrower or the Administrative Agent) shall apply a recognized valuation methodology that is commonly accepted in the Borrower's industry for valuing Portfolio Investments of the type being valued and held by the Obligors. Other procedures relating to the valuation will be reasonably agreed upon by the Administrative Agent and the Borrower.

(B) Notwithstanding anything to the contrary contained herein, from the Effective Date until the date when the first valuation report with respect to the applicable Portfolio Investment is required to be delivered under Section 5.12(b)(ii)(B), or (E), as applicable, the Value of any Portfolio Investment included in the Borrowing Base shall be the Value as delivered to the Collateral Agent on or prior to the Effective Date. For the avoidance of doubt, subject to Section 5.12(b)(ii)(B), the value of any Portfolio Investments determined in accordance with any provision of this Section 5.12 shall be the Value of such Portfolio Investment for purposes of this Agreement until a new Value for such Portfolio Investment is subsequently required to be determined in good faith in accordance with this Section 5.12.

(C) The Administrative Agent and each Lender acknowledges that it may be required to enter into a non-reliance letter, confidentiality agreement or similar agreement requested or required by a proposed appraiser to allow the Administrative Agent or such Lender to review any written valuation report. Notwithstanding anything to the contrary contained herein, there shall be no requirement to disclose any portion of any report submitted by an Approved Third-Party Appraiser without such a non-reliance letter if such non-reliance letter is required by such Approved Third-Party Appraiser as a condition to such disclosure.

(iv) For the avoidance of doubt, any Values determined by the Independent Valuation Provider pursuant to Sections 5.12(b)(ii)(E) and (E) shall only be required to be used for purposes of calculating the Borrowing Base and shall not be required to be utilized for any other purpose, including, without limitation, the delivery of financial statements or valuations required under ASC 820 or the Investment Company Act.

(v) The Administrative Agent shall notify the Borrower of its receipt of the final results of any valuation performed by the Independent Valuation Provider promptly upon its receipt thereof and shall promptly provide a copy of such results and the related report to the Borrower.

(c) Investment Company Diversification Requirements. The Borrower will, and will cause its Subsidiaries (other than Subsidiaries that are exempt from the Investment Company Act) at all times to comply in all material respects with the portfolio diversification and similar requirements set forth in the Investment Company Act applicable to business development companies. The Borrower will at all times, subject to applicable grace or cure periods set forth in the Code, comply with the portfolio diversification and similar requirements set forth in the Code applicable to RICs, where applicable.

(d) Participation Interests. The Value attributable to any Participation Interest shall be the Value determined with respect to the underlying portfolio investment related to such Participation Interest in accordance with this Section 5.12, provided any participation interest that does not satisfy the definition of Participation Interest shall have a Value of zero (0) for purposes of this Agreement.

SECTION 5.13. Calculation of Borrowing Base. For purposes of this Agreement, the “Borrowing Base” shall be determined, as at any date of determination, as the sum of the products obtained by multiplying (x) the Value of each Portfolio Investment in the Collateral Pool to the extent the Borrower elects to include such Portfolio Investment in the Borrowing Base (the aggregate Value of all such Portfolio Investments in this clause (x), the “Gross Eligible Borrowing Base”; provided that no Portfolio Investment will be deemed included in the Gross Eligible Borrowing Base unless such Portfolio Investment is eligible for a non-zero Advance Rate without regard to the limitations set forth in Sections 5.13(a) through (j) and (y) the applicable Advance Rate for such Portfolio Investment, provided that:

(a) if, as of such date, the Relevant Asset Coverage Ratio is (i) greater than or equal to 2.00:1.00, the Advance Rate applicable to that portion of the aggregate Value of the Portfolio Investments included in the Gross Eligible Borrowing Base of all issuers in a consolidated group of corporations or other entities (collectively, a “Consolidated Group”) in accordance with GAAP exceeding 6% of the aggregate Value of all Portfolio Investments in the Gross Eligible Borrowing Base, shall be 50% of the otherwise applicable Advance Rate; (ii) less than 2.00:1.00 and greater than or equal to 1.75:1.00, the Advance Rate applicable to that portion of the aggregate Value of the Portfolio Investments included in the Gross Eligible Borrowing Base of all issuers in a Consolidated Group in accordance with GAAP exceeding 5% of the aggregate Value of all Portfolio Investments in the Gross Eligible Borrowing Base, shall be 50% of the otherwise applicable Advance Rate; or (iii) less than 1.75:1.00, the Advance Rate applicable to that portion of the aggregate Value of the Portfolio Investments included in the Gross Eligible Borrowing Base of all issuers in a Consolidated Group in accordance with GAAP exceeding 4% of the aggregate Value of all Portfolio Investments in the Gross Eligible Borrowing Base, shall be 50% of the otherwise applicable Advance Rate;

(b) if, as of such date, the Relevant Asset Coverage Ratio is (i) greater than or equal to 2.00:1.00, the Advance Rate applicable to that portion of the aggregate Value of the Portfolio Investments included in the Gross Eligible Borrowing Base of all issuers in a Consolidated Group in accordance with GAAP exceeding 12% of the aggregate Value of all Portfolio Investments in the Gross Eligible Borrowing Base, shall be 0%; (ii) less than 2.00:1.00 and greater than or equal to 1.75:1.00, the Advance Rate applicable to that portion of the aggregate Value of the Portfolio Investments included in the Gross Eligible Borrowing Base of all issuers in a Consolidated Group in accordance with GAAP exceeding 10% of the aggregate Value of all Portfolio Investments in the Gross Eligible Borrowing Base shall be 0% or (iii) less than 1.75:1.00, the Advance Rate applicable to that portion of the aggregate Value of the Portfolio Investments included in the Gross Eligible Borrowing Base of all issuers in a Consolidated Group in accordance with GAAP exceeding 8% of the aggregate Value of all Portfolio Investments in the Gross Eligible Borrowing Base, shall be 0%;

(c) if, as of such date, the Relevant Asset Coverage Ratio is (i) greater than or equal to 2.00:1.00, the Advance Rate applicable to that portion of the aggregate Value of the Portfolio Investments included in the Gross Eligible Borrowing Base in any single Industry Classification Group that exceeds 25% of the aggregate Value of all Portfolio Investments in the Gross Eligible Borrowing Base, shall be 0%, provided that, with respect to Portfolio Investments in a single Industry Classification Group from time to time designated by the Borrower to the Administrative Agent, such 25% figure shall be increased to 30%, (ii) less than 2.00:1.00 and greater than or equal to 1.75:1.00, the Advance Rate applicable to that portion of the aggregate Value of the Portfolio Investments included in the Gross Eligible Borrowing Base in any single Industry Classification Group that exceeds 20% of the aggregate Value of all Portfolio Investments in the Gross Eligible Borrowing Base, shall be 0%, provided that, with respect to Portfolio Investments in a single Industry Classification Group from time to time designated by the Borrower to the Administrative Agent, such 20% figure shall be increased to 25%, or (iii) less than 1.75:1.00, the Advance Rate applicable to that portion of the aggregate Value of the Portfolio Investments included in the Gross Eligible Borrowing Base in any single Industry Classification Group that exceeds 20% of the aggregate Value of all Portfolio Investments in the Gross Eligible Borrowing Base, shall be 0%;

