Section 2. Credit Agreement Amendment. Subject to the satisfaction of the conditions precedent specified in Section 4 below and Section 11.5 of the Credit Agreement, but effective as of the date hereof, the Credit Agreement shall be amended as follows:

2.01. References Generally. References in the Credit Agreement (including references to the Credit Agreement as amended hereby) to “this Agreement” (and indirect references such as “hereunder”, “hereby”, “herein” and “hereof”) shall be deemed to be references to the Credit Agreement as amended hereby.

2.02. Amendment. The Credit Agreement is hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth in the pages of the Credit Agreement attached as Exhibit A hereto.

Section 3. Representations and Warranties. The Borrower represents and warrants to the Lenders and the Administrative Agent that (a) the representations and warranties set forth in Section 4 of the Credit Agreement, and in each of the other Transaction Documents, are true and complete on the date hereof as if made on and as of the date hereof (or, if any such representation or warranty is expressly stated to have been made as of a specific date, such representation or warranty shall be true and correct as of such specific date), and as if each reference in said Section 4 to “this Agreement” included reference to this Amendment (it being agreed that it shall be deemed to be an Event of Default under the Credit Agreement if any of the foregoing representations and warranties shall prove to have been incorrect in any material respect when made), and (b) no Default or Event of Default has occurred and is continuing.

Section 4. Conditions Precedent; Fees. The amendment set forth in Section 2 hereof shall become effective, as of the date hereof, upon the receipt by the Administrative Agent of counterparts of this Amendment executed by the parties hereto. For the avoidance of doubt and without limiting the generality of the foregoing, the parties agree that no other change, amendment or consent with respect to the terms and provisions of any of the Transaction Documents (including without limitation the Appendices, Exhibits and Schedules thereto) is intended or contemplated hereby (which terms and provisions remain unchanged and in full force and effect).

Section 7. Miscellaneous. This Amendment may be executed in any number of counterparts, all of which taken together shall constitute one and the same amendatory instrument and any of the parties hereto may execute this Amendment by signing any such counterpart. Delivery of a counterpart by electronic transmission shall be effective as delivery of a manually executed counterpart hereof. This Amendment and any right, remedy, obligation, claim, controversy, dispute or cause of action (whether in contract, tort or otherwise) based upon, arising out of or relating to this Amendment shall be governed by, and construed in accordance with, the law of the State of New York without regard to conflicts of law principles that would lead to the application of laws other than the law of the State of New York. The Borrower and the other Credit Parties form an affiliated group of Persons, and each Credit Party will derive substantial direct and indirect benefits from the making of the Loans to the Borrower hereunder (which benefits are hereby acknowledged by each Credit Party party hereto).

Accordingly, in consideration of the premises and the agreements, provisions and covenants herein contained, the parties hereto agree as follows:

SECTION 1. DEFINITIONS AND INTERPRETATION

1.1. Definitions.

The following terms used herein, including in the preamble, recitals, exhibits and schedules hereto, shall have the following meanings:

“**Account Control Agreement**” means the Account Control Agreement dated on or around the Closing Date between the Borrower and the Bank, as Collateral Agent, the Bank, as securities intermediary and depository bank, and the Administrative Agent.

“**Accounts Securities Intermediary**” means the person acting as Securities Intermediary under the Account Control Agreement.

“**Acquire**” means to purchase, enter into, Originate, receive by contribution or otherwise acquire. The terms “**Acquired**”, “**Acquiring**” and “**Acquisition**” have correlative meanings.

“**Actual Rejected Acquisition**” is defined in Section 8.2(a).

“**Additional Documentation**” means, for each Collateral Obligation, all Underlying Instruments for such Collateral Obligation required to be delivered to the Collateral Custodian in accordance with the Transaction Documents that do not constitute part of the Preliminary Documentation Package for such Collateral Obligation.

“**Additional Information Request**” is defined in Section 3.2(a).

“**Additional Reports**” is defined in Section 6.5.

“**Additional Value Adjustment Events**” means, with respect to any Collateral Obligation, such events or circumstances (if any) as may be agreed in writing between the Borrower and the Administrative Agent as “Additional Value Adjustment Events” with respect to such Collateral Obligation at the time the Borrower first Acquires such Collateral Obligation.

“**Adjusted Balance**” means, with respect to any Collateral Obligation and as of any date of determination, the product of (1) the Collateral Obligation Notional Amount; (2) the Asset Current Price and (3) the Current FX Rate, in each case of such Collateral Obligation as of such date, *provided* that (x) the Adjusted Balance of any Collateral Obligation that does not satisfy the Collateral Obligation Criteria at such time (or did not satisfy any such criteria at the time of the Acquisition of the Collateral Obligation, in the case of those evaluated as of the time of Acquisition, as set forth in the definition of Collateral Obligation Criteria) shall be zero from and after such date on which the Administrative Agent has given written notice to the Borrower of such failure to satisfy the Collateral Obligation Criteria and for so long as such failure occurs (but the Adjusted Balance of any such Collateral Obligation shall be restored to its prior Adjusted Balance if such failure is fully cured); and (y) the Adjusted Balance of each Collateral Obligation for which the Unapproved Originated Collateral Obligation Condition applies shall be equal to the current value thereof (including zero) as determined by the Administrative Agent in its sole discretion.

~~“**Adjusted LIBOR Rate**” means, for any Interest Period for a Loan, the rate per annum obtained by dividing:~~

(a) (1) the rate per annum equal to the rate determined by the Administrative Agent (and notified to the Collateral Administrator) to be the London interbank offered rate administered by the ICE Benchmark Administration (or any other person which takes over the administration of that rate) for U.S. Dollar deposits (for delivery on the first day of such Interest Period) with a term equivalent to such Interest Period displayed on the relevant Screen Page, determined as of approximately 11:00 a.m. (London, England time) on the related Interest Rate Determination Date; or (2) if the rate referenced in the preceding clause (1) is not available, the rate per annum equal to the offered quotation rate to first class banks in the London interbank market by a leading bank in the London interbank market (selected by the Services Provider in consultation with the Administrative Agent) for U.S. Dollar deposits (for delivery on the first day of such Interest Period) of amounts in same day funds comparable to the principal amount of the outstanding Loans with maturities comparable to such Interest Period as of approximately 11:00 a.m. (London, England time) on such Interest Rate Determination Date, by

(b) an amount equal to (1) one *minus* (2) the Applicable Reserve Requirement;

provided that, notwithstanding the foregoing, the Adjusted LIBOR Rate shall at no time be less than 0.0 % per annum;

If, in the determination of the Adjusted LIBOR Rate for any Loan for any Interest Period, no rate having a duration equal to such Interest Period is available on the relevant Screen Page, then the Adjusted LIBOR Rate for such Interest Period shall be determined by the Administrative Agent by interpolating on a linear basis between (1) the applicable rate for the longest period (for which an interest rate is available on such Screen Page) that is shorter than the Interest Period of that Loan; and (2) the applicable rate for the shortest period (for which an interest rate is available on such Screen Page) that is longer than the Interest Period of that Loan;

(b) the number of days in such Minimum Spread Calculation Period.

“**Adjusted Term SOFR Rate**” means, for any Interest Period for any Loan or for purposes of any other calculation, the rate per annum equal to (a) Term SOFR for such Interest Period (or other period specified in the case of such calculation, as applicable) plus (b) the Term SOFR Adjustment; provided that, notwithstanding the foregoing, if the Adjusted Term SOFR Rate for any Interest Period is less than the Floor, the Adjusted Term SOFR Rate shall be deemed to be the Floor.

“**Adjusted Undrawn Amount**” means, with respect to each Minimum Spread Payment Date, an amount equal to:

(a) the sum, for each day in the related Minimum Spread Calculation Period, of the lesser of

(i) the excess of (A) the aggregate Commitments of all Lenders over (B) the Loan Amount, in each case on such day; and

(a) Pro Rata Shares. All Loans shall be made by Lenders simultaneously and proportionately to their respective Pro Rata Shares, it being understood that no Lender shall be responsible for any default by any other Lender in such other Lender's obligation to make a Loan requested hereunder.

(b) Availability of Funds. Unless the Administrative Agent shall have been notified by any Lender prior to the applicable Credit Date that such Lender does not intend to make available to the Administrative Agent the amount of such Lender's Loan requested on such Credit Date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such Credit Date and the Administrative Agent may, in its sole discretion, but shall not be obligated to, make available to the Borrower a corresponding amount on such Credit Date. If the Administrative Agent has made such corresponding amount available to the Borrower but such corresponding amount is not in fact made available to the Administrative Agent by such Lender, then the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender together with interest thereon, for each day from such Credit Date until the date such amount is paid to the Administrative Agent, at the customary rate set by the Administrative Agent for the correction of errors among banks for three Business Days and thereafter at the Base Rate. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower shall on or prior to the next Payment Date pay such corresponding amount to the Administrative Agent together with interest thereon, for each day from such Credit Date until the date such amount is paid to the Administrative Agent, at the interest rate otherwise payable hereunder. If (1) the Administrative Agent declines to make a requested amount available to the Borrower until such time as all applicable Lenders have made payment to the Administrative Agent, (2) a Lender fails to fund to the Administrative Agent all or any portion of the Loans required to be funded by such Lender hereunder prior to the time specified in this Agreement and (3) such Lender's

failure results in the Administrative Agent failing to make a corresponding amount available to the Borrower on the applicable Credit Date, then such Lender shall not receive interest hereunder with respect to the requested amount of such Lender's Loans for the period commencing with the time specified in this Agreement for receipt of payment by the Borrower through and including the time of the Borrower's receipt of the requested amount and the Borrower shall have no obligation to pay interest on any amounts not so advanced. Nothing in this Section 2.2(b) shall be deemed to relieve any Lender from its obligation to fulfill its Commitments hereunder or to prejudice any rights that the Borrower may have against any Lender as a result of any default by such Lender hereunder.

2.3. Use of Proceeds.

The proceeds of the Loans made hereunder shall be used solely:

- (a) to Acquire Collateral Obligations (and, pending such Acquisitions, to deposit funds into the Principal Collection Account);
- (b) to fund the Borrower's payment of the costs and expenses payable hereunder and under the Fee Letters (including the Upfront Fee payable on the Closing Date);
- (c) on the Closing Date, to deposit an amount equal to the Expense Reserve Amount into the Expense Reserve Account;
- (d) to make deposits in one or more of the Transaction Accounts as separately agreed by the Borrower and the Administrative Agent (notice of which shall be provided to the Collateral Agent); and
- (e) to make deposits in the Future Funding Reserve Account equal to the Exposure Equity Amount with respect to any Collateral Obligation;

provided for the avoidance of doubt that distribution to the Equity Holder in accordance with Section 8 hereof is permitted.

2.4. Evidence of Debt; Register; Lenders' Books and Records; Notes.

(a) Lenders' Evidence of Debt. Each Lender shall maintain on its internal records an account or accounts evidencing the Obligations of the Borrower to such Lender, including the amounts of the Loans made by it and each repayment and prepayment in respect thereof. Any such recordation shall be conclusive and binding on the Borrower, absent manifest error; *provided* that (1) the failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's Obligations in respect of any applicable Loans; and (2) in the event of any inconsistency between the Register and any Lender's records, the recordations in the Register shall govern.

(b) Register. The Administrative Agent (or its agent or sub-agent appointed by it) shall maintain at its Principal Office a register for the recordation of the names and addresses of the Lenders, and principal amounts of (and stated interest on) the Loans owing to, each Lender pursuant to the terms hereof from time to time (the “**Register**”). The Register shall be available for inspection by the Borrower or any Lender (with respect to (1) any entry relating to such Lender’s Loans and (2) the identity of the other Lenders, but not any information with respect to such other Lenders’ Loans) at any reasonable time and from time to time upon reasonable prior notice. The Administrative Agent shall record, or shall cause to be recorded, in the Register the Loans in accordance with the provisions of Section 11.6, and each repayment or prepayment in respect of the principal amount of the Loans, and any such recordation shall be conclusive and binding on the Borrower and each Lender, absent manifest error; *provided* that failure to make any such recordation, or any error in such recordation, shall not affect any Lender’s Commitments or the Borrower’s Obligations in respect of any Loan. The Borrower hereby designates the Administrative Agent to serve as the Borrower’s non-fiduciary agent solely for purposes of maintaining the Register as provided in this Section 2.4, and the Borrower hereby agrees that, to the extent the Administrative Agent serves in such capacity, the Administrative Agent and its officers, directors, employees, agents, sub-agents and affiliates shall constitute “Indemnitees”.

(c) Notes. If so requested by any Lender by written notice to the Borrower (with a copy to the Administrative Agent) at least two Business Days prior to the Closing Date, or at any time thereafter, the Borrower shall execute and deliver to such Lender (and/or, if applicable and if so specified in such notice, to any Person who is an assignee of such Lender pursuant to Section 11.6) on the Closing Date (or, if such notice is delivered after the Closing Date, promptly after the Borrower’s receipt of such notice) a Note or Notes to evidence such Lender’s Loans. If Notes are delivered to any Lender, the Borrower may establish commercially reasonable procedures for replacing lost or stolen Notes.

2.5. Interest on Loans.

(a) Interest Accruals. Except as otherwise set forth herein, each Tranche of Loans shall bear interest on the unpaid principal amount thereof on each day from the date made through repayment (whether by acceleration or otherwise) thereof at the Floating Rate for each Interest Period from time to time *plus* the Spread.

(b) Interest Rate Determinations. As soon as practicable after 10:00 a.m. (New York City time) on each Interest Rate Determination Date, the Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rates that shall apply to the Tranches of Loans for which an interest rate is then being determined for the applicable Interest Period, and shall promptly give notice thereof to the Borrower, the Collateral Agent, the Collateral Administrator and each Lender.

(c) Day-Count Fractions, Etc.

(1) Interest payable pursuant to Section 2.5(a) shall be computed on the basis of a 360-day year, in each case for the actual number of days elapsed in the period during which it accrues, except that any interest accruing at a Base Rate shall be computed on the basis of a 365-day year. In computing interest on any Loan, the date of the making of such Loan or the first day of an Interest Period applicable to such Loan shall be included, and the date of payment of such Loan or the expiration date of an Interest Period applicable to such Loan shall be excluded; *provided* that, if a Loan is repaid on the same day on which it is made, one day's interest shall be paid on that Loan.

(2) Except as otherwise set forth herein, interest on each Loan shall accrue on a daily basis and shall be payable in arrears on each Payment Date, upon any prepayment of that Loan, whether voluntary or mandatory, to the extent accrued on the amount being prepaid and at maturity of the Loans, including final maturity of the Loans, in each case in accordance with the Priority of Payments or otherwise as expressly provided herein.

(3) All calculations of interest payable pursuant to Section 2.5(a) shall be rounded to the nearest cent.

2.6. Default Interest.

Upon the occurrence and during the continuance of an Event of Default, the principal amount of all Loans of each Tranche then outstanding and, to the extent permitted by applicable law, any interest thereon, Minimum Spread Payment and Make-Whole Amounts owing hereunder, shall bear interest (including post-petition interest in any proceeding under Debtor Relief Laws) payable on demand at a rate that is 2.0% *per annum* in excess of the interest rate otherwise payable hereunder with respect to the Loans. Payment or acceptance of the increased rates of interest provided for in this Section 2.6 is not a permitted alternative to timely payment and shall not in and of itself constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of any Secured Party.

2.7. Fees; Etc.

(a) Agent Fees. The Borrower has agreed to pay to the Agents such fees (the “**Agent Fees**”), in the amounts and on the dates, as are set forth in the Agent Fee Letters.

(b) Upfront Fee. The Borrower shall pay to Goldman Sachs, on the Closing Date, a fee (the “**Upfront Fee**”) in the amount set forth in the GS Fee Letter as the “Upfront Fee”. The Upfront Fee will be in all respects fully earned, due and payable on the Closing Date and non-refundable and non-creditable thereafter.