SECTION 6.11. Modifications of Certain Documents. The Borrower will not consent to any modification, supplement or waiver of (a) any of the provisions of any agreement, instrument or other document evidencing or relating to any Permitted Indebtedness or Special Longer-Term Unsecured Indebtedness that would result in such Permitted Indebtedness or Special Longer-Term Unsecured Indebtedness not meeting the requirements of the definition of “Permitted Indebtedness” or “Special Longer-Term Unsecured Indebtedness”, as applicable, set forth in Section 1.01 of this Agreement, unless following such amendment, modification or waiver, such Permitted Indebtedness or Special Longer-Term Unsecured Indebtedness, as applicable, would otherwise be permitted under Section 6.01, or (b) either of the Affiliate Agreement or the Custodian Agreement, unless such modification, supplement or waiver is not materially less favorable to the Borrower than could be obtained on an arm’s-length basis from unrelated third parties, in each case, without the prior consent of the Administrative Agent (with the approval of the Required Lenders).

Without limiting the foregoing, the Borrower may, at any time and from time to time, without the consent of the Administrative Agent or the Required Lenders, freely amend, restate, terminate, or otherwise modify any documents, instruments and agreements evidencing, securing or relating to Indebtedness permitted pursuant to Section 6.01(d), including increases in the principal amount thereof, modifications to the advance rates and/or modifications to the interest rate, fees or other pricing terms so long as following any such action such Indebtedness continues to be permitted under Section 6.01(d).

The Borrower will not, nor will it permit any other Obligor to, purchase, redeem, retire or otherwise acquire for value, or set apart any money for a sinking, defeasance or other analogous fund for the purchase, redemption, retirement or other acquisition of, or make any voluntary payment or prepayment of the principal of or interest on, or any other amount owing in respect of, any Permitted Indebtedness or any Indebtedness that is not then included in the Covered Debt Amount (other than (x) payments and prepayments under the Permitted Advisor Loan pursuant to Section 6.05(f) or (y) the refinancing of such Indebtedness with Indebtedness permitted under Section 6.01 (including, for the avoidance of doubt, as incurred by an Excluded Asset or other Subsidiary) or with the proceeds of any issuance of Equity Interests), except for:

(a) regularly scheduled payments, prepayments or redemptions of principal and interest in respect thereof required pursuant to the instruments evidencing such Indebtedness and the payment when due of the types of fees and expenses that are customarily paid in connection with such Indebtedness (it being understood that: (w) the conversion features into Permitted Equity Interests under convertible notes; (x) the triggering of such conversion and/or settlement thereof solely with Permitted Equity Interests; (y) any cash payment on account of interest, expenses or fractional shares on such convertible notes made in respect of such triggering and/or settlement thereof and (z) any customary mandatory prepayment provisions required by the terms thereof, shall be permitted under this clause (a));

(d) other payments and prepayments (other than any payment or prepayment of any Permitted Advisor Loan) so long as immediately after giving effect to such payment or prepayment, as applicable, and any Concurrent Transaction, if such payment or prepayment were deemed a "Restricted Payment" for the purposes of determining compliance with Section 6.05(d), such payment or prepayment, as applicable, would be permitted to be made under Section 6.05(d);

provided that, in the case of clauses (a) and (b) above, in no event shall any Obligor be permitted to prepay or settle (whether as a result of a mandatory redemption, conversion or otherwise) any such Indebtedness if immediately after giving effect thereto and to any Concurrent Transactions, the Covered Debt Amount would exceed the Borrowing Base.

(a) the Borrower shall (i) fail to pay any principal of any Loan or any reimbursement obligation in respect of any LC Disbursement when and as the same shall become due and payable, whether at the due date thereof or at a date fixed for prepayment thereof or otherwise or (ii) fail to deposit any amount into the Letter of Credit Collateral Account as required by Section 2.05(d) on the Commitment Termination Date;

(b) the Borrower shall fail to pay any interest on any Loan or any fee or any other amount (other than an amount referred to in clause (a) of this Article) payable under this Agreement or under any other Loan Document, when and as the same shall become due and payable, and such failure shall continue unremedied for a period of five (5) or more Business Days;

(c) any representation or warranty made (or deemed made pursuant to Section 4.02) by or on behalf of the Borrower or any of its Subsidiaries (other than Immaterial Subsidiaries) in or in connection with this Agreement or any other Loan Document or any amendment or modification hereof or thereof, or in any report, certificate, financial statement or other document furnished by or on behalf of the Borrower or any of its Subsidiaries (other than Immaterial Subsidiaries) pursuant to or in connection with this Agreement or any other Loan Document or any amendment or modification hereof or thereof, shall prove to have been incorrect when made or deemed made in any material respect and such failure shall continue unremedied for a period of thirty (30) or more days after the earlier of the Borrower obtaining actual knowledge thereof or receiving notice thereof from the Administrative Agent (given at the request of any Lender);

(d) the Borrower shall fail to observe or perform any covenant, condition or agreement contained in (i) Section 5.03 (with respect to the Borrower's existence) or Sections 5.08(a) and (b) or in Article VI or any Obligor shall default in the performance of any of its obligations contained in Section 7 of the Guarantee and Security Agreement (other than Section 7.01 thereof) or (ii) Sections 5.01(d) and (e) or Section 5.02 and such failure shall continue unremedied for a period of five (5) or more Business Days after the earlier of the Borrower obtaining actual knowledge of such failure and that it has resulted in a Default hereunder or receiving notice thereof from the Administrative Agent (given at the request of any Lender); it being acknowledged and agreed that a failure of an Obligor to "Deliver" (as defined in the Guarantee and Security Agreement) any particular Investment to the extent required by Section 7.01 of the Guarantee and Security Agreement shall result in such Investment not being included in the Borrowing Base but shall not (in and of itself) be, or result in, a Default or an Event of Default under this clause (d);

(e) a Borrowing Base Deficiency shall occur and continue unremedied for a period of five (5) or more Business Days after delivery of a Borrowing Base Certificate demonstrating such Borrowing Base Deficiency pursuant to Section 5.01(e); provided that it shall not be an Event of Default hereunder if the Borrower shall present the Administrative Agent with a reasonably feasible plan to cure such Borrowing Base Deficiency within thirty (30) Business Days (which thirty (30) Business Day period shall include the five (5) Business Days permitted for delivery of such plan), so long as such Borrowing Base Deficiency is cured within such thirty (30) Business Day period; provided further, such thirty (30) Business Day period shall be extended to a forty-five (45) Business Day period solely to the extent as provided in Section 2.10(c)(i) in order to cure any failure to satisfy Section 5.13(j);