(c) Minimum Spread Payments. On each day specified as a “Minimum Spread Payment Date” (each, a “**Minimum Spread Payment Date**”) in the Minimum Spread Payment Table below, the Borrower shall pay to the Administrative Agent for the account of the Lenders a fee (each such fee, a “**Minimum Spread Payment**”) in an amount equal to the excess (if any) of:

(1) the sum of:

(A) the product of:

(i) the Spread;

(ii) the percentage specified in the table below for such Minimum Spread Payment Date (or, with respect to the first two (2) Minimum Spread Payment Dates following any Permitted Material Securitization Date, the Alternative Percentage) (the percentage in either case, the “**Target Percentage**”);

(iii) the Adjusted Maximum Facility Amount for such Minimum Spread Payment Date; and

(iv) the number of days in the related Minimum Spread Calculation Period *divided by* 360; and

(B) the product of:

(i) the Undrawn Fee Rate;

(ii) the Adjusted Undrawn Amount for such Minimum Spread Payment Date; and

(iii) the number of days in the related Minimum Spread Calculation Period *divided by* 360.

over

(2) the sum of:

(A) the aggregate amount of interest paid on the Loans (determined as if the Floating Rates were equal to zero) from the previous Minimum Spread Payment Date (or the Closing Date in the case of the first Minimum Spread Payment Date) to but excluding such Minimum Spread Payment Date; and

(B) to the extent that it has not previously been applied to reduce the Minimum Spread Payment on any previous Minimum Spread Payment Date, the amount by which the amount determined under clause (2)(A) above on any previous Minimum Spread Payment Date exceeded the amount determined under clause (1) above on such previous Minimum Spread Payment Date.

| Minimum Spread Payment Table | |
|--|------------|
| Minimum Spread Payment Date | Percentage |
| 1. First Payment Date and the first Payment Date after each Permitted Material Securitization Date | 25% |
| 2. Second Payment Date and the second Payment Date after each Permitted Material Securitization Date | 50% |
| 3. Third Payment Date and the third Payment Date after each Permitted Material Securitization Date and each Payment Date respectively thereafter occurring on or prior to the beginning of the Amortization Period | 75% |

No Minimum Spread Payment Date will occur during the Amortization Period.

(d) Make-Whole Payments. On each date on which a Make-Whole Event occurs, the Borrower shall pay to the Lenders the related Make-Whole Amount. Make-Whole Amounts shall be payable pursuant to the Priority of Payments or as otherwise expressly stated herein.

2.8. Prepayments.

(a) Voluntary Prepayments.

(1) Any time and from time to time, the Borrower may prepay any Loans on any Business Day in whole or in part (each, a “**Voluntary Prepayment**”), in an aggregate minimum amount not less than the Minimum Amount and integral multiples in excess of that amount equal to the Integral Multiple; *provided that*:

- (x) no Default or Event of Default has occurred and is continuing or would result therefrom;
- (y) sufficient amounts are on deposit in the Principal Collection Account (including from equity contributions to the Borrower by the Fund) to pay the principal of the Loans to be prepaid together with the other amounts that will be owing in connection therewith; and
- (z) Voluntary Prepayments shall be applied to Loans ratably in accordance with the Pro Rata Shares of the Lenders generally.

All such prepayments shall be made, upon not less than three Business Days in advance of the proposed Voluntary Prepayment date prior written or telephonic notice, in each case given to the Administrative Agent (with a copy to the Collateral Agent and the Collateral Administrator) by 12:00 p.m. (New York City time) on the date required and, if given by telephone, promptly confirmed by delivery of written notice thereof to the Administrative Agent (and the

Administrative Agent will promptly transmit a copy of such written notice to each Lender). Each notice of a Voluntary Prepayment shall specify the Tranche of Loans to be prepaid, the principal amount to be prepaid and the related prepayment date (which shall be a Business Day). Upon the giving of any such notice, the principal amount of the Loans specified in such notice shall become due and payable on the prepayment date specified therein.

(b) Voluntary Commitment Reductions.

(1) The Borrower may, upon not less than three Business Days' prior written notice to the Administrative Agent (which written notice the Administrative Agent will promptly transmit by electronic means to each applicable Lender), at any time and from time to time after the Ramp-Up Period, terminate in whole or permanently reduce in part the Commitments in an amount up to the amount by which the Commitments exceed the Loan Amount at the time of such proposed termination or reduction (each, a "**Voluntary Commitment Reduction**"); *provided that*:

(w) any such partial reduction of the Commitments shall be in an aggregate minimum amount of U.S.\$5,000,000 and integral multiples of U.S.\$1,000,000 in excess of that amount;

(x) no Default or Event of Default has occurred and is continuing or would result therefrom;

(y) either:

(A) sufficient amounts are on deposit in the Principal Collection Account to pay the other amounts that will be owing in connection therewith (including any related Make-Whole Amount); or

(B) upon not less than three Business Days' prior written notice by the Borrower to the Administrative Agent (which written notice the Administrative Agent will promptly transmit by electronic means to each applicable Lender), no Lender determines (in its sole discretion) that there are or would be insufficient amounts otherwise available to the Borrower, including as contributions to equity by the Fund to pay the other amounts that will be owing in connection therewith (including any related Make-Whole Amount); and

(z) during the Availability Period, Voluntary Commitment Reductions shall be applied to reduce the Commitment of each Lender ratably in accordance with the Pro Rata Shares of the Lenders generally.

(2) The Borrower's notice to the Administrative Agent shall designate the date (which shall be a Business Day) of such termination or reduction and the amount of any partial reduction, and such termination or reduction of the Commitments shall be effective on the date specified in the Borrower's notice and shall reduce the Commitment of each Lender proportionately to its Pro Rata Share thereof.

(c) Other Amounts. Each payment of principal of the Loans in connection with a Voluntary Prepayment shall be accompanied by the amount of accrued interest on the portion of the Loans so prepaid and (if such payment is made other than on the last day of an interest period) any related breakage costs payable under Section 2.13(g). Each Voluntary Commitment Reduction shall be accompanied by payment of any related Make-Whole Amount.

(d) Non-Waterfall Payments. Voluntary Prepayments and payment of amounts under clause (c) above shall not be subject to the Priority of Payments but instead shall be made solely out of Principal Proceeds or Interest Proceeds then on deposit in the Collection Accounts; *provided* that Interest Proceeds shall not be applied to make Voluntary Prepayments or pay amounts under clause (c) above unless, after giving effect to such payment, there shall be sufficient Interest Proceeds available in the Interest Collection Account to make all payments of interest in accordance with the Priority of Payments on the next Payment Date, with any remaining unpaid amounts to be paid out of Principal Proceeds and Interest Proceeds thereafter received in the Transaction Accounts until paid in full, and all amounts that continue to be owing on and after the next Payment Date shall be payable under the Priority of Payments.

2.9. Required Principal Payments.

(a) Scheduled Amortization.

(1) Principal of the Loans will be repayable on each Payment Date in accordance with the Priority of Payments.

(2) Without limiting clause (1) above, during the Amortization Period, at the time of each Disposition of or other realization of Principal Proceeds on a Collateral Obligation, the Borrower shall repay principal of the Loans in an aggregate amount equal to the related Individual Realization Application Amount and deposit the remaining Proceeds in the Principal Collection Account as Principal Proceeds.

(3) On the Maturity Date the Borrower shall repay the aggregate principal amount of the Loans that are then outstanding.

(b) Clean-Up. Upon the occurrence of a Clean-Up Call Event, the Borrower shall prepay the Loans in full (a "**Clean-Up Call Prepayment**").

(a) Compensation for Increased Costs and Taxes. Subject to the provisions of Section 2.15 (which shall be controlling with respect to the matters covered thereby), if any Lender shall determine that any Change in Law: (1) subjects such Lender (or its applicable lending office) or any company controlling such Lender to any additional Tax (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; (2) imposes, modifies or holds applicable any reserve (including any marginal, emergency, supplemental, special or other reserve), special deposit, liquidity, compulsory loan, FDIC insurance or similar requirement against assets held by, or deposits or other liabilities in or for the account of, or advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of such Lender ~~(other than any such reserve or other requirements with respect to Loans that are reflected in the determination of the Floating Rates)~~ or any company controlling such Lender; or (3) imposes any other condition (other than with respect to a Tax matter) on or affecting such Lender (or its applicable lending office) or any company controlling

such Lender or such Lender's obligations hereunder or the London interbank market; and the result of any of the foregoing is to increase the cost to such Lender of agreeing to make, making or maintaining Loans hereunder or to reduce any amount received or receivable by such Lender (or its applicable lending office) with respect thereto; then, in any such case, the Borrower shall promptly pay to such Lender, upon receipt of the statement referred to in the next sentence, such additional amount or amounts (in the form of an increased rate of, or a different method of calculating, interest or in a lump sum or otherwise as such Lender in its sole discretion shall determine) as may be necessary to compensate such Lender for any such increased cost or reduction in amounts received or receivable hereunder. Such Lender shall deliver to the Borrower (with a copy to the Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to such Lender under this Section 2.14(a), which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(b) Capital Adequacy and Liquidity Adjustment. If any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto) that (1) any Change in Law regarding capital adequacy or liquidity or (2) compliance by any Lender (or its applicable lending office) or any company controlling such Lender with any Change in Law regarding capital adequacy or liquidity, has or would have the effect of reducing the rate of return on the capital of such Lender or any company controlling such Lender as a consequence of, or with reference to, such Lender's Loans, or participations therein or other obligations hereunder with respect to the Loans to a level below that which such Lender or such controlling company could have achieved but for such Change in Law (taking into consideration the policies of such Lender or such controlling company with regard to capital adequacy and liquidity), then from time to time, within five Business Days after receipt by the Borrower from such Lender of the statement referred to in the next sentence, the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such controlling company on an after-tax basis for such reduction. Such Lender shall deliver to the Borrower (with a copy to the Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to such Lender under this Section 2.14(b), which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(c) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs incurred or reductions suffered more than six months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof).

2.15. Taxes; Withholding, Etc.

(a) Payments to Be Free and Clear. All sums payable by or on behalf of any Credit Party hereunder and under the other Transaction Documents shall be paid free and clear of, and without any deduction or withholding on account of, any Tax, unless such deduction or withholding is required by law.

(b) Withholding of Taxes. If any Credit Party or any other Person (acting as a withholding agent) is (in such withholding agent's reasonable good faith discretion) required by law to make any deduction or withholding on account of any such Tax from any sum paid or payable by any Credit Party to the Administrative Agent or any Lender under any of the Transaction Documents: (1) the Borrower shall notify the Administrative Agent of any such requirement or any change in any such requirement reasonably promptly after the Borrower becomes aware of it and the Borrower or any other Person (acting as a withholding agent) shall be entitled to deduct or withhold such Tax; (2) the Borrower shall pay, or cause to be paid, any such Tax before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Credit Party) for its own account or (if that liability is imposed on the Administrative Agent or such Lender, as the case may be) on behalf of and in the name of the Administrative Agent or such Lender; (3) and, if such Tax is an Indemnified Tax, the sum payable by such Credit Party in respect of which the relevant deduction, withholding or payment is required shall be increased to the extent necessary to ensure that, after the making of that deduction, withholding or payment (including any such Taxes imposed or asserted on or attributable to additional amounts payable under this Section 2.15), the Administrative Agent or such Lender, as the case may be, receives on the due date a net sum equal to what it would have received had no such deduction, withholding or payment been required or made; and (4) within thirty days after the due date of payment of any Tax which it is required by clause (2) above to pay, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by the relevant taxing authority evidencing such payment, a copy of the return reporting such payment or other evidence of such deduction, withholding or payment and of the remittance thereof to the relevant taxing or other authority reasonably satisfactory to the Administrative Agent.

(c) Evidence of Exemption from U.S. Withholding Tax. Each Lender that is a "United States person" (as such term is defined in Section 7701(a)(30) of the Code) (a "U.S. Lender") shall deliver to the Administrative Agent and the Borrower on or prior to the Closing Date (or, if later, on or prior to the date on which such Lender becomes a party to this Agreement), and from time to time thereafter upon the reasonable request of the Administrative Agent or the Borrower, two copies of IRS Form W-9 (or any successor form), properly completed and duly executed by such Lender, certifying that such U.S. Lender is entitled to an exemption from United States backup withholding tax,

or otherwise prove that it is entitled to such an exemption. Each Lender that is not a “United States person” (as such term is defined in Section 7701(a)(30) of the Code) (a “**Foreign Lender**”) shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable: (1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Transaction Document, two copies of executed IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Transaction Document, two copies of executed IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty; (2) two copies of executed IRS Form W-8ECI; (3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit B-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (y) two copies of executed IRS Form W-8BEN or W-8BEN-E, as applicable; or (4) to the extent a Foreign Lender is not the beneficial owner, two copies of executed IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit B-2 or Exhibit B-3, two copies of executed IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided* that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit B-4 on behalf of each such direct and indirect partner. Each Lender required to deliver any forms, certificates or other evidence with respect to United States federal income tax withholding matters pursuant to this Section 2.15(c) hereby agrees, from time to time after the initial delivery by such Lender of such forms, certificates or other evidence, whenever a lapse in time or change in circumstances renders such forms, certificates or other evidence obsolete or inaccurate in any material respect, that such Lender shall promptly deliver to the Administrative Agent for transmission to the Borrower two new copies of IRS Form W-9 (or any successor form) properly completed and duly executed by such Lender, and such other documentation required under the Code and reasonably requested by the Borrower to confirm or establish that such Lender is not subject to deduction or withholding of United States federal income tax or backup withholding tax with respect to payments to such Lender under the Transaction Documents, or notify the Administrative Agent and the Borrower of its legal inability to deliver any such forms, certificates or other evidence.

(d) FATCA. Each Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (d), "FATCA" shall include any amendments made to FATCA after the date hereof.

(e) Payment of Other Taxes. Without limiting the provisions of Section 2.15(b), the Borrower shall timely pay all Other Taxes to the relevant Governmental Authorities in accordance with applicable law. The Borrower shall deliver to the Administrative Agent official receipts or other evidence of such payment reasonably satisfactory to the Administrative Agent in respect of any Other Taxes payable hereunder reasonably promptly after payment of such Other Taxes.

(f) Borrower Indemnity. The Borrower shall jointly and severally indemnify the Agents and any Lender, as applicable, for the full amount of Indemnified Taxes for which additional amounts are required to be paid by the Borrower pursuant to Section 2.15(b) arising in connection with payments made under this Agreement or any other Transaction Document (including any such Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.15) paid or payable by the Administrative Agent or Lender or any of their respective Affiliates and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability and demand must be delivered to such Credit Party and shall be conclusive absent manifest error. Such payment shall be due within ten days of such Credit Party's receipt of such certificate and demand.

(g) Lender Indemnity. Each Lender shall severally indemnify each Agent for (1) Taxes for which additional amounts are required to be paid pursuant to Section 2.15(b) arising in connection with payments made under this Agreement or any other Transaction Document (including any such Taxes imposed or asserted on or attributable to amounts payable under this Section 2.15) attributable to such Lender (but only to the extent that the Borrower has not already indemnified such Agent therefor and without limiting the obligation of the Borrower to do so); (2) any Taxes attributable to such Lender's failure to comply with the provisions of Section 11.6(g)(1) relating to the maintenance of a Participant Register and (3) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Transaction Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Such payment shall be due within ten days of such Lender's receipt of such certificate. Each Lender hereby authorizes the Collateral Agent or the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Transaction Document or otherwise payable by such Agent to such Lender from any other source against any amount due to an Agent under this paragraph (g).