(f) the Borrower or any other Obligor, as applicable, shall fail to observe or perform any covenant, condition or agreement contained in this Agreement (other than those specified in clause (a), (b), (d) or (e) of this Article) or any other Loan Document and such failure shall continue unremedied for a period of thirty (30) or more days after the earlier of the Borrower obtaining actual knowledge of such failure and that it has resulted in a Default hereunder or receiving notice thereof from the Administrative Agent (given at the request of any Lender);

(g) the Borrower or any of its Subsidiaries shall fail to make any payment of principal or interest in respect of any Material Indebtedness, when and as the same shall become due and payable, taking into account (other than with respect to payments of principal) any applicable grace or cure period;

(h) any event or condition occurs (i) that results in any Material Indebtedness becoming due prior to its scheduled maturity or (ii) that shall continue unremedied for any applicable period of time sufficient to enable or permit the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity (for the avoidance of doubt, other than as permitted under Section 6.12 and that is not a result of a breach, default or other violation or failure in respect of such Material Indebtedness by the Borrower or any of its Subsidiaries and, after giving effect to any applicable grace or cure period); provided that this clause (h) shall not apply to (1) secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, (2) convertible debt that becomes due as a result of a conversion or redemption event, other than

as a result of an “event of default” (as defined in the documents governing such convertible Material Indebtedness), (3) any Indebtedness of a Designated Subsidiary that becomes due in part as a result of a breach of an overcollateralization test or borrowing base deficiency, or a customary “change of control” put right in any indenture or (4) in the case of clause (h)(ii), any Indebtedness of a Designated Subsidiary (x) to the extent the event or condition giving rise to the circumstances in clause (h)(ii) was not a payment or insolvency default or (y) so long as all Commitments have not been terminated and the Loans have not been declared due and payable in full, to the extent such event or condition is no longer continuing or has been waived in accordance with the terms of such Material Indebtedness such that the holder or holders thereof or any trustee or agent on its or their behalf are no longer enabled or permitted to cause such Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity;

(i) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of the Borrower or any of its Significant Subsidiaries (or group of Subsidiaries that if consolidated would constitute a Significant Subsidiary) or its debts, or of a substantial part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower or any of its Significant Subsidiaries (or group of Subsidiaries that if consolidated would constitute a Significant Subsidiary) or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed and unstayed for a period of sixty (60) or more days or an order or decree approving or ordering any of the foregoing shall be entered;

(j) the Borrower or any of its Significant Subsidiaries (or group of Subsidiaries that if consolidated would constitute a Significant Subsidiary) shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in clause (i) of this Article, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower or any of its Significant Subsidiaries (or group of Subsidiaries that if consolidated would constitute a Significant Subsidiary) or for a substantial part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) take any action for the purpose of effecting any of the foregoing;

(k) the Borrower or any of its Significant Subsidiaries (or group of Subsidiaries that if consolidated would constitute a Significant Subsidiary) shall become unable, admit in writing its inability or fail generally to pay its debts as they become due;

(l) one (1) or more judgments for the payment of money in an aggregate amount in excess of \$50,000,000 shall be rendered against the Borrower or any of its Subsidiaries (other than Immaterial Subsidiaries) or any combination thereof and (i) if not covered by insurance, the same shall remain undischarged for a period of sixty (60) consecutive days following the entry of such judgment during which sixty (60) day period such judgment shall not have been vacated, stayed, discharged or bonded pending appeal, or (ii) any action shall be legally taken by a judgment creditor to attach or levy upon any assets of the Borrower or any of its Subsidiaries (other than Immaterial Subsidiaries) to enforce any such judgment;

(m) an ERISA Event shall have occurred that, when taken together with all other ERISA Events that have occurred, would reasonably be expected to result in a Material Adverse Effect;

(n) a Change in Control shall occur;

(o) [reserved];

(p) the Liens created by the Security Documents shall, at any time with respect to Portfolio Investments included in the Collateral Pool having an aggregate Value in excess of 5% of the aggregate Value of all Portfolio Investments included in the Collateral Pool, not be valid and perfected (to the extent perfection by filing, registration, recordation, possession or control is required herein or therein) in favor of the Collateral Agent, free and clear of all other Liens (other than Liens permitted under Section 6.02 or under the respective Security Documents); provided that if such default is as a result of any action of the Administrative Agent or the Collateral Agent or a failure of the Administrative Agent or the Collateral Agent to take any action within its control, then there shall be no Default or Event of Default hereunder unless such default shall continue unremedied for a period of ten

(10) consecutive Business Days after the Borrower receives written notice of such default thereof from the Administrative Agent unless the continuance thereof is a result of a failure of the Administrative Agent or the Collateral Agent to take an action within their control;

(q) except for expiration or termination in accordance with its terms, any of the Security Documents shall for whatever reason be terminated or cease to be in full force and effect in any material respect, or the enforceability thereof shall be contested by any Obligor;

(r) the Obligors shall at any time, without the consent of the Required Lenders, (i) modify, supplement or waive in any material respect the Investment Policies (other than any modification, supplement or waiver required by any applicable law, rule or regulation or Governmental Authority), provided that a modification, supplement or waiver shall not be deemed a modification in any material respect of the Investment Policies if the effect of such modification, supplement or waiver is that the permitted investment size of the Portfolio Investments proportionately increases as the size of the Borrower's capital base changes; (ii) modify, supplement or waive in any material respect the Valuation Policy (other than any modification, supplement or waiver (w) required under GAAP, (x) required by any applicable law, rule or regulation or Governmental Authority, or (y) when taken as a whole is not materially adverse to the Lenders when compared to its Valuation Policy in effect as of the Original Effective Date), (iii) fail to comply with the Valuation Policy in any material respect, or (iv) fail to comply with the Investment Policies if such failure would reasonably be expected to result in a Material Adverse Effect, and in the case of subclauses (iii) and (iv) of this clause (r), such failure shall continue unremedied for a period of thirty (30) or more days after the earlier of notice thereof by the Administrative Agent (given at the request of any Lender) to the Borrower or knowledge thereof by a Financial Officer;

then, and in every such event (other than an event with respect to the Borrower described in clause (i) or (j) of this Article), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments shall terminate immediately, and (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; and in case of any event with respect to the Borrower described in clause (i) or (j) of this Article, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower.

In the event that the Loans shall be declared, or shall become, due and payable pursuant to the immediately preceding paragraph then, upon notice from the Administrative Agent or Lenders with LC Exposure representing more than 50% of the total LC Exposure of a Class demanding the deposit of cash collateral pursuant to this paragraph, the Borrower shall promptly, but in any event within three (3) Business Days of receipt of notice, deposit into the Letter of Credit Collateral Account cash in an amount equal to 102% of the LC Exposure of such Class as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in clause (i) or (j) of this Article.

ARTICLE VIII

THE ADMINISTRATIVE AGENT

SECTION 8.01. The Administrative Agent

Each of the Lenders and the Issuing Banks hereby irrevocably appoints the Administrative Agent as its agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto.

Each of the Lenders and the Issuing Banks hereby irrevocably appoints the Collateral Agent as the collateral agent hereunder and under the other Loan Documents and authorizes the Collateral Agent to have all the rights and benefits hereunder and thereunder (including Section 9 of the Guarantee and Security Agreement), and to take such actions on its behalf and to exercise such powers as are delegated to the Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and the term “Lender” or “Lenders” shall, unless the context otherwise indicates, include the Administrative Agent in its individual capacity. Such Person and its Affiliates may (without having to account therefor to any other Lender) accept deposits from, lend money to and generally engage in any kind of banking, trust or other business with any of the Obligor (or any Subsidiary or other Affiliate thereof) as if it were not the Administrative Agent hereunder, and such Person and its Affiliates may accept fees and other consideration from any of the Obligor or other Affiliate thereof for services in connection with this Agreement or otherwise without having to account for the same to the other Lenders.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise in writing by the Required Lenders, and (c) except as expressly set forth herein and in the other Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Subsidiaries that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein or therein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one (1) or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

The Administrative Agent may resign at any time by notifying the Lenders, the Issuing Banks and the Borrower. Upon any such resignation, the Required Lenders shall have the right, with the consent of the Borrower not to be unreasonably withheld (or, if an Event of Default has occurred and is continuing in consultation with the Borrower), to appoint a successor, which is not a natural person, a Defaulting Lender or a Disqualified Lender. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent's resignation shall nonetheless become effective (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the Issuing Banks under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (1) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and (2) the Required Lenders shall perform the duties of the Administrative Agent (and all payments and communications provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly) until such time as the Required Lenders appoint a successor agent as provided for above in this paragraph. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder (if not already discharged therefrom as provided above in this paragraph). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article and Section 9.03 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Administrative Agent. Any resignation by Truist Bank as Administrative Agent pursuant to this Section shall also constitute its resignation as an Issuing Bank and a Swingline Lender. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank and Swingline Lender, (b) the retiring Issuing Bank and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (c) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring Issuing Bank to effectively assume the obligations of the retiring Issuing Bank with respect to such Letters of Credit.

Each Lender agrees that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own analysis and decisions in taking or not taking action under or based upon this Agreement and other Loan Documents to which it is a party.

Except as otherwise provided in Section 9.02(b) with respect to this Agreement, the Administrative Agent may, with the prior consent of the Required Lenders (but not otherwise), consent to any modification, supplement or waiver under any of the Loan Documents, provided that, without the prior consent of each Lender and each Issuing Bank, the Administrative Agent shall not (except as provided herein or in the Security Documents) release all or substantially all of the Collateral or otherwise terminate all or substantially all of the Liens under any Security Document providing for collateral security, agree to additional obligations being secured by all or substantially all of such collateral security, or alter the relative priorities of the obligations entitled to the benefits of the Liens created under the Security Documents with respect to all or substantially all of the Collateral, except that no such consent shall be required, and the Administrative Agent is hereby authorized, to (1) release (which such release shall be automatic and require no further action from any party) any Lien covering property that is the subject of either a disposition of property not prohibited hereunder or a disposition to which the Required Lenders have consented, (2) release from any Guarantee and Security Agreement any "Subsidiary Guarantor" (and any property of such Subsidiary Guarantor) in accordance with Section 9.02(c) and (3) spread Liens to any Designated Indebtedness or Hedging Agreement Obligations (as such terms are defined in the Guarantee and Security Agreement) in accordance with the Guarantee and Security Agreement.

SECTION 8.02. Certain ERISA Matters. (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Joint Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower, that at least one (1) of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one (1) or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one (1) or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of subsections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless subclause (i) in the immediately preceding clause (a) is true with respect to a Lender or a Lender has not provided another representation, warranty and covenant as provided in subclause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and each Joint Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower, that none of the Administrative Agent, or any Joint Lead Arranger or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

SECTION 8.03. Erroneous Payments.

(a) If the Administrative Agent notifies a Lender, Issuing Bank or Secured Party, or any Person who has received funds on behalf of a Lender, Issuing Bank or Secured Party (any such Lender, Issuing Bank, Secured Party or other recipient, a “Payment Recipient”) that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under the immediately succeeding clause (b)) that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Issuing Bank, Secured Party or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an “Erroneous Payment”) and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent (provided that ING Capital LLC shall not be required to segregate any Erroneous Payment received by it) and such Lender, Issuing Bank or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business

Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting the immediately preceding clause (a), each Lender, Issuing Bank or Secured Party, or any other Payment Recipient who has received funds on behalf of a Lender, Issuing Bank or Secured Party, hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, Issuing Bank or Secured Party, or other such Payment Recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) in each case:

(i) (A) in the case of the immediately preceding clause (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) in the case of the immediately preceding clause (z), an error has been made, in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender, Issuing Bank or Secured Party shall (and shall cause any Payment Recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of such error) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 8.03(b).

(c) Each Lender, Issuing Bank or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, Issuing Bank or Secured Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender, Issuing Bank or Secured Party from any source, against any amount due to the Administrative Agent under the immediately preceding clause (a) or under the indemnification provisions of this Agreement.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with the immediately preceding clause (a), from any Lender or Issuing Bank that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered

amount, an “Erroneous Payment Return Deficiency”), upon the Administrative Agent’s notice to such Lender or Issuing Bank at any time, (i) such Lender or Issuing Bank shall be deemed to have assigned its Loans (but not its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the “Erroneous Payment Impacted Class”) in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the “Erroneous Payment Deficiency Assignment”) at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance), and is hereby (together with the Borrower) deemed to execute and deliver an Assignment and Assumption (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an electronic transmission system to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender or Issuing Bank shall deliver any promissory notes evidencing such Loans to the Borrower or the Administrative Agent, (ii) the Administrative Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender or Issuing Bank, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender or assigning Issuing Bank shall cease to be a Lender or Issuing Bank, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender or assigning Issuing Bank, and (iv) the Administrative Agent may reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. Subject to Section 9.04(b), the Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment, and, upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender or Issuing Bank shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender or Issuing Bank (and/or against any Payment Recipient that receives funds on its respective behalf). No Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender or Issuing Bank and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold a Loan (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of the applicable Lender, Issuing Bank or Secured Party under the Loan Documents with respect to each Erroneous Payment Return Deficiency (the “Erroneous Payment Subrogation Rights”).

(e) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Secured Obligations owed by the Borrower or any other Obligor; provided that this Section 8.03 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Secured Obligations of the Borrower relative to the amount (and/or timing for payment) of the Secured Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, Section 8.03(d) and this Section 8.03(e) shall not apply to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent or applicable Lender, Issuing Bank or Secured Party from the Borrower or any other Obligor for the purpose of making payment in respect of the Secured Obligations.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including, without limitation, waiver of any defense based on “discharge for value” or any similar doctrine.