(h) Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund or credit (in lieu of such refund) of any Taxes as to which it has been indemnified pursuant to this Section 2.15 (including additional amounts pursuant to this Section 2.15), it shall pay to the indemnifying party an amount equal to such refund or credit (in lieu of such refund) (but only to the extent of indemnity payments made under this Section 2.15 with respect to the Taxes giving rise to such refund or credit (in lieu of such refund)), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund or credit (in lieu of such refund)). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) if such indemnified party is required to repay such refund or credit (in lieu of such refund) to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund or credit (in lieu of such refund) had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

2.16. Obligation to Mitigate.

Each Lender agrees that, if such Lender requests payment under Section 2.13, 2.14 or 2.15, then such Lender will, to the extent not inconsistent with any applicable legal or regulatory restrictions, use reasonable efforts to make, issue, fund or maintain its Credit Extensions or Commitments, including any Affected Loans, through another office of such Lender if, as a result thereof, the additional amounts payable to such Lender pursuant to Section 2.13, 2.14 or 2.15, as the case may be, in the future would be reasonably expected to be eliminated or reduced and if, as determined by such Lender in its sole discretion, the making, issuing, funding or maintaining of such Loans through such other office or in accordance with such other measures, as the case may be, would not otherwise adversely affect such Loans or the interests of such Lender; *provided* that such Lender will not be obligated to utilize such other office pursuant to this Section 2.16 unless the Borrower agrees to pay all incremental expenses incurred by such Lender as a result of utilizing such other office as described above. A certificate as to the amount of any such expenses payable by the Borrower pursuant to this Section 2.16 (setting forth in reasonable detail the basis for requesting such amount) must be submitted by such Lender to the Borrower (with a copy to the Administrative Agent) and shall be conclusive absent manifest error.

2.17. Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law, any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 9 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 11.4 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrower may request (so long as no Default or Event of Default shall have occurred and be continuing), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrower, to be held in a Deposit Account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; *fourth*, so long as no Default or Event of Default shall have occurred and be continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *fifth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (x) such payment is a payment of the principal amount of any Loans and (y) such Loans were made at a time when the conditions set forth in Section 3.2 were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans are held by the Lenders pro rata in accordance with the applicable Commitments. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(b) Defaulting Lender Cure. If the Borrower and the Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans to be held pro rata by the Lenders in accordance with the applicable Commitments, whereupon such Lender will cease to be a Defaulting Lender; *provided* that, except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

2.18. Removal or Replacement of a Lender.

Anything contained herein to the contrary notwithstanding, if:

(a) (1) any Lender (an “**Increased-Cost Lender**”) shall give notice to the Borrower that such Lender is an Affected Lender or that such Lender is entitled to receive payments under Section 2.13, 2.14 or 2.15, (2) the circumstances which have caused such Lender to be an Affected Lender or which entitle such Lender to receive such payments shall remain in effect, and (3) such Lender shall fail to withdraw such notice within five Business Days after the Borrower’s request for such withdrawal; or

(b) during the Availability Period, any Lender shall become a Defaulting Lender, and such Defaulting Lender shall fail to cure the default pursuant to Section 2.17(b) within five Business Days after the Borrower’s request that it cure such default; or

(c) in connection with any proposed amendment, modification, termination, waiver or consent with respect to any of the provisions hereof as contemplated by Section 11.5(b), the consent of the Requisite Lenders shall have been obtained but the consent of one or more of such other Lenders (each a “**Non-Consenting Lender**”) whose consent is required shall not have been obtained,

then, with respect to each such Increased-Cost Lender, Defaulting Lender or Non-Consenting Lender (the “**Terminated Lender**”), the Borrower may, by giving written notice to the Administrative Agent and any Terminated Lender of its election to do so, elect to cause such Terminated Lender (and such Terminated Lender hereby irrevocably agrees) to assign its outstanding Loans in full to one or more Eligible Assignees identified by the Borrower (each a “**Replacement Lender**”) in accordance with the provisions of Section 11.6 and the Borrower shall pay the fees, if any, payable thereunder in connection with any such assignment from an Increased-Cost Lender, a Non-Consenting Lender or a Defaulting Lender; *provided that*:

(1) such Replacement Lender shall have consented to such assignment and be ready to execute and deliver all relevant assignment documentation and to perform all of its obligations in connection therewith;

(2) the Borrower, such Terminated Lender, the Administrative Agent and any other Person whose consent is required for such assignment shall have received all documentation and other information required by bank regulatory authorities under applicable “know-your-customer” and anti-money laundering rules and regulations, including the PATRIOT Act;

(3) on the date of such assignment, the Replacement Lender shall pay to the Terminated Lender an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of such Terminated Lender and (B) an amount equal to all accrued, but theretofore unpaid fees owing to such Terminated Lender hereunder;

(4) on the date of such assignment, the Borrower shall pay any amounts payable to such Terminated Lender pursuant to Section 2.13(g), 2.14 or 2.15; or otherwise as if it were a prepayment;

(5) such assignment does not conflict with applicable law;

(6) in the case of any such assignment resulting from a claim for compensation under Section 2.14 or payments required to be made pursuant to Section 2.15, such assignment will result in a reduction in such compensation or payments thereafter; and

(7) if such Terminated Lender is a Non-Consenting Lender, each Replacement Lender shall consent, at the time of such assignment, to each matter in respect of which such Terminated Lender was a Non-Consenting Lender.

Upon the prepayment of all amounts owing to any Terminated Lender, such Terminated Lender shall no longer constitute a “Lender” for purposes hereof; *provided* that any rights of such Terminated Lender to indemnification hereunder shall survive as to such Terminated Lender. Each Lender agrees that if the Borrower exercises its option hereunder to cause an assignment by such Lender as a Non-Consenting Lender or Terminated Lender, such Lender shall, promptly after receipt of written notice of such election, execute and deliver all documentation necessary to effectuate such assignment in accordance with Section 11.6. If a Lender does not comply with the requirements of the immediately preceding sentence within one Business Day after receipt of such notice, each Lender hereby authorizes and directs the Administrative Agent to execute and deliver such documentation as may be required to give effect to an assignment in accordance with Section 11.6 on behalf of a Non-Consenting Lender or Terminated Lender and any such documentation so executed by the Administrative Agent shall be effective for purposes of documenting an assignment pursuant to Section 11.6. Any removal of Goldman Sachs or its successor as a Defaulting Lender pursuant to this Section shall also constitute the removal of Goldman Sachs or its successor as the Administrative Agent pursuant to Section 11.7.

2.19. Obligations Absolute.

The Borrower hereby waives, for the benefit of each Agent and the Lenders (hereinafter, the “**Beneficiaries**”): (1) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (2) any defense based upon any Beneficiary’s errors or omissions in the administration of the Obligations, except behavior which amounts to bad faith; (3) (i) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of the Borrower’s obligations hereunder, (ii) the benefit of any statute of limitations affecting the Borrower’s liability hereunder or the enforcement hereof, (iii) any rights to set-offs, recoupments and counterclaims, and (iv) promptness, diligence and any requirement that any Beneficiary protect, secure, perfect or insure any security interest or lien or any property subject thereto; (4) notices, demands, presentments,

protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder or any agreement or instrument related thereto, notices of any renewal, extension or modification of the Obligations or any agreement related thereto, notices of any extension of credit to the Borrower and any right to consent to any thereof; and (5) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

SECTION 3. CONDITIONS PRECEDENT

(e) No Litigation. There shall not exist any action, suit, investigation, litigation, proceeding, hearing or other legal or regulatory developments, pending or threatened in any court or before any arbitrator or Governmental Authority that, in the reasonable opinion of the Administrative Agent, singly or in the aggregate, materially impairs any of the other transactions contemplated by the Transaction Documents or that could have a Material Adverse Effect.

(f) KYC. The Lenders and the Collateral Custodian shall have received all documentation and other information required by bank regulatory authorities under applicable “know-your-customer” and anti-money laundering rules and regulations, including the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act (Title III of Pub. (h) Other Matters. The Administrative Agent shall have received such other documents as the Administrative Agent may reasonably require; *provided* that nothing in this clause shall imply or impose a duty on the Administrative Agent to so require.

3.2. Conditions to Each Credit Extension.

(a) Conditions Precedent. The obligation of each Lender to make any Loan on any Credit Date, including the Closing Date, are subject to the satisfaction, or waiver in accordance with Section 11.5, of the following conditions precedent:

(1) the Administrative Agent and the Lenders shall have received a fully executed and delivered Funding Notice relating thereto;

(2) the principal amount of the Loans to be made in such Credit Extension shall not exceed the undrawn Commitments as at the related Credit Date; and, after giving effect to such Credit Extension, the Loan Amount does not exceed the lesser of (x) the Maximum Facility Amount less the aggregate amount of Voluntary Commitment Reductions effected prior to such time and (y) the Borrowing Base at such time;

(3) if such Loan is an Exposure-Related Loan, the Borrower shall have (x) provided to Administrative Agent the related funding notice received under the Underlying Instrument of such Future Funding Collateral Obligation and (y) deposited into the Future Funding Reserve Account funds in an amount equal to the Exposure Equity Amount related to such Exposure-Related Loan;

(4) as of such Credit Date, the representations and warranties contained herein and in the other Transaction Documents shall be true and correct in all material respects on and as of that Credit Date to the same extent as though made on and as of that date, except to the extent such representations and warranties specifically relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects on and as of such earlier date; provided that, in each case, such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof; and

(5) as of such Credit Date, no event shall have occurred and be continuing or would result from the consummation of the applicable Credit Extension that would constitute a Default or an Event of Default.

Any Agent or the Requisite Lenders shall be entitled, but not obligated to, request and receive, prior to the making of any Credit Extension, additional information reasonably satisfactory to the requesting party confirming the satisfaction of any of the foregoing if, in the good faith judgment of such Agent or the Requisite Lenders such request is warranted under the circumstances and such information is requested from the Borrower in writing (an “**Additional Information Request**”) no later than 7:00 p.m. (New York City time) on the date the applicable Funding Notice is received.

(b) Deemed Representations. Each borrowing of a Loan hereunder shall constitute a representation and warranty by the Borrower as of the applicable Credit Date that the conditions contained in Section 3.2(a) have been satisfied except with respect to waivers thereof that have been granted in accordance with this Agreement.

SECTION 4. REPRESENTATIONS AND WARRANTIES

In order to induce the Agents and the Lenders to enter into this Agreement and to induce the Lenders to make each Credit Extension to be made thereby, the Borrower represents and warrants to each Agent and Lender, on the Closing Date, on the Closing Date and on each Credit Date, that the following statements are true and correct:

4.1. Organization; Requisite Power and Authority; Qualification.

4.2. Equity Interests; Ownership; Collateral Obligations

(a) The Equity Interests of the Borrower have been duly authorized and validly issued and are fully paid and non-assessable. As of the Closing Date, other than any capital commitments or other rights of a member or other equity holder as of the Closing Date to make capital contributions to the Borrower, there is no existing option, warrant, call, right, commitment or other agreement to which the Borrower is a party requiring, and there is no membership interest or other Equity Interests of the Borrower outstanding which upon conversion or exchange would require, the issuance by the Borrower of any additional membership interests or other Equity Interests of it or other Securities convertible into, exchangeable for or evidencing the right to subscribe for or purchase, a membership interest or other Equity Interests of such Person.

(b) Appendix C-1 correctly sets forth the ownership interest of the Borrower in their respective Subsidiaries as of the Closing Date.

The execution, delivery and performance of the Transaction Documents have been duly authorized by all necessary action on the part of each of Credit Party that is a party thereto.

4.4. No Conflict

The execution, delivery and performance by each Credit Party of the Transaction Documents to which it is a party and the consummation of the transactions contemplated by the Transaction Documents do not and will not (a) violate (1) any provision of any law or any governmental rule or regulation applicable to it, (2) any of its Organizational Documents or (3) any order, judgment or decree of any court or other agency of government binding on it or its properties (except where the violation could not reasonably be expected to have a Material Adverse Effect); (b) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any of its contractual obligation (except where the violation could not reasonably be expected to have a Material Adverse Effect); (c) result in or require the creation or imposition of any Lien upon any of its properties or assets (other than any Liens created under any of the Transaction Documents in favor of Collateral Agent for the benefit of the Secured Parties); or (d) require any approval of stockholders, members or partners or any approval or consent of any Person under any contractual obligation, except for such approvals or consents which will be obtained on or before the Closing Date and disclosed in writing to the Lenders.

4.5. Governmental Consents

The execution, delivery and performance by each Credit Party of the Transaction Documents to which it is a party and the consummation of the transactions contemplated by the Transaction Documents do not and will not require any registration with, consent or approval of, or notice to, or other action to, with or by, any Governmental Authority, except for filings and recordings with respect to the Collateral to be made, or otherwise delivered to Collateral Agent for filing and/or recordation, as of the Closing Date.

4.6. Binding Obligation

Each Transaction Document to which each Credit Party is a party has been duly executed and delivered by such Credit Party and is the legally valid and binding obligation of such Credit Party, enforceable against such Credit Party in accordance with its terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability.

4.7. Adverse Proceedings, Etc.

There are no Adverse Proceedings, individually or in the aggregate, that could reasonably be expected to have a Material Adverse Effect. No Credit Party (a) is in violation of any applicable laws that, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect or (b) is subject to or in default with respect to any final judgments, writs, injunctions, decrees, rules or regulations of any court or any federal, state, municipal or other governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, that, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

4.8. Payment of Taxes.

Except as otherwise permitted hereunder, all U.S. federal and other material Tax returns and reports covering the Credit Parties required to be filed by any of them have been timely filed (taking into account any applicable extensions), and all U.S. federal and other material Taxes which are due and payable and all assessments, fees and other governmental charges upon the Credit Parties and upon their respective properties, assets, income, businesses and franchises which are due and payable have been paid when due and payable (taking into account any applicable extensions), except (a) Taxes that are being contested in good faith and by appropriate proceedings (and for which there are adequate reserves maintained in accordance with GAAP) and (b) to the extent that the failure to so file or pay, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect. The Credit Parties are not aware of any proposed material Tax assessment against any Credit Party that is not being actively contested by such Credit Party in good faith and by appropriate proceedings.

4.9. Properties

Each Grantor has good, sufficient and legal title to its properties and assets. Except as permitted by this Agreement, all such properties and assets are free and clear of Liens other than Permitted Liens. No Grantor owns or leases any real estate.

4.10. No Defaults

Neither the Borrower nor the Equity Holder is in default in the performance, observance or fulfillment of any of the material obligations, covenants or conditions contained in any of its contractual obligations, and no condition exists which, with the giving of notice or the lapse of time or both, could constitute such a default, except where the consequences, direct or indirect, of such default or defaults, if any, could not reasonably be expected to have a Material Adverse Effect.

4.11. Material Contracts

Appendix D contains a true, correct and complete list of all the Material Contracts in effect on the Closing Date (other than the Underlying Instruments and Assignment Agreements with respect to the Collateral Obligations) and, except as described thereon, as of the Closing Date no events of default, Monetary Defaults or Other Material Defaults currently exist thereunder.

4.12. Governmental Regulation

No Credit Party (other than the Fund) is required to register as an investment company under the Investment Company Act. The business and other activities of the Credit Parties, including the making of the Loans hereunder, the application of the proceeds thereof and repayment thereof by the Borrower and the consummation of the transactions contemplated by the Transaction Documents, do not result in a violation or breach in any material respect of the provisions of the Investment Company Act or any rules, regulations or orders issued by the Securities and Exchange Commission thereunder, in each case that are applicable to the Credit Parties.

4.13. Federal Reserve Regulations

No portion of the proceeds of any Credit Extension shall be used in any manner, whether directly or indirectly, that causes such Credit Extension or the application of such proceeds to violate Regulation U or Regulation X.

4.14. Pension Plans

Neither the Equity Holder, the Borrower nor any of its Subsidiaries maintains or contributes to any Pension Plan or Multiemployer Plan. No ERISA Event has occurred, when taken together with all other such ERISA Events for which liability is reasonably expect to occur, would reasonably be expected to result in a Material Adverse Effect. The assets of the Borrower are not treated as “plan assets” for purposes of Section 3(42) of ERISA.

4.15. Solvency

Each Credit Party is and, upon the incurrence of any Obligation by any Credit Party on any date on which this representation and warranty is made, will be, on a consolidated basis with its consolidated group (if applicable), solvent.

4.16. Compliance with Statutes, Etc.

Each Credit Party is in compliance with all applicable statutes, regulations and orders of, and all applicable restrictions imposed by, all Governmental Authorities, in respect of the conduct of its business and the ownership of its property, except such non-compliance that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

4.17. Disclosure

No representation or warranty of any Credit Party contained in any Transaction Document or in any other documents, certificates or written statements furnished to any Agent or Lender by or on behalf of any Credit Party for use in connection with the transactions contemplated hereby taken as a whole contains any untrue statement of a material fact or omits to state a material fact (known to the Borrower, in the case of any document not furnished by them) necessary in order to make the statements contained herein or therein not misleading in light of the circumstances in which the same were made. There are no facts known (or which should upon the reasonable exercise of diligence be known) to any Credit Party (other than matters of a general economic nature) that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect and that have not been disclosed herein or in such other documents, certificates and statements furnished to the Administrative Agent or the Lenders for use in connection with the transactions contemplated hereby, after giving effect to the delivery of any Financial and Other Information and any and all updates and deliveries to the Administrative Agent or Lenders from time to time. Without limitation to the foregoing, the information included in the Beneficial Ownership Certification is true and correct in all respects

4.18. Sanctioned Persons; Anti-Corruption Laws; PATRIOT Act

No Credit Party nor any of its directors, officers or Subsidiaries, or to the knowledge of Borrower, employees or agents, is the subject of any sanctions or economic embargoes administered or enforced by the U.S. Department of State or the U.S. Department of Treasury (including the Office of Foreign Assets Control), the United Nations Security Council, the European Union, or Her Majesty's Treasury of the United Kingdom (collectively, "**Sanctions**"), and the associated laws, rules, regulations and orders, collectively, "**Sanctions Laws**"). Each Credit Party and their respective Subsidiaries is in compliance, in all material respects, with (a) all applicable Sanctions Laws, (b) the United States Foreign Corrupt Practices Act of 1977, as amended, and any other applicable anti-bribery or anti-corruption laws, rules, regulations and orders (collectively, "**Anti-Corruption Laws**") and (c) the PATRIOT Act and any other applicable terrorism and money laundering laws, rules, regulations and orders.

No part of the proceeds of the Loans will be used, directly or, to the knowledge of the Borrower, indirectly, (A) for the purpose of financing any activities or business of or with any Person or in any country or territory that at such time is the subject of any Sanctions, if such financing would result in a violation of Sanctions Laws, or (B) for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of any Anti-Corruption Law.

SECTION 5. COVENANTS

The Borrower covenants and agrees that, so long as any Commitment is in effect and until payment in full of all Obligations (other than contingent obligations for which no claim has been asserted), the Borrower shall perform, and shall cause each of its Subsidiaries to perform, all covenants set forth in this Section 5.

5.1. Compliance with Laws, Etc.

The Borrower will comply in all material respects with applicable laws, rules, regulations, writs, judgments, injunctions, decrees, awards and orders with respect to it, its business and its properties. The Borrower will comply in all material respects with all Material Contracts and all other material contractual and other obligations.

5.2. Maintenance of Books and Records.

The Borrower shall maintain and implement administrative and operating procedures reasonably necessary in the performance of its obligations under the Transaction Documents to which it is a party, and the Borrower shall keep and maintain, or cause its Board of Directors to keep or maintain at all times, or cause to be kept and maintained at all times in the registered office of the Borrower specified in its Constitutive Documents, all documents, books, records, accounts and other information as are required under applicable law.

5.3. Existence of Borrower, Etc.

(a) The Borrower shall take all reasonable steps to maintain its identity as a separate legal entity from that of its members (other than as appropriate for tax purposes). The Borrower shall keep its principal place of business at the address specified on Appendix B. The Borrower will always maintain at least one Independent Manager.

(b) The Borrower shall:

(1) have a board of directors separate from that of any other person (although members of the board of directors of the Borrower may serve as directors of one or more Affiliates of the Borrower);

(2) file its own tax returns, if any, as may be required under applicable law (to the extent (x) not part of a consolidated group filing a consolidated return or returns or (y) not treated as a division for tax purposes of another taxpayer) and pay any taxes so required to be paid under applicable law;

(3) not commingle its assets with assets of any other person;

(4) conduct its business in its own name and strictly comply with all organizational formalities necessary to maintain its separate existence (other than as appropriate for tax purposes) (and the Borrower hereby represents that all such formalities have been complied with since the Borrower's formation);

(5) maintain books and records separate from any other Person;

(6) maintain separate financial statements (it being understood that, if the Borrower's financial statements are part of a consolidated group with its Affiliates, then any such consolidated statements shall contain a note indicating the Borrower's separateness from any such Affiliates and that its assets are not available to pay the debts of such Affiliate);

(7) pay its own liabilities only out of its own funds;

(8) maintain an arm's-length relationship with its Affiliates;

(9) hold itself out as a separate Person (except to the extent treated as a disregarded entity for U.S. tax purposes), and not hold out its credit or assets as being available to satisfy the obligations of others;

(10) pay its fair and reasonable share of overhead for shared office space, if any;

(11) use separate stationery, invoices and checks and not of any other entity (unless such entity is clearly designated as being the Borrower's agent);

(12) not pledge its assets as security for the obligations of any other person;

(13) correct any known misunderstanding regarding its separate identity;

(14) not take any Material Action without the unanimous affirmative vote of each member of its board of directors, including, in all cases, each of the Independent Manager; and

(15) not have any employees.

(c) The Borrower shall cause each of its Subsidiaries to adhere to the requirements of paragraphs (a) and (b) above, *mutatis mutandis*.

5.4. Protection of Collateral.

(a) Upon the request of any Lender or the Administrative Agent, the Borrower shall from time to time execute and deliver all such supplements and amendments hereto and all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be reasonably

necessary to secure the rights and remedies of the Secured Parties hereunder and under the other Transaction Documents (*provided* that the Borrower shall be entitled to rely on any Opinion of Counsel delivered pursuant to Section 5.5 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Section 3 (each such Opinion of Counsel, a “**Lien Opinion**”) to determine what actions are reasonably necessary, and shall be fully protected in so relying on such a Lien Opinion, unless the Borrower has knowledge that the procedures described in any such Lien Opinion are no longer adequate to maintain such perfection and priority) and to:

- (1) Grant more effectively all or any portion of the Collateral;
- (2) maintain or preserve the lien (and the priority thereof) under the Collateral Documents and the other Transaction Documents to which it is a party or to carry out more effectively the purposes hereof and thereof;
- (3) perfect, publish notice of or protect the validity of any Grant made or to be made by the Collateral Documents;
- (4) enforce any of the Pledged Obligations or other instruments or property included in the Collateral;
- (5) preserve and defend title to the Collateral and the rights therein of the Collateral Agent and the Secured Parties in the Collateral and the Collateral Agent against the claims of all persons and parties;
- (6) pay any and all taxes levied or assessed upon all or any part of the Collateral and use its commercially reasonable efforts to minimize taxes and any other costs arising in connection with its activities; and
- (7) give, execute, deliver, file and/or record any Financing Statement, notice, instrument, document, agreement or other papers that may be necessary or desirable to create, preserve, perfect or validate the security interest granted pursuant to the Collateral Documents or under the other Transaction Documents or to enable the Collateral Agent to exercise and enforce its rights hereunder and thereunder with respect to such pledge and security interest, and hereby authorizes the Collateral Agent to file Financing Statements listing ‘all assets’ of the debtor in the collateral description of such Financing Statements.

The Borrower hereby designate the Collateral Agent as the agent and attorney-in-fact for the Borrower to file, upon Borrower Order, any Financing Statement, continuation statement or other instrument required pursuant to this Section 5.4; provided that such appointment shall not impose upon the Collateral Agent any of the Borrower’s obligations under this Section 5.4. The Borrower shall cause to be filed one or more continuation statements under the applicable UCC (it being understood that the Borrower (and to the extent the Collateral Agent takes any action, the Collateral Agent) shall be entitled to rely upon an Opinion of Counsel, including a Lien Opinion, as to the need to file such Financing Statements and continuation statements, the dates by which such filings are required to be made and the jurisdictions in which such filings are required to be made).

(b) The Collateral Agent shall not (1) except in accordance with Section 6.7(a), (b) or (c), as applicable, remove any portion of the Collateral that consists of Cash or is evidenced by an instrument, certificate or other writing (A) from the jurisdiction in which it was held at the date the most recent Lien Opinion was delivered pursuant hereto or (B) from the possession of the Person who held it on such date or (2) cause or permit ownership or the pledge of any portion of the Collateral that consists of book entry securities to be recorded on the books of a Person (A) located in a different jurisdiction from the jurisdiction in which such ownership or pledge was recorded at such date or (B) other than the Person on whose books such ownership or pledge was recorded at such date, unless the Collateral Agent shall have first received an Opinion of Counsel to the effect that the lien and security interest created by this Agreement with respect to such property will continue to be maintained after giving effect to such action or actions.

5.5. Opinions as to Collateral.

On or before the March 31 that precedes the fifth anniversary of the Closing Date (and if applicable, every five years thereafter), the Borrower shall furnish to the Collateral Agent and the Administrative Agent a New York law opinion (and a law opinion for each other jurisdiction that is relevant to the Collateral Agent's security interest in the Collateral) relating to the security interests granted by the Grantors to the Collateral Agent under the Transaction Documents, stating that, as of the date of each such opinion, the lien and security interest created by the Transaction Documents with respect to the Collateral remain in effect and that no further action (other than as specified in any such opinion) needs to be taken to ensure the continued effectiveness of such lien over the next year.

5.6. Performance of Obligations.

(a) If an Event of Default shall have occurred and be continuing, neither the Borrower nor the Services Provider shall take any action that would release any principal obligor from any of such principal obligor's covenants or obligations under any Underlying Instrument, except in connection with the restructuring, default, waiver or amendment of any Collateral; *provided* that the Requisite Lenders shall have consented to such action.

(b) The Borrower may contract with other Persons, including the Services Provider and the Collateral Administrator Parties, for the performance of actions and obligations to be performed by the Borrower hereunder by such Persons and the performance of the actions and other obligations with respect to the Collateral of the nature set forth in the Corporate Services Agreements by the Services Provider and the Collateral Administration Agreement by the Collateral Administrator Parties. Notwithstanding any such arrangement, the Borrower shall remain primarily liable with respect thereto. In the event of any such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and

obligations by the Borrower; and the Borrower will punctually perform, and use its commercially reasonable efforts to cause the Services Provider or such other Person to perform, all of their obligations and agreements contained in the Corporate Services Agreements, the Collateral Administration Agreement or such other agreement.

(c) The Borrower agrees to comply in all material respects with all requirements applicable to it set forth in any Opinion of Counsel obtained pursuant to any provision of this Agreement including satisfaction of any event identified in any Opinion of Counsel as a prerequisite for the obtaining or maintaining by the Collateral Obligation of a perfected security interest in any Collateral Obligation, Eligible Investment or other Collateral that is of first priority, free of any adverse claim or the legal equivalent thereof, as applicable.

5.7. Negative Covenants.

(a) The Borrower will not:

(1) sell, transfer, assign, participate, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (by security interest, lien (statutory or otherwise), preference, priority or other security agreement or preferential arrangement of any kind or nature whatsoever or otherwise) (or permit such to occur or suffer such to exist), any part of the Collateral, except as expressly permitted by the Transaction Documents;

(2) claim any credit on, or make any deduction from, the principal or interest payable or amounts distributable in respect of the Loans (other than amounts withheld in accordance with the Code or any other applicable law) or assert any claim against any present or future Lender by reason of the payment of any taxes levied or assessed upon any part of the Collateral (other than taxes levied or assessed in respect of amounts required to be deducted or withheld from the principal or interest payable in respect of the Obligations);

(3) (A) incur or assume or guarantee any indebtedness or any contingent obligations, other than the Obligations and the other agreements and transactions expressly contemplated hereby and thereby or (B) issue any additional securities (other than the issuance of its equity on the Closing Date), it being understood that receipt of additional capital contributions by the Borrower from the Equity Holder (without issuance of additional securities or interests in the Borrower) is not prohibited by this clause (B);

(4) (A) permit the validity or effectiveness of the Collateral Documents or any other Transaction Document or any Grant thereunder to be impaired, or permit the liens under the Transaction Documents to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to the Transaction Document, except as may be expressly permitted hereby, (B) permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance

(including any preference, priority or other security agreement or preferential arrangement of any kind or nature whatsoever or otherwise, other than Permitted Liens) to be created on or extend to or otherwise arise upon or burden the Collateral or any part thereof, any interest therein or the Proceeds thereof, or (C) take any action that would cause the liens under the Transaction Documents not to constitute a valid perfected security interest in the Collateral that is of First Priority, free of any adverse claim or the legal equivalent thereof, as applicable, except as may be expressly permitted hereby (or in connection with a disposition of Collateral required hereby);

(5) make or incur any capital expenditures, except as reasonably required to perform its functions in accordance with the terms of the Transaction Documents;

(6) become liable in any way, whether directly or by assignment or as a guarantor or other surety, for the obligations of the lessee under any lease (other than in accordance with the Transaction Documents);

(7) enter into any transaction with any Affiliate other than (A) the Transaction Documents and (B) transactions on terms that are no less favorable than those obtainable in an arm's length transaction with a wholly unaffiliated Person and on terms that are fair and equitable to the Borrower under all the facts or circumstances under applicable law;

(8) maintain any bank accounts or securities accounts other than the Transaction Accounts;

(9) change its name without (A) receiving the prior written consent of Requisite Lenders, (B) delivering to the Collateral Agent and Administrative Agent notice thereof and (C) receiving an Opinion of Counsel that such name change will not adversely affect the Collateral Agent's lien or the interest under the Collateral Documents of the Secured Parties or the Collateral Agent;

(10) fail to pay any tax, assessment, charge or fee with respect to the Collateral, or fail to defend any action, if such failure to pay or defend will materially adversely affect the priority or enforceability of the lien over the Collateral created by the Transaction Documents;

(11) other than the Transaction Documents and agreements involving Acquisitions and sales relating to the Collateral Portfolio having customary purchase and sale terms, enter into any agreement or contract with any Person unless such contract or agreement contains "limited recourse" and "non-petition" provisions, (x) which limited recourse provisions provide that the obligations of the Borrower are limited recourse obligations, payable solely from the Collateral in accordance with the terms of this Agreement and the other Transaction Documents and (y) which non-petition provisions provide that, prior to the date that is one year and one day after all Obligations have been paid in full (or, if

longer, the applicable preference period under applicable insolvency law), such Person shall not take any action or institute any proceeding against the Borrower under any insolvency law applicable to it or which would be reasonably likely to cause it to be subject to, or seek protection of, any such insolvency law; provided that such Person shall be permitted to become a party to and to participate in any Proceeding or action under any such insolvency law that is initiated by any other Person other than one of its Affiliates;

(12) amend any Transaction Document without the prior written consent of the Requisite Lenders;

(13) amend any limited recourse or non-petition provisions of any agreement;

(14) Acquire any assets or take any action that would require it to register as an “investment company” under the Investment Company Act;

(15) enter into any transaction other than on arm’s length terms and at market rates other than as expressly permitted pursuant to this Agreement and the other Transaction Documents;

(16) have any Subsidiaries; or

(b) Neither the Borrower nor the Services Provider on their behalf shall sell, transfer, exchange or otherwise dispose of Collateral, or enter into or engage in any business with respect to any part of the Collateral except as expressly permitted or required by the Transaction Documents.