(g) Each party’s obligations, agreements and waivers under this Section 8.03 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Bank, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Secured Obligations (or any portion thereof) (other than Unasserted Contingent Obligations) under any Loan Document.

ARTICLE IX MISCELLANEOUS

(iv) if to any Lender, to it at its address (or telecopy number or e-mail address) set forth in its Administrative Questionnaire.

Any party hereto may change its address, telecopy number or e-mail address for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt. Notices delivered through electronic communications to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Electronic Communications. Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender or any Issuing Bank pursuant to Section 2.03 if such Lender or such Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications. Unless otherwise notified by the Administrative Agent to the Borrower, the Borrower may satisfy its obligation to deliver documents or notices to the Administrative Agent or the Lenders under Sections 5.01 and 5.12(a) by delivering an electronic copy to: hays.wood@truist.com with a copy to agency.services@truist.com (or such other e-mail address as provided to the Borrower in a notice from the Administrative Agent) (and the Administrative Agent shall promptly provide notice thereof to the Lenders).

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

In no event shall the Administrative Agent or any Lender have any liability to the Borrower or any other Person for damages of any kind (whether in tort contract or otherwise) arising out of any transmission of communications through the internet, except in the case of direct damages, to the extent such damages are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the bad faith, fraud, willful misconduct or gross negligence of such relevant Person.

(c) Documents to be Delivered under Sections 5.01 and 5.12(a). For so long as an Intralinks™ or equivalent website is available to each of the Lenders hereunder, the Borrower may satisfy its obligation to deliver documents to the Administrative Agent or the Lenders under Sections 5.01 and 5.12(a) by delivering either an electronic copy to: hays.wood@truist.com with a copy to agency.services@truist.com (as provided in clause (b) above) or a notice identifying the website where such information is located for posting by the Administrative Agent on Intralinks™ or such equivalent website, provided that the Administrative Agent shall have no responsibility to maintain access to Intralinks™ or an equivalent website.

SECTION 9.02. Waivers; Amendments.

(a) No Deemed Waivers; Remedies Cumulative. No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Amendments to this Agreement. Except as provided in Section 2.13(b) and the definition of "Modification Offer", neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall:

- (i) increase the Commitment of any Lender without the written consent of such Lender,
- (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon (other than the application of any interest accrued pursuant to Section 2.12(d)), or reduce any fees payable hereunder, without the written consent of each Lender affected thereby,
- (iii) postpone the scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly affected thereby,
- (iv) change Section 2.17(b), (c) or (d) in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender directly adversely affected thereby, or
- (v) change any of the provisions of this Section 9.02 or the definition of the term "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender affected thereby;

provided further that (x) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, any Issuing Bank or the Swingline Lender hereunder without the prior written consent of the Administrative Agent, such Issuing Bank or the Swingline Lender, as the case may be, (y) the consent of each Multicurrency Lender will be required for any change to the definition of "Agreed Foreign Currency" and (z) the consent of Lenders holding not less than two-thirds (2/3rds) of the Credit Exposure and unused Commitments will be required for (A) any adverse changes (from the Lenders' perspective) affecting the provisions of this Agreement solely relating to the calculation of the Borrowing Base (excluding changes to the provisions of Section 5.12(b)(iii) or (iv), but including changes to the provisions of Section 5.12(c) and the definitions set forth in Section 5.13) unless otherwise expressly provided herein and (B) any release of material portions of the Collateral other than for fair value or as otherwise not prohibited hereunder or under the other Loan Documents.

For purposes of this Section 9.02, the "scheduled date of payment" of any amount shall refer to the date of payment of such amount specified in this Agreement, and shall not refer to a date or other event specified for the mandatory or optional prepayment of such amount. In addition, whenever a waiver, amendment or modification requires the consent of a Lender "affected" thereby, such waiver, amendment or modification shall, upon consent of such Lender, become effective as to such Lender whether or not it becomes effective as to any other Lender, so long as the Required Lenders consent to such waiver, amendment or modification as provided above.

Anything in this Agreement to the contrary notwithstanding (x) no waiver or modification of any provision of this Agreement or any other Loan Document that could reasonably be expected to adversely affect the Lenders of any Class in a manner that does not affect all Classes equally shall be effective against the Lenders of such Class unless the Required Lenders of such Class shall have concurred with such waiver, amendment or modification as provided above; provided, however, for the avoidance of doubt, in no other circumstances shall the concurrence of the Required Lenders of a particular Class be required for any waiver, amendment or modification of any provision of this Agreement or any other Loan Document; and (y) the Required Lenders may waive any condition precedent to an extension of credit under the Revolving Commitments (other than as required by Section 4.02) (which, for the avoidance of doubt, shall not constitute a waiver of any ongoing or resulting Default or Event of Default).

(c) Amendments to Security Documents. Except to the extent otherwise expressly set forth in the Guarantee and Security Agreement or the other Loan Documents, no Security Document nor any provision thereof may be waived, amended or modified, nor may the Liens granted under the Guarantee and Security Agreement be spread to secure any additional obligations (excluding (x) any increase in the Loans and Letters of Credit hereunder pursuant to a Commitment Increase under Section 2.08(e), (y) any increase in any Other Secured Indebtedness or Shorter Term Secured Indebtedness permitted hereunder and (z) the spreading of such Liens to any Designated Indebtedness or Hedging Agreement Obligations (as defined in the Guarantee and Security Agreement) as provided for in the Guarantee and Security Agreement), except pursuant to an agreement or agreements in writing entered into by the Borrower, and by the Collateral Agent with the consent of the Required Lenders; provided that, (i) except as otherwise expressly permitted by the Loan Documents, without the written consent of each Lender and each Issuing Bank, no such agreement shall release all or substantially all of the Obligors from their respective obligations under the Security Documents and (ii) except as otherwise expressly permitted by the Loan Documents, without the written consent of each Lender and each Issuing Bank, no such

agreement shall release all or substantially all of the collateral security or otherwise terminate all or substantially all of the Liens under the Security Documents, alter the relative priorities of the obligations entitled to the Liens created under the Security Documents (except in connection with securing additional obligations equally and ratably with the Loans and other obligations hereunder) with respect to all or substantially all of the collateral security provided thereby, except that no such consent shall be required, and the Administrative Agent is hereby authorized (and so agrees with the Borrower) to direct the Collateral Agent under the Guarantee and Security Agreement to, and in addition to the rights of such parties under the Guarantee and Security Agreement, the Administrative Agent and the Collateral Agent under the Guarantee and Security Agreement may, (1) release any Lien covering property (and to release any such guarantor) that is the subject of either a disposition of property not prohibited hereunder (including, without limitation, any property subject to a participation or repurchase transaction) or a disposition to which the Required Lenders or the required number or percentage of Lenders have consented (and such Lien shall be released automatically (A) to the extent provided in Section 10.03 of the Guarantee and Security Agreement and (B) to the extent permitted hereunder in connection with any property becoming subject to a participation or repurchase transaction), and (2) release from the Guarantee and Security Agreement any "Subsidiary Guarantor" (and any property of such Subsidiary Guarantor) that is designated as a "Designated Subsidiary" or becomes an Excluded Asset or an Immaterial Subsidiary in accordance with this Agreement or is otherwise no longer required to be a "Subsidiary Guarantor" (including, without limitation, because it ceases to be consolidated on the Borrower's financial statements), so long as immediately after giving effect to any such release under this clause (2) and any Concurrent Transactions, (A) the Covered Debt Amount does not exceed the Borrowing Base and the Borrower delivers a certificate of a Financial Officer to such effect to the Administrative Agent, (B) either (I) the amount of any excess availability under the Borrowing Base immediately prior to such release is not diminished as a result of such release or (II) the Adjusted Gross Borrowing Base immediately after giving effect to such release is at least 110% of the Covered Debt Amount and (C) no Event of Default has occurred and is continuing.

(d) Replacement of Non-Consenting Lender: If, in connection with any proposed change, waiver, amendment, consent, discharge or termination to any of the provisions of this Agreement as contemplated by this Section 9.02, the consent of one (1) or more Lenders whose consent is required for such proposed change, waiver, amendment, consent, discharge or termination is not obtained, then (so long as no Event of Default has occurred and is continuing) the Borrower shall have the right, at its sole cost and expense, to replace each such non-consenting Lender or Lenders with one (1) or more replacement Lenders pursuant to Section 2.19(b) so long as at the time of such replacement, each such replacement Lender consents to the proposed change, waiver, discharge, termination or addition.

(e) If the Administrative Agent and the Borrower acting together identify any ambiguity, omission, mistake, typographical error or other defect in any provision of this Agreement or any other Loan Document, then the Administrative Agent and the Borrower shall be permitted to amend, modify or supplement such provision to cure such ambiguity, omission, mistake, typographical error or other defect, and such amendment shall become effective without any further action or consent of any other party to this Agreement.

SECTION 9.03. Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and its Affiliates (with respect to legal fees, limited to the reasonable and documented out-of-pocket fees, charges and disbursements of one (1) outside counsel for the Administrative Agent and its Affiliates collectively plus, if necessary, one (1) single local counsel per appropriate jurisdiction), in connection with the syndication of the credit facilities provided for herein, the preparation and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), subject to any limitation previously agreed in writing, (ii) all reasonable and documented out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder, (iii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, any Issuing Bank or any Lender (with respect to legal fees, limited to the reasonable and documented out-of-pocket fees, charges and disbursements of one (1) outside legal counsel plus, if necessary, one (1) local counsel per appropriate jurisdiction plus, in the case of an actual or perceived conflict of interest or separate defenses available to indemnified parties that are different from those available to other indemnified parties, one (1) additional counsel per group of affected parties), in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents, including its rights under this Section 9.03(a), or in connection with the Loans made or Letters of Credit issued hereunder, including all such documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit and (iv) all reasonable and documented out-of-pocket costs, expenses, taxes, assessments and other charges incurred in connection with any filing, registration, recording or perfection of any security interest contemplated by any Security Document or any other document referred to therein.

(b) Indemnification by the Borrower. The Borrower shall indemnify the Administrative Agent, the Issuing Banks, the Collateral Agent, the Lead Arrangers and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities, and related expenses (other than Taxes or Other Taxes which shall only be indemnified by the Borrower to the extent provided in Section 2.16) (with respect to legal fees, limited to the reasonable and documented out-of-pocket fees, charges and disbursements of one (1) outside legal counsel plus, if necessary, one (1) local counsel per appropriate jurisdiction plus, in the case of an actual or perceived conflict of interest or separate defenses available to indemnified parties that are different from those available to the Borrower or other indemnified parties, one (1) additional counsel per group of affected parties), incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations hereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any

other theory and regardless of whether any Indemnitee is a party thereto or (iv) any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from (x) the bad faith, fraud, willful misconduct or gross negligence of such Indemnitee, (y) a claim brought against such Indemnitee for material breach in bad faith of such Indemnitee's obligations under this Agreement or the other Loan Documents, if there has been a final and nonappealable judgment against such Indemnitee on such claim as determined by a court of competent jurisdiction or (z) a claim arising as a result of a dispute between Indemnities (other than (A) any dispute involving claims against the Administrative Agent, the applicable Issuing Bank, any Joint Lead Arranger or any Lender, in each case in their respective capacities as such, and (B) claims arising out of any act or omission by the Borrower or its Affiliates).

The Borrower shall not be liable to any Indemnitee for any special, indirect, consequential or punitive damages arising out of, in connection with, or as a result of the Transactions asserted by an Indemnitee against the Borrower or any other Obligor, provided that the foregoing limitation shall not be deemed to impair or affect the obligations of the Borrower under the preceding provisions of this subsection.

(c) Reimbursement by Lenders. To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent, any Issuing Bank or any Swingline Lender under paragraph (a) or (b) of this Section 9.03, (i) each Lender severally agrees to pay to the Administrative Agent and such Issuing Bank, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount and (ii) each Multicurrency Lender severally agrees to pay to the applicable Swingline Lender such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity is sought); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, such Issuing Bank or such Swingline Lender in its capacity as such.

(d) Waiver of Consequential Damages, Etc. To the extent permitted by applicable law, no party hereto shall assert, and each party hereto hereby waives, any claim against any other party (or any Related Party to such party), on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof; provided that nothing contained in this sentence shall limit the Borrower's indemnification obligations under Section 9.03 to the extent such special, indirect consequential or punitive damages are included in any third party claim in connection with which any Indemnitee is entitled to indemnification thereunder.

(e) Payments. All amounts due under this Section 9.03 shall be payable promptly after written demand therefor.

SECTION 9.04. Successors and Assigns.

(a) Assignments Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04 (and any attempted assignment or transfer by any Lender which is not in accordance with this Section 9.04 shall be treated as provided in the last sentence of Section 9.04(b)(iii)). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders.

(i) Assignments Generally. Subject to the conditions set forth in clause (ii) below, any Lender may assign to one (1) or more assignees other than a Disqualified Lender all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans and LC Exposure at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Borrower, provided that the Borrower shall be deemed to have consented to any such assignment (other than to a Disqualified Lender) unless it has objected thereto by written notice to the Administrative Agent within ten (10) Business Days after receiving written notice thereof; provided further that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender with credit ratings at least as good as the assigning Lender, or, if an Event of Default has occurred and is continuing under Section 7.01(a), (b), (i), (j) or (k), any other assignee; and

(B) the Administrative Agent and, in the case of an assignment of Revolving Commitments, the Issuing Banks.