5.8. No Consolidation.

The Borrower shall not consolidate or merge with or into any other Person or, other than the security interest Granted to the Collateral Agent pursuant to the Transaction Documents, convey or transfer its properties and assets substantially as an entirety to any Person.

5.9. No Other Business; Etc.

The Borrower shall not amend, or permit the amendment of, its Constitutive Documents without prior written consent of the Requisite Lenders.

5.10. Compliance with Corporate Services Agreements.

The Borrower agrees to perform all actions required to be performed by it, and to refrain from performing any actions prohibited under, the Corporate Services Agreement to which it is a party. The Borrower further agrees not to authorize or otherwise to permit the Services Provider to act in contravention of the representations, warranties and agreements of the Services Provider under such Corporate Services Agreement. Neither the Borrower nor the Services Provider shall terminate any Corporate Services Agreement or select a replacement services provider, in each case without the prior consent of the Requisite Lenders (which the Requisite Lenders may withhold in their sole and absolute discretion), *provided* that the Services Provider may resign its role as Services Provider in accordance with the terms and conditions expressly set forth in the Corporate Services Agreements.

5.11. Certain Tax Matters.

(a) The Borrower will pay all Taxes imposed upon it or any of its properties or assets or in respect of any of its income before any penalty or fine accrues thereon, and all claims for sums that have become due and payable and that by law have or may become a Lien upon any of its properties or assets, prior to the time when any penalty or fine shall be incurred with respect thereto unless the same are being contested in good faith by appropriate proceedings which stay the enforcement of such Lien and for which adequate reserves in accordance with GAAP are being maintained by the Borrower.

(b) The Borrower will be treated as of the date of its formation as, and for so long as any amounts remain outstanding hereunder will remain, a disregarded entity for U.S. federal income tax purposes and will not take any action nor recognize any transfer of interests in the Borrower that would cause the Borrower to become treated other than as a disregarded entity; the Borrower intends that the income from the Borrower's assets will be treated as income of its sole owner for United States federal income tax purposes and it will not take any action inconsistent with such intention; and the Borrower will procure that its sole owner complies with any United States federal withholding tax obligations imposed on it.

5.12. Certain Regulations.

Each of the Borrower and the Services Provider understands that Executive Orders issued by the President of the United States of America, Federal regulations administered by OFAC and other federal laws prohibit, among other things, U.S. persons or persons under jurisdiction of the United States from engaging in certain transactions with, the provision of certain services to, and making certain investments in, certain foreign countries, territories, entities and individuals, and that the lists of prohibited countries, territories, entities and individuals can be found on, among other places, the OFAC website at <https://home.treasury.gov/policy-issues/office-of-foreign-assets-control-sanctions-programs-and-information>. Accordingly, each of the Borrower and the Services Provider covenants that it has, and each of the Borrower and the Services Provider represents that it has, policies and procedures designed to comply with the

prohibitions and restrictions mandated by OFAC by any Person participating in the Agreement. None of the Borrower, the Services Provider, any of their respective Subsidiaries or, to the best of the Services Provider's knowledge, any of their respective directors or officers over which the Services Provider has control is a natural person or entity with whom any dealings contemplated under this Agreement are prohibited under any OFAC regulation or other applicable federal law, including as a result of being named on an OFAC list or acting on behalf of such a natural person or entity. To the best of the Services Provider's knowledge, the Borrower does not own, and the Services Provider will not knowingly cause the Borrower to own or Acquire, any security issued by, or interest in, any country, territory, or entity whose direct ownership by U.S. persons or persons under the jurisdiction of the U.S. would be or is prohibited under any Sanctions Laws, if such ownership or acquisition would result in a violation of Sanctions Laws.

5.13. Transaction Data Room

The Borrower shall at all times maintain (or cause the Collateral Custodian to maintain on their behalf) a Transaction Data Room, and shall cause to be maintained therein electronic copies of all documents and other information required by this Agreement and other Transaction Documents to be maintained therein.

Promptly upon the Fund, the Sponsor or the Borrower changing any of its underwriting or management policies or procedures in any material respect, the Borrower shall deliver to the Administrative Agent and the Lenders written notice thereof setting forth in reasonable detail all such changes together with such other information relating thereto as may be reasonably requested by the Lenders to enable the Lenders and their counsel to evaluate such matters.

(e) Notice of Change in Conflicts of Interest. Promptly upon any transactions or positions of Affiliates of the Borrowers (including through the acquisition of or material change in any transactions or positions of Affiliates of the Borrower with respect to an obligor on a Collateral Obligation or any of its affiliates) that would give rise to a conflict of interest between the interests of the Borrower (and the rights and interests of the Lenders with respect to the Borrower), on one hand, and the interest of such Affiliate in relation to the relevant Collateral Obligation or obligor, on the other hand, the Borrower shall deliver to the Administrative Agent and the Lenders written notice thereof setting forth in reasonable detail all such changes together with such other information relating thereto as may be reasonably requested by the Lenders to enable the Lenders and their counsel to evaluate such matters.

5.15. Inspections, Etc.

(a) Each Credit Party will permit any authorized representatives designated by the Administrative Agent or any Lender to visit and inspect any of the properties of any Credit Party, as they relate to the obligations of the Credit Parties under the Transaction Documents, to inspect, copy and take extracts from its financial and accounting records, and to discuss its affairs, finances and accounts with its officers and independent public accountants, all upon reasonable notice and at such reasonable times during normal business hours and as often as may reasonably be requested; *provided* that, in the absence of a Default or Event of Default, (x) the Credit Parties shall not be required to reimburse the Administrative Agent and the Lenders for more than one inspection in any period of twelve consecutive fiscal months and (y) there shall be no more than one inspection in any period of twelve consecutive fiscal months.

(b) Without limiting paragraph (a) above, each Credit Party will permit the Administrative Agent and any designee thereof from time to time to inspect the Collateral Obligations and related Underlying Instruments selected by the Requisite Lenders in their sole and absolute discretion and, in connection therewith, to investigate any or all of the following (the “**Specified Matters**”) with respect to any Collateral Obligation:

- (1) all matters relating to the title of Borrower with respect to such Collateral Obligations;

(2) the perfection of the Collateral Agent's security interest in the Collateral under the Collateral Documents; and

in each case at such times during normal business hours, upon reasonable advance notice to the Borrower and subject to applicable law and the rights of the relevant Credit Party under the applicable Underlying Instruments.

(c) Each Credit Party will, upon the request of the Requisite Lenders, participate in a meeting of the Administrative Agent and the Lenders:

(1) once during each calendar year, to be held at the Services Provider's corporate offices (or at such other location as may be requested by the Administrative Agent or the Requisite Lenders that is reasonably acceptable to the Borrower) at such time as may be agreed to by the Borrower, the Administrative Agent and the Requisite Lenders; and

(2) if an Event of Default has occurred and is then continuing, at such other times as may be reasonably requested by any Lender, to be held at the Services Provider's corporate offices (or at such other location as may be requested by such Lender that is reasonably acceptable to the Borrower).

(d) Each inspection, investigation, visitation or other meeting referred to in clause (b) and (c) above shall be at the Lenders' own cost and expense; *provided that*, if an Event of Default has occurred and is continuing, then each such inspection, investigation, visitation or other meeting will be at the expense of the Borrower.

(I) sell (x) any Collateral Obligation (or portion thereof) that results in an Excess Concentration Amount, (y) any asset that is neither a Collateral Obligation nor an Eligible Investment or that has a Borrowing Base Value of zero, (i) to third parties on an arm's length basis, or (ii) on arm's length terms to Affiliates of the Borrower that are the Equity Holder or bankruptcy-remote special purpose entities; *provided* that such Affiliates (other than the Equity Holder) are also subject to restrictions on sales of Collateral Obligations to Affiliates which are substantially equivalent to those set forth in (b) below, in each case if and only if (A) the Borrower provides not less than three Business Days' prior written notice to the Administrative Agent and the Lenders setting forth in reasonable detail the portion of the Collateral Obligations to be transferred and the terms of such sales, including proceeds to be received by the Borrower, (B) no Default, Event of Default, Extraordinary Event, WAPG Deficiency or Borrowing Base Deficiency (determined on a pro forma basis after giving effect to such Disposition) has occurred and is continuing or would result therefrom (except in the case of Dispositions

made to cure a Borrowing Base Deficiency or WAPG Deficiency) and (C) the Borrower shall have received written confirmation from the Administrative Agent that the conditions set forth in clauses (A) and (B) in this paragraph are satisfied, *provided* that the Administrative Agent shall make reasonable efforts to provide such confirmation in a timely manner; or

(II) dividend or distribute to the Equity Holder any asset that is neither a Collateral Obligation nor an Eligible Investment, that has a Borrowing Base Value of zero if (A) no Default, Event of Default, Extraordinary Event or WAPG Deficiency (determined on a pro forma basis after giving effect to such dividend or distribution) has occurred and is continuing or would result therefrom (B) the Borrower provides not less than three Business Days' prior written notice to the Administrative Agent and the Lenders setting forth in reasonable detail the portion of the Collateral Obligation or other asset to be transferred, (C) after giving effect to such Disposition, the Borrowing Base is at least 105% of the Loan Amount and (D) the Borrower receives prior written confirmation from the Administrative Agent that clauses (A) through (C) are satisfied;

(III) no more than twice in each calendar month dividend or distribute to the Equity Holder any Collateral Obligation if (A) the Borrower provides not less than five (5) Business Days' prior written notice to the Administrative Agent and the Lenders setting forth in reasonable detail the portion of the Collateral Obligations to be transferred, (B) no Default, Event of Default, Extraordinary Event or WAPG Deficiency (determined on a pro forma basis after giving effect to such dividend or distribution) has occurred and is continuing or would result therefrom, (C) after giving effect to such dividend or distribution, the Borrowing Base is at least 105% of the Loan Amount, (D) the Excess Distribution Requirements are satisfied and (E) the Administrative Agent has not notified the Borrower in writing within five (5) Business Days after receiving such notice of its determination, in its reasonable discretion, that the conditions set forth in this clause (III) would not be satisfied in connection with such dividend or distribution);

provided, in each case under this Section 8.1(a), that the Borrower has provided notice to the Lenders setting forth the price at which such Collateral Obligation is proposed to be sold.

(b) Limit on Affiliate Sales. Borrower shall provide prior notice to the Lenders setting forth the price at which such Collateral Obligation is proposed to be sold. Unless otherwise consented to by the Requisite Lenders (such consent not to be unreasonably withheld, conditioned or delayed), the Aggregate Principal Amount of all Collateral Obligations (other than any Excess Concentration Amount, any transfer in connection with a Permitted Material Securitization and any Collateral Obligation or other asset that has a Borrowing Base Value of zero) sold pursuant hereto to the Equity Holder or an Affiliate thereof (but excluding Collateral Obligations transferred as provided in Section 8.2(f)) in any fiscal year shall not in aggregate exceed 20% of the Net Purchased Loan Balance; provided for the avoidance of doubt that any such disposition shall be in compliance with Section 8.1(a)(i) above.

(c) Application of Sale Proceeds and Principal Proceeds. During and after the Reinvestment Period, all Sale Proceeds and Principal Proceeds shall be applied in accordance with the Priority of Payments applicable thereto on the next succeeding Payment Date. During the Reinvestment Period, amounts received in the Principal Collection Account, or deposited in the Principal Collection Account under the Principal Priority of Payments, may be applied to the Acquisition of Collateral Obligations (or may be deposited in or retained in the Principal Collection Account for investment in Eligible Investments pending Acquisition of Collateral Obligations) in each case in accordance with this Agreement. After the Reinvestment Period, no Principal Proceeds may be reinvested by the Borrower in Collateral Obligations at any time.

(d) Sales of Eligible Investments. Except as otherwise expressly provided herein, none of the Borrower, the Services Provider or the Collateral Agent may at any time sell or permit the sale of any Eligible Investment (other than an Rule 2a7 money market fund) if the Borrower or the Services Provider determines that such Eligible Investment will sell at a price that is below the Borrower's purchase price of such Eligible Investment.

(e) Collateral Acquisition and Disposition Terms. Any transaction involving the Acquisition or sale of Collateral effected under this Agreement shall be conducted on terms no less favorable (to its knowledge) to the Borrower than terms prevailing in the market (as determined by the Services Provider in its business judgment, such judgment not to be called into questions by the occurrence of subsequent events). All sales of Collateral Obligations or any portion thereof pursuant to this Section 8.1 shall be for Cash on a non-recourse basis to the Borrower.

(f) Sales Prior to Stated Maturity. On or prior to the date that is two Business Days prior to the Scheduled Maturity Date, but no earlier than the date that is 90 Business Days prior to the Scheduled Maturity Date, the Borrower shall sell all Collateral Obligations and other securities to the extent necessary such that the Borrower will have sufficient funds to make payment of all amounts due on the Scheduled Maturity Date. The settlement dates for any such sales of Collateral Obligations and other securities shall be no later than two Business Days prior to the Scheduled Maturity Date.

(g) Reinvestment in Collateral Obligations. Whenever the Services Provider is required to use commercially reasonable efforts to direct the reinvestment of Sale Proceeds or Principal Proceeds on behalf of the Borrower under this Section 8.1, such reinvestment shall be subject to market conditions and the availability and suitability of available investments.

(h) Certain Lender Consents after Event of Default, Etc. Following the occurrence and continuation of an Event of Default or the occurrence and continuation of Cause under the Corporate Services Agreements (and after the application of any cure or grace periods), the Services Provider shall obtain the written consent of the Requisite Lenders before acting on behalf of, or otherwise directing, the Borrower, the Collateral Agent or any other person in connection with a sale of Collateral Obligations pursuant to any provision of this Agreement.