(ii) Certain Conditions to Assignments. Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans and LC Exposure of a Class, the amount of the Commitment or Loans and LC Exposure of such Class of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than U.S. \$5,000,000 unless each of the Borrower and the Administrative Agent otherwise consent;

(B) each partial assignment of any Class of Commitments or Loans and LC Exposure shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement in respect of such Class of Commitments, Loans and LC Exposure;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of U.S. \$3,500 (which fee shall not be payable in connection with an assignment to a Lender or to an Affiliate of a Lender) (for which no Obligor shall be obligated); and

(D) the assignee, if it shall not already be a Lender of the applicable Class, shall deliver to the Administrative Agent an Administrative Questionnaire.

(iii) Effectiveness of Assignments. Subject to acceptance and recording thereof pursuant to paragraph (c) of this Section 9.04, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.14, 2.15, 2.16 and 9.03 with respect to facts and circumstances occurring prior to the effective date of such assignment). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (e) of this Section 9.04.

(c) Maintenance of Registers by Administrative Agent. The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one (1) of its offices in New York City a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Registers" and each individually, a "Register"). The entries in the Registers shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Issuing Banks and the Lenders may treat each Person whose name is recorded in the Registers pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Registers shall be available for inspection by the Borrower, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Acceptance of Assignments by Administrative Agent. Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 9.04 and any written consent to such assignment required by paragraph (b) of this Section 9.04, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(e) Participations. Any Lender may, with the consent of the Borrower, sell participations to one (1) or more banks or other entities other than a Disqualified Lender (which restriction to sell to Disqualified Lenders shall not apply only if the list of Disqualified Lenders has not been made available to such Lender selling participations within five (5) Business Days of written request by such Lender to the Administrative Agent and the Borrower) (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement and the other Loan Documents (including all or a portion of its Commitments and the Loans and LC Disbursements owing to it); provided that (i) such Lender’s obligations under this Agreement and the other Loan Documents shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and the other Loan Documents. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant. Subject to paragraph (f) of this Section 9.04, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.14, 2.15 and 2.16 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04 (subject to the requirements and limitations therein, including the requirements under Sections 2.16(f), (g) and (h) (it being understood that the documentation required under these paragraphs shall be delivered to the participating Lender)). Each Lender that sells a participation agrees, at the Borrower’s request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.19 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.16(e) as though it were a Lender hereunder. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Commitments or other obligations under the Loan Documents (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any commitments, loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(f) Limitations on Rights of Participants. A Participant shall not be entitled to receive any greater payment under Section 2.14, 2.15 or 2.16 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.16 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.16 as though it were a Lender and the applicable Lender shall provide the Borrower with satisfactory evidence that the participation is in registered form and shall permit the Borrower to review such register as reasonably needed for the Borrower to comply with its obligations under applicable laws and regulations. Each Participant agrees to be subject to the provisions of Section 2.19 as if it were an assignee under paragraph (b) of this Section 9.04.

(g) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any such pledge or assignment to a Federal Reserve Bank or any other central bank having jurisdiction over such Lender, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such assignee for such Lender as a party hereto.

(h) No Assignments to Natural Persons, the Borrower or Affiliates. Anything in this Section 9.04 to the contrary notwithstanding, no Lender may (i) assign or participate any interest in any Loan or LC Exposure held by it hereunder to any natural person (or a holding company, investment vehicle or trust for, or owned by and operated for the primary benefit of, a natural person) or to the Borrower or any of its Affiliates or Subsidiaries without the prior consent of each Lender or (ii) assign any interest in any Commitment, Loan or LC Exposure held by it hereunder to any Person known by such Lender at the time of such assignment to be a Defaulting Lender, a Subsidiary of a Defaulting Lender or a Person who, upon consummation of such assignment, would be a Defaulting Lender.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.14, 2.15, 2.16 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

SECTION 9.06. Counterparts; Integration; Effectiveness; Electronic Execution.

(a) Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract between and among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page to this Agreement by telecopy or electronic communication shall be effective as delivery of a manually executed counterpart of this Agreement.

(b) Electronic Execution. The words “execution,” “execute,” “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumptions, amendments or other Borrowing Requests, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent (and, for the avoidance of doubt, electronic signatures utilizing the DocuSign platform shall be deemed approved), or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 9.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured. The rights of each Lender under this Section 9.08 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have; provided that in the event that any Defaulting Lender exercises any

such right of setoff, (a) all amounts so set off will be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.18 and, pending such payment, will be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (b) the Defaulting Lender will provide promptly to the Administrative Agent a statement describing in reasonable detail the obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees promptly to notify the Borrower after any such setoff and application made by such Lender; provided further, that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 9.09. Governing Law; Jurisdiction; Etc.

(a) Governing Law. This Agreement shall be construed in accordance with and governed by the law of the State of New York.

(b) Submission to Jurisdiction. Each party to this Agreement hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement against the Borrower or its properties in the courts of any jurisdiction.

(c) Waiver of Venue. Each party to this Agreement hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in paragraph (b) of this Section 9.09. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Service of Process. Each party to this Agreement (i) irrevocably consents to service of process in the manner provided for notices in Section 9.01 and (ii) agrees to the extent permitted by applicable law that service as provided in the manner provided for notices in Section 9.01 is sufficient to confer personal jurisdiction over such party in any proceeding in any court and otherwise constitutes effective and binding service in every respect. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

SECTION 9.11. Judgment Currency. This is an international loan transaction in which the specification of Dollars or any Foreign Currency, as the case may be (the “Specified Currency”), and payment in New York City or the country of the Specified Currency, as the case may be (the “Specified Place”), is of the essence, and the Specified Currency shall be the currency of account in all events relating to Loans denominated in the Specified Currency. The payment obligations of the Borrower under this Agreement shall not be discharged or satisfied by an amount paid in another currency or in another place, whether pursuant to a judgment or otherwise, to the extent that the amount so paid on conversion to the Specified Currency and transfer to the Specified Place under normal banking procedures does not yield the amount of the Specified Currency at the Specified Place due hereunder. If for the purpose of obtaining judgment in any court it is necessary to convert a sum due hereunder in the Specified Currency into another currency (the “Second Currency”), the rate of exchange that shall be applied shall be the rate at which in accordance with normal banking procedures the Administrative Agent could purchase the Specified Currency with the Second Currency on the Business Day next preceding the day on which such judgment is rendered. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or any Lender hereunder or under any other Loan Document (in this Section 9.11 called an “Entitled Person”) shall, notwithstanding the rate of exchange actually applied in rendering such judgment, be discharged only to the extent that on the Business Day following receipt by such Entitled Person of any sum adjudged to be due by the Borrower hereunder in the Second Currency such Entitled Person may in accordance with normal banking procedures purchase and transfer to the Specified Place the Specified Currency with the amount of the Second Currency so adjudged to be due; and the Borrower hereby, as a separate obligation and notwithstanding any such judgment, agrees to indemnify such Entitled Person against, and to pay such Entitled Person on demand, in the Specified Currency, the amount (if any) by which the sum originally due by the Borrower to such Entitled Person in the Specified Currency hereunder exceeds the amount of the Specified Currency so purchased and transferred.