8.2. Trading Restrictions.

(a) Other than in the case of a Pre-Approved Cure Collateral Obligation (as defined in the Margining Agreement), in connection with the Acquisition of a Collateral Obligation (whether by purchase, origination, receipt of contribution thereof or otherwise) and prior to entering into a Commitment to Acquire such Collateral Obligation, the Borrower (and the Services Provider on behalf of the Borrower), shall comply with the following procedure:

(i) each proposed Acquisition of a Collateral Obligation shall be submitted in writing for approval to the Administrative Agent, and each such submission shall:

(A) either:

(x) certify that such Collateral Obligation will upon its Acquisition satisfy each of the elements in the definition of such term, satisfies each of the Collateral Obligation Criteria and satisfies each of the Collateral Portfolio Requirements; or

(y) identify each element in the definition of “Collateral Obligation” or in the “Collateral Obligation Criteria” that is not met (with a description in reasonable detail of each such deviation), each of the Collateral Portfolio Requirements that would not be met after giving effect to such Acquisition and whether such Collateral Obligation is a Future Funding Collateral Obligation;

(ii) (x) the Administrative Agent shall specify whether, as to the Lenders, such Collateral Obligation is a “Private Asset” or a “Non-Private Asset”; (y) the Services Provider shall specify whether, as to the Borrower and its Affiliates, such Collateral Obligation is a “Private Asset” or a “Non-Private Asset” (in its sole and absolute discretion); and (z) if and only if both the Requisite Lenders and the Services Provider have designated such Collateral Obligation as a “Private Asset”, then such Collateral Obligation shall be designated as a “Private Asset” hereunder (and, in all other cases, such Collateral Obligation shall be designated as a “Non-Private Asset” hereunder);

(iii) the following information with respect to such Collateral Obligation (collectively, the “**Diligence Information**”), together with a Document Checklist for such Collateral Obligation, shall have been delivered to the Collateral Agent and made available to the Lenders and the Collateral Custodian (it being understood that compliance with any applicable confidentiality restrictions will be required before such delivery, and the Services Provider will use its best efforts to enable the Lenders to deliver applicable confidentiality agreements or otherwise to comply with such restrictions):

(v) (1) with respect to Collateral Obligations that are not Originated Collateral Obligations, copies of all related documents referenced in clause (a) of the definition of “Underlying Instrument” relating to such Collateral Obligation and (2) with respect to Originated Collateral Obligations, copies of all related Draft Instruments and the IC Memorandum relating to such Collateral Obligations;

(w) solely to the extent in the Services Provider’s possession, with respect to Collateral Obligations that are not Originated Collateral Obligations, copies of all related documents referenced in clauses (b) and (c) of the definition of “Underlying Instrument” relating to such Collateral Obligation (*provided* that such documents shall not be deemed to be Custody Documents hereunder);

(x) solely to the extent in the Services Provider’s possession, all appraisal or valuation reports conducted by third parties as may be reasonably requested by the Requisite Lenders (provided that such documents shall not be deemed to be Custody Documents hereunder); and

(y) [Reserved]; and

(z) solely to the extent in the Services Provider’s possession, all other information customary and typical in performing a detailed credit analysis and as may be reasonably requested by the Requisite Lenders, including corporate organization charts of the obligors (to the extent available to the Services Provider) and information concerning the relationship of such obligor to the Borrower and the Services Provider and their respective Affiliates (provided that such documents shall not be deemed to be Custody Documents hereunder);

(iv) upon receipt of the request for approval and all Diligence Information, within five Business Days, the Administrative Agent (with the consent of the Requisite Lenders) shall either (x) approve the Acquisition of such Collateral Obligation (and, in connection with such approval, determine the Assigned Price, Advance Rate and Initial FX Rate for such Collateral Obligation as of the approval date and the Additional Value Adjustment Events (if any) for such Collateral Obligation), or (y) reject the Acquisition of such Collateral Obligation (any such rejected Acquisition, an “**Actual Rejected Acquisition**”);

(v) at the time of such Acquisition, the Borrower shall comply with its obligations under Section 6.7(e) or (f), as applicable; and

(vi) unless otherwise expressly consented to by the Requisite Lenders, each Collateral Portfolio Requirement will be satisfied (of, if any such requirement was not satisfied immediately prior to such Acquisition or Commitment to be Acquired, such requirement or test will be maintained or improved after giving effect to the Acquisition) (the “**Maintain or Improve Standard**”); provided that the requirements of this clause (vi) shall not apply to the Acquisition of any portion of a Collateral Obligation that would result in an Excess Concentration Amount.

For all purposes hereof and the other Transaction Documents, the Borrower and the Services Provider will be deemed to have satisfied their obligations to deliver Diligence Information to the Collateral Agent under clause (iv) above to the extent such material has been made available to the Collateral Agent and the Collateral Custodian in the Transaction Data Room and the Borrower shall have provided written notice (email is sufficient) to the Collateral Custodian two Business Days prior to the date original and/or electronic copies of Diligence Information under clause (iv) above is delivered to the Collateral Custodian.

Upon reasonable request by the Borrower, the Calculation Agent shall from time to time provide to the Borrower its good faith estimate of the expected Assigned Price of any potential Collateral Obligation.

The Lenders will be deemed to have waived any of the requirements in the definition of “Collateral Obligation”, any of the requirements in the Collateral Obligation Criteria and any deviation from the Collateral Portfolio Requirements not otherwise permitted hereunder (each, a “**Portfolio Waiver**”) if (and only if) (1) each such deviation or non-compliance is expressly disclosed to the Lenders in writing pursuant to Section 8.2(a)(i) and (2) after receipt of such writing, the Specified Lender Parties have expressly consented in writing to the Acquisition of such Collateral Obligation hereunder. For the avoidance of doubt, no Collateral Obligations shall be Acquired by the Borrower unless consent of the Requisite Lenders and, in the case of an Acquisition requiring a Portfolio Waiver, the Specified Lender Parties (in their sole and absolute discretion) has been obtained therefor.

(b) In connection with the holding of a Collateral Obligation by the Borrower, and for as long as such Collateral Obligation remains part of the Collateral Portfolio, the Borrower, or the Services Provider on its behalf, shall use commercially reasonable efforts to provide:

(i) upon request of the Requisite Lenders, as soon as practically available, to the Collateral Custodian (to be held by the Collateral Custodian hereunder on behalf of the Secured Parties as “Custody Documents”) all amendments, modifications and supplements of and all waivers in respect of each Underlying Instrument; and

(ii) in connection with the delivery of any items as described in clause (1) above, an updated Document Checklist for such Collateral Obligation.

(c) Notwithstanding anything to the contrary herein, for the avoidance of doubt, there shall be no reinvestment in any Collateral Obligations after the end of the Reinvestment Period.

(d) Notwithstanding anything to the contrary herein, neither the Borrower (nor the Services Provider on its behalf) will at any time Commit to Acquire any Collateral Obligation unless at the time of such Commitment the Borrower, in its commercially reasonable judgment, believe there is or will be an amount of funds on deposit in the Principal Collection Account in the relevant currency, together with amounts that may be borrowed hereunder in compliance with the terms and conditions set forth herein, that is equal to or greater than the full amount required by the Borrower to Acquire such Collateral Obligation (and all other Collateral Obligations that the Borrower has Committed to Acquire but that have not yet settled).

(e) In connection with the Acquisition of any Collateral Obligation after the Closing Date, the Borrower (or the Services Provider on their behalf) shall deliver to the Collateral Agent an Officer's certificate certifying that such Acquisition complies with this Section 8.2 (determined as of the date that the Borrower Commits to make the purchase); *provided* that such requirement shall be satisfied, and such certification shall be deemed to have been made in respect of such Acquisition, by the delivery to the Collateral Agent of a Borrower Order or other direction or a trade ticket in respect thereof that is provided by an Authorized Officer of the Services Provider.

(f) In connection with the Acquisition of any Collateral Obligation, the Borrower and the Administrative Agent, at the time of such Acquisition, shall agree whether such Collateral Obligation is a Pre-Approved Cure Collateral Obligation and the total principal amount, in excess of the Borrower's initial Acquisition, that the Borrower may Acquire to cure a Borrowing Base Deficiency.

8.3. Affiliate Transactions.

The Borrower will not have the right or ability to sell to an Affiliate any Collateral Obligation except any sale, dividend or distribution permitted under Section 8.1(a). All sales to Affiliates shall be made on terms and conditions consistent with those of an arm's length transaction at fair market value. The Borrower will not have the right or ability to Acquire Collateral Obligations from any Affiliate except for Acquisitions from Affiliates conducted on terms and conditions consistent with those of an arm's length transaction at fair market value. The Collateral Agent shall have no obligation to verify compliance with this Section 8.3.

8.4. Purchase and Delivery of Collateral Obligations and Other Actions.

(a) Investment in Collateral Obligations. The Services Provider on behalf of the Borrower shall seek to invest the net proceeds of borrowings hereunder in Collateral Obligations in accordance with the provisions hereof and of the other Transaction Documents. Subject to the provisions of this Section 8.4, all or any portion of such net proceeds may be applied prior to the end of the Reinvestment Period to Acquire a Collateral Obligation or one or more Eligible Investments for inclusion in the Collateral upon:

(1) in the case of an Acquisition of a Collateral Obligation, compliance with the conditions to Acquire such Collateral Obligation on this Section 8; and

(2) receipt by the Collateral Agent of a Borrower Order with respect thereto directing the Collateral Agent to pay out the amount specified therein against delivery of the Collateral Obligations or Eligible Investments specified therein.

(b) Investment in Eligible Investments. Any portion of the net proceeds of any Loans hereunder that is not invested in Collateral Obligations at 3:00 p.m., New York City time, on any Business Day during the Reinvestment Period shall, on the next succeeding Business Day or as soon as practicable thereafter, be invested in Eligible Investments as directed by the Services Provider in writing (which may be in the form of standing instructions).

(c) Schedule of Collateral Obligations. The Borrower shall cause to be delivered to the Collateral Agent, the Collateral Administrator Parties, the Administrative Agent and the Lenders, as promptly as practicable on or after each Acquisition of Collateral Obligations, either an amended Schedule of Collateral Obligations or a list of Collateral Obligations setting forth all Collateral Obligations Acquired by the Borrower on or prior to such date, which schedule or list shall supersede any prior Schedule of Collateral Obligations delivered hereunder and which schedule or list shall include all Collateral Obligations held as of such date.

8.5. Amendments to Underlying Instruments.

(a) In the performance of its obligations hereunder, so long as no Event of Default shall have occurred and be continuing, the Borrower (or the Services Provider on its behalf) may enter into any amendment or waiver of, or supplement to, any Underlying Instrument (each, an “**Amendment**”); *provided that*:

(1) the Borrower shall deliver to the Administrative Agent a summary of such Amendment, along with a description of the rationale of such request and the then-most recent available draft documentation in connection therewith (each, a “**Draft Amendment Package**”) and provide notice to the Lenders thereof (it being understood that posting such Draft Amendment Package to the Transaction Data Room does not constitute delivery or notice, as applicable, for such purposes but that notice to the Lenders that a Draft Amendment Package is available in the Transaction Data Room does constitute notice to the Lenders for such purpose) at least ten (10) Business Days prior to the effective date of such Amendment (the period prior to the Administrative Agent taking action with respect to such Draft Amendment Package or the expiration of such ten (10) Business Day period, the related “Approval Period”);

(2) if such Amendment is a Material Amendment or otherwise would effect a Specified Change:

(A) a Value Adjustment Event shall occur with respect to the related Collateral Obligation (whether or not such Amendment has been consented to or rejected by the Administrative Agent or the Lenders) as provided in the definitions of “Value Adjustment Event” and “Specified Change”; and

(B) unless (i) the Administrative Agent has expressly consented to such Amendment (such consent to be granted or withheld in the Administrative Agent’s sole and absolute discretion) or (ii) the Administrative Agent (x) has received from the Borrower a second notice of such Amendment five (5) Business Days following the receipt of the Draft Amendment Package and (y) shall fail to object to such Amendment within five (5) Business Days following the receipt of such second notice, the Borrowing Base Value of such Collateral Obligation shall be zero upon the effective date of such Amendment; provided that the Requisite Lenders acting in a commercially reasonable manner may (so long as the Administrative Agent has not already provided consent thereto) object to such Amendment by providing notice thereof as soon as reasonably practicable to the Administrative Agent, in which case the Borrowing Base Value of the such Collateral Obligation shall be zero upon the delivery of such notice;

(3) if such Amendment constitutes a Material Amendment (but does not otherwise constitute a Specified Change) but the Administrative Agent has provided written notice within the Approval Period that the Administrative Agent will not treat such Amendment as a Value Adjustment Event, then no Value Adjustment Event shall result from the execution of such Amendment.

(b) If an Event of Default has occurred and is continuing, the Borrower (or the Services Provider on their behalf) may not enter into any Amendment with respect to any Collateral Obligation unless the Requisite Lenders have otherwise consented to such Amendment in their sole and absolute discretion. If an Event of Default has occurred and is continuing, the Borrowing Base Value of any Collateral Obligation that is the subject of a Specified Change or an Amendment for which the Requisite Lenders has not granted their consent shall be zero.

(c) The Borrower shall deliver executed copies of all Amendments to the Administrative Agent and the Lenders within three Business Days of execution thereof, which executed documentation shall be consistent in all material respect with the documentation included in the Draft Amendment Package, unless otherwise consented to by the Requisite Lenders in their sole and absolute discretion.

Notwithstanding the foregoing provisions in this Section 8.5, the Borrower may extend the delivery dates for underlying deliverables (i.e. financial statements, officer certificates and similar documentary items) under the Underlying Instruments for each Collateral Obligation, in each case up to a maximum of 30 days, without the consent of the Administrative Agent or any Lender.

SECTION 9. EVENTS OF DEFAULT

If any one or more of the following conditions or events shall occur (each, an “**Event of Default**”):

(a) Failure to Make Payments When Due. Failure by the Borrower to pay:

- (1) any principal of any Loan at the Maturity Date; or
- (2) with respect to any Disposition during the Amortization Period, principal of the Loans on the date of such Disposition in an amount equal to the Individual Realization Application Amount for such Disposition; or
- (3) with respect to any other realization of Principal Proceeds during the Amortization Period, principal of the Loans on the date of such other realization in an amount equal to the Individual Realization Application Amount for such realization within two Business Days after the receipt of the relevant amount has been notified to the Borrower or otherwise determined by the Services Provider in good faith; or
- (4) [reserved]
- (5) any amount payable in connection with a Clean-Up Call Prepayment pursuant to Section 2.9(b) within 10 Business Days of the occurrence of the related Clean-Up Call Event; or
- (6) when due any installment of principal of any Loan (in each case, whether by notice of voluntary prepayment or otherwise, but excluding payments referred to in clauses (1) through (5) above or prepayments for which notice of such prepayment was conditional or notice of such prepayment was revoked by the Borrower) within two Business Days after the notice of prepayment was submitted; or
- (7) any interest on any Loan, any Minimum Spread Payment, any Make-Whole Amount or any fee or any other amount due hereunder (other than payment of amounts under the Margining Agreement) and continuation of such failure for a period of five Business Days following written notice of such failure being provided by the Administrative Agent (or, in the case of a default in payment resulting solely from an administrative error or omission by the Collateral Agent, such default continues for a period of seven or more Business Days after the Collateral Agent receives written notice of or a Trust Officer has knowledge of such administrative error or omission); or
- (8) the failure on any Payment Date to disburse amounts available in the Payment Account in excess of U.S.\$50,000 in accordance with the Priority of Payments and continuation of such failure for a period of 10 Business Days (*provided* that, if such failure results solely from an administrative error or omission by the Collateral Agent, such default continues for a period of 10 or more Business Days after the Collateral Agent receives written notice of or a Trust Officer has knowledge of such administrative error or omission);

(b) Breach of Certain Covenants. Failure of any Credit Party:

- (1) to perform or comply with any obligation under Section 2(a) of the Margining Agreement within the time period set forth therein; or

- (3) to perform or comply with any term or condition contained in Section 5.9, Section 5.10 or Section 5.11(a), which failure is in each case not cured within five days after the earlier of (A) an Authorized Officer of such Credit Party obtaining knowledge of such default or (B) receipt by the Borrower and the Services Provider of notice from the Administrative Agent or any Lender of such failure; or
- (4) to perform or comply with any term or condition contained in Section 5.14, which failure is in each case not cured:
 - (x) with respect to delivery of Specified Information pursuant to subparagraphs (4) and (5) on Schedule A, within the applicable Specified Information Delivery Grace Period; and
 - (y) with respect to the other provisions in Section 5.14, within five days after the earlier of (A) an Authorized Officer of such Credit Party obtaining knowledge of such failure or (B) receipt by the Borrower and the Services Provider of notice from the Administrative Agent or any Lender of such failure; or

(c) Breach of Representations, Etc. Any representation, warranty, certification or other statement made or deemed made by or on behalf of any Credit Party in any Transaction Document or in any statement or certificate at any time given by or on behalf of any Credit Party in writing pursuant hereto or thereto or in connection herewith or therewith shall be false in any material respect as of the date made or deemed made and such failure shall not have been remedied or waived within 15 days after the earlier of (1) an Authorized Officer of such Credit Party obtaining knowledge of such false statement or (2) receipt by the Borrower and the Services Provider of notice from the Administrative Agent or any Lender of such false statement; or

(d) Other Defaults Under Transaction Documents. Any Credit Party shall default in the performance of or compliance with any term contained herein or any of the other Transaction Documents, other than any such term referred to in any other paragraph of this Section 9, and such default shall not have been remedied or waived within 10 Business Days after the earlier of (1) an Authorized Officer of such Credit Party obtaining knowledge of such default or (2) receipt by the Borrower and the Services Provider of notice from the Administrative Agent or any Lender of such default; or

(e) Involuntary Bankruptcy; Appointment of Receiver, Etc. (1) A court of competent jurisdiction shall enter a decree or order for relief in respect of any Credit Party in an involuntary case under any Debtor Relief Laws now or hereafter in effect, which decree or order is not stayed; or any other similar relief shall be granted under any applicable federal or state law; or (2) an involuntary case shall be commenced against any Credit Party under any Debtor Relief Laws now or hereafter in effect; or a decree or order of a court having jurisdiction in the premises for the appointment of a receiver, liquidator, sequestrator, trustee, custodian or other officer having similar powers over any Credit Party, or over all or a substantial part of its property, shall have been entered; or there shall have occurred the involuntary appointment of an interim receiver, trustee or other custodian of any Credit Party for all or a substantial part of its property; or a warrant of attachment, execution or similar process shall have been issued against any substantial part of the property of any Credit Party, and any such event described in this clause (3) shall continue for 15 days without having been dismissed, bonded or discharged; or

(f) Voluntary Bankruptcy; Appointment of Receiver, Etc. (1) Any Credit Party shall have an order for relief entered with respect to it or shall commence a voluntary case under any Debtor Relief Laws now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case, or to the conversion of an involuntary case to a voluntary case, under any such law, or shall consent to the appointment of or taking possession by a receiver, trustee or other custodian for all or a substantial part of its property; or any Credit Party shall make any assignment for the benefit of creditors; or (2) any Credit Party shall be unable, or shall fail generally, or shall admit in writing its inability, to pay its debts as such debts become due; or the board of directors (or similar governing body) of any Credit Party (or any committee thereof) shall adopt any resolution or otherwise authorize any action to approve any of the actions referred to herein or in clause (e) above; or

(g) Dissolution. Any order, judgment or decree shall be entered against any Credit Party decreeing the dissolution or split up of such Credit Party and such order shall remain undischarged or unstayed for a period in excess of 15 days; or

(h) Collateral Documents, Etc. At any time after the execution and delivery thereof, (1) any Collateral Document ceases to be in full force and effect (other than by reason of a release of Collateral in accordance with the terms hereof or thereof or the satisfaction in full of the Obligations in accordance with the terms hereof) or shall be declared null and void, or the Collateral Agent shall not have or shall cease to have a valid and perfected Lien in any Collateral purported to be covered by the Collateral Documents with the priority required by the relevant Collateral Document, in each case for any reason other than the failure of the Collateral Agent or any other Secured Party to take any action within its control; or (2) any Credit Party shall contest the validity or enforceability of any Transaction Document in writing or deny in writing that it has any further liability, including with respect to future advances by Lenders, under any Transaction Document to which it is a party or shall contest the validity or perfection of any Lien in any Collateral purported to be covered by the Collateral Documents; or

(i) Investment Company. Any Credit Party (other than the Fund) or the portfolio of Collateral becomes an “Investment Company” required to be registered under the Investment Company Act and such status continues unremedied for 45 days; or

(j) ERISA. The Equity Holder or the Borrower maintains or contributes to any Pension Plan or Multiemployer Plan; or an ERISA Event shall have occurred that, when taken together with all other ERISA Events that have occurred, would reasonably be expected to result in a Material Adverse Effect; or

(k) [Reserved].

(l) Services Provider-Related Events, Etc. A Cause Event shall occur; or any other “cause” shall occur under a Corporate Services Agreement; or the Services Provider shall be removed with cause, or be subject to removal for cause, as Administrator of the Borrower or the Parent unless replaced concurrently with the effectiveness of such removal by a replacement administrator reasonably acceptable to the Administrative Agent; or

Failure of the Fund at any time to hold, directly, 100% of the issued and outstanding equity interests of the Borrower or to have at least the same material rights, powers and degree of participation in the operations and management of the Borrower as in effect on the Closing Date.

THEN, (1) upon the occurrence of any Event of Default described in Section 9 (e) or 9(f), automatically, and (2) upon the occurrence and during the continuance of any other Event of Default, at the request of (or with the consent of) the Requisite Lenders, upon notice to the Borrower by the Administrative Agent (A) the Commitments, if any, of each Lender shall immediately terminate and (B) each of the following shall immediately become due and payable, in each case without presentment, demand, protest or other requirements of any kind, all of which are hereby expressly waived by each Credit Party:

(A) the unpaid principal amount of and accrued interest on the Loans, and

(B) all other Obligations,

and the Administrative Agent may cause the Collateral Agent to enforce any and all Liens and security interests created pursuant to and subject to the terms and limitations of the Collateral Documents.

For the avoidance of doubt, any failure of any Reinvestment Criteria to be satisfied on any date shall not constitute, in itself, a Default or Event of Default under any Transaction Document.

SECTION 10. THE AGENTS

10.1. Appointment of Agents.

(a) Goldman Sachs is hereby appointed Syndication Agent hereunder, and each Lender hereby authorizes Goldman Sachs to act as Syndication Agent in accordance with the terms hereof and the other Transaction Documents. The Syndication Agent, without consent of or notice to any party hereto, may assign any and all of its rights or obligations hereunder to any of its Affiliates. As of the Closing Date, Goldman Sachs, in its capacity as Syndication Agent, shall not have any obligations but shall be entitled to all benefits of this Section 10. The Syndication Agent may resign from such role at any time, with immediate effect, by giving prior written notice thereof to the Administrative Agent and the Borrower.

(b) Goldman Sachs is hereby appointed the Administrative Agent hereunder and under the other Transaction Documents and each Lender hereby authorizes Goldman Sachs to act as the Administrative Agent in accordance with the terms hereof and the other Transaction Documents.

(c) State Street Bank and Trust Company is hereby appointed the Collateral Agent hereunder and under the other Transaction Documents to which the Collateral Agent is a party, and each Lender hereby authorizes it to act as Collateral Agent in accordance with the terms hereof and thereof.

(d) Each Agent hereby agrees to act in its capacity as such upon the express provisions contained herein and the other Transaction Documents to which it is a party, as applicable. The provisions of this Section 10 are solely for the benefit of Agents and the Lenders and no Credit Party shall have any rights as a third party beneficiary of any of the provisions of this Section 10. In performing its functions and duties hereunder, each Agent shall act solely as an agent of Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for any Credit Party. No implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into any Transaction Document or otherwise exist against any Agent. It is understood and agreed that the use of the term "agent" herein or in any Transaction Documents (or any other similar term) with reference to the Administrative Agent, the Collateral Agent, the Collateral Administrator, the Collateral Custodian or the Accounts Securities Intermediary is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties. The permissive authorizations, entitlements, powers and rights granted to the Agents in the Transaction Documents shall not be construed as duties.

10.2. Powers and Duties.

Each Lender irrevocably authorizes each Agent to take such action on such Lender's behalf and to exercise such powers, rights and remedies hereunder and under the other Transaction Documents to which it is a party as are specifically delegated or granted to such Agent by the terms hereof and thereof, together with such powers, rights and remedies as are reasonably incidental thereto. Each Agent shall have only those duties and responsibilities that are expressly specified herein and the other Transaction Documents to which it is a party, and each Agent shall not be liable except for the performance of such duties and responsibilities as are expressly specified herein and therein. Each Agent may exercise such powers, rights and remedies and perform such duties by or through its agents or employees, and no Agent shall be responsible for any misconduct or gross negligence on the part of any such agent or employee appointed by it with due care. No Agent shall have, by reason hereof or any of the other Transaction Documents, a fiduciary relationship in respect of any Lender or any other Person; and nothing herein or any of the other Transaction Documents, expressed or implied, is intended to or shall be so construed as to impose upon any Agent any obligations in respect hereof or any of the other Transaction Documents except as expressly set forth herein or therein.

The Agents shall not be liable for any action taken or not taken by them (1) at the direction of the Borrower or the Services Provider as provided in this Agreement or the other Transaction Documents, (2) with the consent of or at the request or direction of the Requisite Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Agents shall believe in good faith shall be necessary, to give such request or direction hereunder), or, solely with respect to the Collateral Agent, the Collateral Administrator or the Collateral Custodian with the consent of or at the written direction of the Administrative Agent or (3) in the absence of their own gross negligence or willful misconduct as determined by a court of competent jurisdiction by a final non-appealable judgment.

The Lenders hereby direct each of the Agents, as applicable, to execute and deliver the Transaction Documents to which they are a party, respectively, on or prior to the Closing Date and to execute and deliver additional Transaction Documents from time to time (upon written direction by the Requisite Lenders or, solely with respect to the Collateral Custodian, upon written direction by the Administrative Agent). It is hereby expressly acknowledged and agreed that, in taking any of the foregoing actions, the Agents are not responsible for the terms or contents of such agreements, or for the validity or enforceability thereof, or the sufficiency thereof for any purpose. Whether or not so expressly stated therein, in entering into, or taking (or forbearing from) any action under pursuant to, the Transaction Documents, the Agents each shall have all of the rights, immunities, indemnities and other protections granted to them under this Agreement (in addition to those that may be granted to them under the terms of such other agreement or agreements).

10.3. General Immunity.

(a) No Agent shall be responsible to any Person for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency hereof or any other Transaction Document or for any representations, warranties, recitals or statements made herein or therein or made in any written or oral statements or in any financial or other statements, instruments, reports or certificates or any other documents furnished or made by any Agent to the Lenders or by or on behalf of any Credit Party to any Agent or any Lender in connection with the Transaction Documents and the transactions contemplated thereby or for the financial condition or business affairs of any Credit Party or any other Person liable for the payment of any Obligations, nor shall any Agent be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained in any of the Transaction Documents or as to the use of the proceeds of the Loans or as to the existence or possible existence and continuation of any Event of Default or Default or to make any disclosures with respect to the foregoing. Anything contained herein to the contrary notwithstanding, the Administrative Agent shall not have any liability arising from confirmations of the amount of outstanding Loans or the component amounts thereof.

(b) No Agent nor any of its officers, partners, directors, employees or agents shall be liable for any action taken or omitted by any Agent under or in connection with any of the Transaction Documents except to the extent caused by such Agent's gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction. Each Agent shall be entitled to refrain from any act or the taking of any action (including the failure to take an action) in connection herewith or any of the other Transaction Documents or from the exercise of any power, discretion or authority vested in it hereunder or thereunder unless and until such Agent shall have received instructions in respect thereof from the Requisite Lenders (or such other Lenders as may be required to give such instructions hereunder) or, solely with respect to the Collateral Agent, the Collateral Administrator or the Collateral Custodian, written instructions in respect thereof from the Administrative Agent and, upon receipt of such instructions from the Requisite Lenders (or such other Lenders, as the case may be) or the Administrative Agent, such Agent shall be entitled to act or (where so instructed) refrain from acting, or to exercise such power, discretion or authority, in accordance with such instructions, including for the avoidance of doubt refraining from any action that, in its opinion or the opinion of its counsel, may be in violation of the automatic stay under any Debtor Relief Law. Without prejudice to the generality of the foregoing, (1) each Agent shall be entitled to rely, and shall be fully protected in relying, upon any resolution, officer's certificate, opinion of counsel, certificate of auditors or any other certificate, statement, communication, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document believed by it to be genuine and to have been signed or sent by the proper Person or Persons, and shall be entitled to rely and shall be protected in relying on opinions and judgments of attorneys (who may be attorneys for such Agent or any Credit Party), accountants, experts and other professional advisors selected by it; and (2) no Lender or any other person shall have any right of action whatsoever against any Agent as a result of such Agent acting or (where so instructed)

refraining from acting hereunder or any of the other Transaction Documents in accordance with the instructions of the Requisite Lenders (or such other Lenders as may be required to give such instructions hereunder) or the Administrative Agent. For all purposes herein and the Transaction Documents, the Collateral Agent and the Collateral Custodian may accept and act upon instructions and consents provided by the Administrative Agent as if such instructions and consents were provided by the Requisite Lenders directly.

(c) Each Agent may perform any and all of its duties and exercise its rights and powers under this Agreement or under any other Transaction Document by or through any one or more sub-agents appointed by such Agent, *provided* that the Administrative Agent may do so only with the consent of the Borrower (not to be unreasonably withheld). Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates (each also a “**sub-agent**”). The exculpatory, indemnification and other provisions of this Section 10 shall apply to any Affiliates, receivers, delegates or sub-agents of the Agents and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein (in the case of the Syndication Agent) as well as any other activities as the Agents. All of the rights, benefits, and privileges (including the exculpatory and indemnification provisions) of this Section 10 shall apply to any such sub-agent, receiver or delegate and to the Affiliates of any such sub-agent, receiver or delegate, and shall apply to their respective activities as sub-agent, receiver or delegate as if such sub-agent, receiver or delegate and its respective Affiliates were named herein. Notwithstanding anything herein to the contrary, with respect to each sub-agent appointed by the Agents and each receiver and delegate, (1) such sub-agent, receiver or delegate shall be a third party beneficiary under this Agreement with respect to all such rights, benefits and privileges (including exculpatory rights and rights to indemnification) and shall have all of the rights and benefits of a third party beneficiary, including an independent right of action to enforce such rights, benefits and privileges (including exculpatory rights and rights to indemnification) directly, without the consent or joinder of any other Person, against any or all of Credit Parties and the Lenders, (2) such rights, benefits and privileges (including exculpatory rights and rights to indemnification) shall not be modified or amended without the consent of such sub-agent, receiver or delegate, and (3) such sub-agent, receiver or delegate shall only have obligations to the respective Agent and not to any Credit Party, Lender or any other Person and no Credit Party, Lender or any other Person shall have any rights, directly or indirectly, as a third party beneficiary or otherwise, against such sub-agent, receiver or delegate. The Agents shall not be responsible for the conduct of such sub-agents, receivers, delegates or attorneys appointed by them with due care.

(d) No Agent shall be deemed to have knowledge of any Default, Event of Default or Make-Whole Event unless and until written notice describing such circumstance or event is given to an Authorized Officer of such Agent by the Borrower or a Lender and states that it is a notice of such circumstance or event. In the absence of receipt of such notice, each Agent may conclusively assume that there is no Default, Event of Default or Make-Whole Event. Upon receipt of any such notice, the relevant Agent shall have no duty or obligation in connection therewith unless and until directed

by the Requisite Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Agents shall believe in good faith shall be necessary, to give such direction hereunder) or, with respect to directions to the Collateral Agent, the Collateral Administrator or the Collateral Custodian, the Administrative Agent. No Agent shall have any duty to take any action to determine whether any such circumstance or event has occurred. Except as expressly provided herein, delivery of reports, documents and other information to any Agent is for informational purposes only and such Agent's receipt of the foregoing shall not constitute constructive knowledge of any event or circumstance or any information contained therein or determinable from information contained therein or any other related document. Except with respect to written notices of Defaults and Events of Default of which an Authorized Officer of the applicable Agent has actual knowledge, information contained in notices, reports or other documents delivered to such Agent and other publicly available information shall not constitute actual or constructive knowledge. In the absence of receipt of such notice or knowledge, the applicable Agent may conclusively assume that there is no Default or Event of Default. Knowledge of notices or other documents delivered to any Agent in any capacity shall not constitute knowledge of or delivery to (1) such Agent in any other capacity under the Transaction Documents or to any Affiliate or other division of such Agent or (2) any other Agent. The Collateral Agent, the Collateral Administrator and the Collateral Custodian shall not have any duty, obligation or liability to access the Transaction Data Room unless directed to do so by the Requisite Lenders or the Administrative Agent.

(e) The powers conferred on the Collateral Agent under the Transaction Documents are solely to protect the Secured Parties' interests in the Collateral, shall not impose any duty upon the Collateral Agent to exercise any such powers and are subject to the provisions of this Agreement. Neither the Collateral Agent nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act, except for gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction. The Collateral Agent shall not have any responsibility for taking any necessary steps to protect, preserve or exercise rights against any Person with respect to any of the Collateral (except to the extent expressly required in this Agreement and the other Transaction Documents to which it is a party) and the Collateral Agent shall be relieved of all responsibility for the Collateral upon surrendering it to the Borrower in accordance with the terms and conditions set forth herein and in the other Transaction Documents.