SECTION 9.12. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement. None of the Joint Lead Arrangers shall have any responsibility under this Agreement.

SECTION 9.13. Treatment of Certain Information; Confidentiality.

(a) Treatment of Certain Information. The Borrower acknowledges that from time to time financial advisory, investment banking and other services may be offered or provided to the Borrower or one (1) or more of its Subsidiaries (in connection with this Agreement or otherwise) by any Lender or by one (1) or more subsidiaries or affiliates of such Lender and the Borrower hereby authorizes each Lender to share any information delivered to such Lender by the Borrower and its Subsidiaries pursuant to this Agreement, or in connection with the decision of such Lender to enter into this Agreement, to any such subsidiary or affiliate, it being understood that any such subsidiary or affiliate receiving such information shall be bound by the provisions of paragraph (b) of this Section 9.13 as if it were a Lender hereunder. Such authorization shall survive the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

(b) Confidentiality. Each of the Administrative Agent, the Collateral Agent, the Lenders, the Joint Lead Arrangers, the Swingline Lenders and the Issuing Banks agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, advisors and other representatives who need to know such Information in connection with the transactions contemplated hereby (it being understood that (A) the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential to the same extent as provided in this paragraph (b) and (B) it will be responsible for its Affiliates' compliance with this paragraph), (ii) to the extent requested by any regulatory authority with competent jurisdiction over it or its Affiliates (including any self-regulatory authority), (iii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (provided that, except in the case of any examination by a regulatory, self-regulatory or governmental agency, it will use its commercially reasonable efforts to notify the Borrower of any such disclosure prior to making such disclosure to the extent permitted by applicable law, rule or regulation), (iv) to any other party hereto or to any rating agency in connection with rating the Borrower or its Subsidiaries or the Loans made to the Borrower, (v) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (vi) subject to an agreement containing provisions substantially the same as those of this Section 9.13, to (x) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement; provided that, (a) such Person would be permitted to be an assignee or participant pursuant to the terms hereof and such Person is not a Disqualified Lender, (y) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations or (z) any market data service, (vii) with the consent of the Borrower or (viii) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 9.13 or (y) becomes available to the Administrative Agent, any Lender, any Issuing Bank or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower or its Affiliates and is not actually known by it to be in breach of any other Person's confidentiality obligations to the Borrower. In addition, the Administrative Agent and each Lender may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Administrative Agent or any Lender in connection with the administration or servicing of this Agreement, the other Loan Documents and the Commitments.

For purposes of this Section 9.13, “Information” means all information provided by the Advisor, the Borrower or any of its Subsidiaries relating to the Borrower or any of its Subsidiaries or any of their respective businesses or any portfolio investment (including Portfolio Investments and including the Value of such Portfolio Investments), other than any such information that is available to the Administrative Agent, the Collateral Agent, any Lender, any Swingline Lender or any Issuing Bank on a nonconfidential basis prior to disclosure by the Advisor, the Borrower or any of its Subsidiaries and is not actually known by it to be in breach of any other Person’s confidentiality obligations to the Borrower, provided that, in the case of information received from the Advisor, the Borrower or any of its Subsidiaries after the Effective Date, such information shall be deemed to be confidential at the time of delivery unless clearly identified therein as nonconfidential. Any Person required to maintain the confidentiality of Information as provided in this Section 9.13 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 9.14. Certain Notices. Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower and each other Obligor that, pursuant to the requirements of the USA Patriot Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the Borrower and each other Obligor, which information includes the name and address of each Obligor and other information that will allow such Lender or the Administrative Agent to identify the Obligors in accordance with the USA Patriot Act and the Beneficial Ownership Regulation.

SECTION 9.15. Acknowledgment and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

SECTION 9.16. No Fiduciary Duty. Each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the “Lenders”), may have economic interests that conflict with those of the Obligors, their respective stockholders and/or their respective affiliates. Each Obligor agrees that nothing in this Agreement or the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Obligor, its stockholders or its affiliates, on the other. The Obligors acknowledge and agree that (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Lenders, on the one hand, and the Obligors, on the other, and (ii) solely in connection therewith and solely with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Obligor, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Obligor, its stockholders or its affiliates on other matters) or any other obligation to any Obligor except the obligations expressly set forth in the Loan Documents and (y) each Lender is acting hereunder solely as principal and not as the agent or fiduciary of any Obligor, its management, stockholders, creditors or any other Person. Each Obligor acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to the transactions contemplated by the Loan Documents and the process leading thereto. Each Obligor agrees that it will not claim that any Lender has rendered advisory services hereunder of any nature or respect, or owes a fiduciary or similar duty to such Obligor, solely in connection with the transactions contemplated by the Loan Documents or the process leading thereto.

SECTION 9.17. Acknowledgment Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States).

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

SECTION 9.18. Termination. Promptly upon the Facility Termination Date, the Administrative Agent shall direct the Collateral Agent to, on behalf of the Administrative Agent, the Collateral Agent and the Lenders, deliver to the Borrower such termination statements and releases and other documents necessary or appropriate to evidence the release of the Borrower from this Agreement, the Loan Documents and each of the documents securing the obligations of the Borrower (and, in the case of the Facility Termination Date, with respect to each of the foregoing, the termination thereof) hereunder as the Borrower may reasonably request, all at the sale and cost and expense of the Borrower.

SECTION 9.19. Limited Recourse. Each of the Administrative Agent, the Collateral Agent and the Lenders acknowledges and agrees that this Agreement, the Loans, the Secured Obligations, each of the other Loan Documents and the other obligations hereunder and thereunder are only recourse to the Obligors.

SECTION 9.20. Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the "**Maximum Rate**"). If Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the obligations hereunder.

SECTION 9.21. Effect of Amendment and Restatement of the Existing Credit Agreement. On the Effective Date, the Existing Credit Agreement shall be amended and restated in its entirety by this Agreement. The parties hereto acknowledge and agree that (a) this Agreement and the other Loan Documents, whether executed and delivered in connection herewith or otherwise, do not constitute a novation or termination of the obligations for principal, interest or fees of the Borrower under the Existing Credit Agreement as in effect on the Effective Date immediately prior to the effectiveness of this Agreement and which remain outstanding; and (b) except for any of the Borrower's obligations under the Existing Credit Agreement which are expressly contemplated to be repaid on the Effective Date and to the extent are in fact so repaid, the obligations of the Borrower under the Existing Credit Agreement (as amended and restated hereby and which are on and after the date hereof subject to the terms herein) are in all respects continuing, and shall continue to be secured as provided in the Security Documents.