(f) Notwithstanding any provision of this Agreement or the other Transaction Documents to the contrary, no Agent shall have any obligation to take any discretionary action under this Agreement or any Transaction Document and before taking or omitting any action to be taken or omitted by an Agent under the terms of this Agreement and the other Transaction Documents, such Agent may seek the written direction of the Requisite Lenders or, solely with respect to direction to a Bank Party, a Collateral Administrator Party or the Collateral Custodian, the Administrative Agent (which written direction may be in the form of an e-mail), and such Agent shall be entitled to rely (and shall be fully protected in so relying) upon such direction. The Agents shall not be liable with respect to any action taken or omitted to be taken by it in accordance with such direction. In

absence of such direction with respect to any action or inaction, such Agent shall be entitled to refrain from such action unless and until such Agent shall have received such direction, and such Agent shall not incur liability to any Person by reason of so refraining. In the absence of an express statement in the Transaction Documents regarding which Lender shall direct in any circumstance, the direction of the Requisite Lenders shall apply and be sufficient for all purposes. Any provision of this Agreement or the other Transaction Documents authorizing any Agent to take any action shall not obligate such Agent to take such action.

(g) No Agent shall have any obligation whatsoever to any Lender or to any other Person to assure that the Collateral exists or is owned by the Person purporting to own it or is cared for, protected, or insured or has been encumbered or that the Liens granted to the Collateral Agent herein or pursuant to the Transaction Documents have been properly or sufficiently or lawfully created, perfected, protected, or enforced, or are entitled to any particular priority. No Agent shall be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall any Agent be responsible or liable for any failure to monitor or maintain any portion of the Collateral or to protect against any diminution in value of the Collateral.

(h) No Agent shall be under any obligation to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Transaction Document, or to inspect the properties, books or records of the Borrower, any Affiliate thereof or any other Person. Without limiting the generality of the foregoing, in no event shall any Agent have any responsibility or liability with respect to any instrument, certificate or report furnished pursuant to the Transaction Documents, or with respect to any calculations not expressly to be determined by such Agent.

(i) No Agent shall ever be required to use, risk or advance its own funds or otherwise incur financial liability in the performance of any of its duties or the exercise of any of its rights and powers under this Agreement or under the other Transaction Documents (and, without limiting the foregoing, no Agent, in its capacity as such, shall have any obligation to grant any credit extension or to make any advance hereunder). In no event shall any Agent be liable, directly or indirectly, for any special, punitive, indirect or consequential damages (including lost profits), even if such Agent has been advised of the possibility of such damages and regardless of the form of action. No Agent shall be responsible for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes, terrorist attacks or other disasters.

(j) Each Agent shall be fully justified in failing or refusing to take any action under any Transaction Document unless it shall first receive written direction of the Requisite Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Agents shall believe in good faith shall be necessary, to give such advice or concurrence hereunder or thereunder) or, solely with respect to a Bank Party, a Collateral Administrator Party or the Collateral Custodian, the Administrative Agent (and shall not be liable for any loss or expense that arises as a result of its failure to act while awaiting such advice or concurrence) and, if it so requests, it shall first be indemnified to its satisfaction by the Requisite Lenders (or such other Lenders) against any and all liability and expense which may be incurred by it by reason of taking or continuing to take, or omitting to take any such action.

(k) Each Agent shall be entitled to consult with and rely upon advice of counsel concerning legal matters and such advice shall be full protection and authorization for any action taken or omitted by such Agent in good faith thereon.

(l) In connection with the delivery of any information to any Agent by the Services Provider, the Borrower or any other Person to be used by such Agent in connection with the preparation or distribution of calculations or reports or the performance or other duties under the Transaction Documents, such Agent is entitled to conclusively rely on the accuracy of any such information and shall not be required to investigate or reconfirm its accuracy and shall not be liable in any manner whatsoever for any errors, inaccuracies or incorrect information resulting from the use of such information.

(m) If any Agent shall require any information to perform its duties under the Transaction Documents, the Borrower shall provide, or shall instruct the Services Provider to provide, such information to such Agent promptly upon request, in each case so long as such information is within the possession of the Borrower or the Services Provider and is able to be delivered without breaching any obligations of confidentiality or other contractual or similar restrictions.

(n) At any time and from time to time, the Collateral Agent may request information from the Administrative Agent as to the identity of the Requisite Lenders or any other Lender, and the Administrative Agent will endeavor to provide such information reasonably promptly. The Collateral Agent shall be entitled to fully rely on such information from the Administrative Agent and the Collateral Agent shall have no duty, obligation or liability with respect to the identity or amount of Loans held by any Lender or the calculation of the Requisite Lenders. Without limiting the foregoing, the Collateral Agent shall be entitled to request and receive from the Administrative Agent all necessary information in respect of each Lender for purposes of making distributions to such Lender hereunder. The Collateral Agent shall have no liability for any failure or delay in taking any action hereunder as a result of a failure or delay on the part of the Administrative Agent (or the related Lender) to provide such information to the Collateral Agent.

(o) Each Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to such Agent and conforming to the requirements of this Agreement.

(p) No Agent shall be liable for an error of judgment made in good faith unless it shall be finally proved that the Agent was negligent in ascertaining the pertinent facts.

(q) No Agent shall have any duty (1) to see to any recording, filing, or depositing of this Agreement or any Transaction Documents referred to herein or any Financing Statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording or filing or depositing or to any rerecording, refiling or redepositing of any thereof, (2) to see to any insurance or (3) to see to the payment or discharge of any tax, assessment, or other governmental charge or any lien or encumbrance of any kind owing with respect to, assessed or levied in connection with this Agreement (except as set forth in Section 2.15).

(r) No Agent nor any of its officers or employees shall be required to ascertain whether any borrowing hereunder (or any amendment or termination of this Agreement) has been duly authorized or is in compliance with any other agreement to which the Borrower is a party (whether or not the Agent is also a party to such other agreement).

(s) No Agent shall be required to give any bond or surety in respect of the execution of this Agreement.

(t) No Agent shall be obligated to monitor or confirm, on a continuing basis or otherwise, any Person's compliance with the covenants described herein or with respect to any reports or other documents filed under this Agreement or any other related document.

(u) No Agent shall be under any obligation to exercise any of the rights vested in it by this Agreement or to enforce any remedy or realize upon any of the Collateral unless (1) it has been directed to take such action by the Administrative Agent or the Requisite Lenders, and (2) it has been offered security or indemnity satisfactory to it against the costs, expenses and liabilities (including fees and expenses of its agents and counsel) that might be incurred by it in compliance with such request or direction. No Agent shall be held liable for any action or inaction taken in accordance with the directions of the Administrative Agent or the Requisite Lenders.

(v) No Agent shall be liable for the actions or omissions of the Services Provider, and without limiting the foregoing, no Agent shall (except to the extent expressly provided in this Agreement) be under any obligation to monitor, evaluate or verify compliance by the Services Provider with the terms hereof or the Corporate Services Agreements, or to verify or independently determine the accuracy of information received by it from the Services Provider (or from any selling institution, agent bank, trustee or similar source) with respect to the Collateral and no Agent shall have any additional duties following the resignation or removal of the Services Provider.

(w) No Agent shall have any obligation to determine: (i) if a Collateral Obligation meets the criteria or eligibility restrictions imposed by this Agreement or other Transaction Document or (ii) whether the conditions specified in the definition of “Delivered” under the Pledge and Security Agreement have been complied with.

(x) In making or disposing of any investment permitted by this Agreement, the Collateral Agent is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, whether it or such Affiliate is acting as a subagent of the Collateral Agent or for any third person or dealing as principal for its own account. If otherwise qualified an Eligible Investment, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder.

10.4. Agents Entitled to Act as Lender.

The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, any Agent in its individual capacity as a Lender hereunder. With respect to its participation in the Loans (if any), each Agent shall have the same rights and powers hereunder as any other Lender and may exercise the same as if it were not performing the duties and functions delegated to it hereunder, and the term “Lender” shall, unless the context clearly otherwise indicates, include any such Agent in its individual capacity. Any Agent and its Affiliates may accept deposits from, lend money to, own securities of, and generally engage in any kind of banking, trust, financial advisory or other business with any Credit Party or any of their respective Affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from the Borrower for services in connection herewith and otherwise without having to account for the same to the Lenders.

10.5. Lenders’ Representations, Warranties and Acknowledgment.

(a) Each Lender represents and warrants that it has made its own independent investigation, without reliance upon any Agent or any other Person, of the financial condition and affairs of the Credit Parties in connection with Credit Extensions hereunder and that it has made and shall continue to make its own appraisal of the creditworthiness of the Credit Parties. No Agent shall have any duty or responsibility, either initially or on a continuing basis, to make any investigation or appraisal on behalf of Lenders or to provide any Lender with any credit or other information with respect thereto, and no Agent shall have any responsibility with respect to the accuracy of or the completeness of any information provided to the Lenders.

(b) Each Lender, by delivering its signature page to this Agreement or an Assignment Agreement and funding its Loans on the Closing Date, shall be deemed to have acknowledged receipt of, and consented to and approved, each Transaction Document and each other document required to be approved by the Requisite Lenders or Lenders or delivered to any Agent, as applicable, on the Closing Date.

10.6. Right to Indemnity.

Each Lender, in proportion to its Pro Rata Share (or, if no Loans or Commitments are outstanding, the Pro Rata Share most recently in effect), severally agrees to indemnify each Agent, to the extent that such Agent shall not have been reimbursed by any Credit Party, for and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, fees, costs, expenses (including counsel fees and disbursements) or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against such Agent in exercising its powers, rights and remedies or performing its duties hereunder or under the other Transaction Documents or otherwise in its capacity as such Agent in any way relating to or arising out of this Agreement, the other Transaction Documents or the use of proceeds thereof; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided that (1) in no event shall this sentence require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's Pro Rata Share thereof; and (2) this sentence shall not be deemed to require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement described in the proviso in the immediately preceding sentence. The foregoing shall survive the termination of this Agreement and the resignation or removal of an Agent.

10.7. Successor Administrative Agent and Collateral Agent.

(a) The Administrative Agent shall have the right to resign at any time by giving prior written notice thereof to the Agents, the Lenders and the Borrower, and the Administrative Agent may be removed at any time with or without cause by an instrument or concurrent instruments in writing delivered to the Agents, the Borrower and the Administrative Agent and signed by the Requisite Lenders. In addition, the Administrative Agent may be removed at any time with or without cause by an instrument or concurrent instruments in writing delivered to the Agents, the Borrower and the Administrative Agent and signed by the Requisite Lenders if the Pro Rata Share of the entity then serving as Administrative Agent and its Affiliates, collectively, is less than 25%. The Requisite Lenders shall have the right to appoint a financial institution to act as the Administrative Agent hereunder, subject to (unless an Event of Default has occurred and is continuing) the consent of the Borrower (such consent not to be unreasonably delayed or withheld), and the Administrative Agent's resignation shall become effective, and the Administrative Agent shall be discharged from its obligations and duties hereunder, on the earliest of (1) 30 days after delivery of the notice of resignation or removal (regardless of whether a successor has been appointed or not), (2) the acceptance of appointment by such successor Administrative Agent by the Requisite Lenders or (3) such other date, if any, agreed to by the Requisite Lenders. If the Requisite Lenders shall not have appointed a successor Administrative Agent with the consent of the Borrower (if so required) by the end of the period specified above, then the Requisite Lenders shall be deemed to have succeeded to and become vested with all the rights, powers, privileges and duties of the resigning Administrative Agent. Upon the

acceptance of any appointment as the Administrative Agent hereunder by a successor Administrative Agent, that successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the resigning or removed Administrative Agent and the resigning or removed Administrative Agent shall promptly transfer to such successor Administrative Agent all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Administrative Agent under the Transaction Documents. After any resigning or removed Administrative Agent's resignation or removal hereunder as the Administrative Agent, the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent hereunder.

(b) The Collateral Agent and the Collateral Administrator (each, a "**Specified Person**") may resign at any time by giving prior written notice thereof to the Lenders, the Administrative Agent and the Borrower, and each Specified Person may be removed at any time upon at least 30 days' notice with or without cause by an instrument or concurrent instruments in writing delivered to the Borrower and such Specified Person signed by the Requisite Lenders. Unless an Event of Default has occurred and is continuing, the Borrower shall have the right to appoint a financial institution (or, in the case of the Collateral Administrator, another entity acceptable to it) as a successor Specified Person hereunder, subject to the reasonable satisfaction of the Requisite Lenders, and each Specified Person's resignation shall become effective, and such Specified Person shall be discharged from its obligations and duties hereunder, on the earliest of (1) 30 days after delivery of the notice of resignation or removal (regardless of whether a successor has been appointed or not), (2) the acceptance of appointment by such successor Specified Person (which shall be no earlier than 30 days after delivery of such notice of resignation or removal unless agreed to by the Requisite Lenders and the removed Specified Person) or (3) such other date, if any, agreed to by the Requisite Lenders and the removed Specified Person. Until a successor Specified Person is appointed, any Collateral or other property held by a Specified Person on behalf of the Secured Parties under any of the Transaction Documents shall continue to be held by the resigning or removed Specified Person as bailee until such time as a successor Specified Person is appointed (all costs and expenses incurred by such resigning or removed Specified Person for holding such Collateral shall be paid by the Borrower). Each Specified Person shall have the right, at the cost and expense of the Borrower, to petition a court of competent jurisdiction regarding the delivery of any Collateral or other property it holds as bailee. Upon the acceptance of any appointment as Specified Person hereunder by a successor Specified Person, such successor Specified Person shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the resigning or removed Specified Person under this Agreement and the Transaction Documents, and the resigning or removed Specified Person shall promptly (x) transfer to such successor Specified Person all Collateral or other property held hereunder or under the Transaction Documents, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Specified Person under this Agreement and the Transaction Documents, and (y) execute and deliver to such successor Specified Person or otherwise authorize the filing of such amendments to Financing Statements, and take such other actions, as may be requested by the

Requisite Lenders (and at the cost and expense of the Borrower) in connection with the assignment to such successor Specified Person of the security interests created under the Transaction Documents. After any resigning or removed Specified Person's resignation or removal hereunder as such Specified Person, the provisions of this Agreement and the Transaction Documents shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement or the Transaction Documents while it was such Specified Person hereunder.

(c) Any Person into which any Agent may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which such Agent shall be a party, or any Person succeeding to all or substantially all of the corporate trust services business of such Agent shall be the successor of such Agent hereunder without the execution or filing of any paper with any party hereto or any further act on the part of any of the parties hereto.

10.8. Collateral Documents.

(a) Agents under Collateral Documents. Each Secured Party hereby further authorizes the Collateral Agent on behalf of and for the benefit of Secured Parties, to be the agent for and representative of Secured Parties with respect to the Collateral and the Collateral Documents. Subject to Section 11.5, without further written consent or authorization from any Secured Party, the Administrative Agent and/or the Collateral Agent (at the direction of the Administrative Agent) is authorized to and shall execute any documents or instruments requested by either (1) the Borrower (and at the cost and expense of the Borrower) in connection with an Acquisition or Disposition of assets permitted by this Agreement and the release of any Lien encumbering any item of Collateral that is the subject of such Disposition or (2) or otherwise consented to by the Requisite Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Agents shall believe in good faith shall be necessary, to give such request or direction hereunder) in connection with any other Disposition of assets in accordance with this Agreement; *provided* that, in the case of clause (1), the Borrower shall deliver a certificate signed by an Authorized Officer of the Borrower to the Administrative Agent and the Collateral Agent stating that such Acquisition or Disposition of assets is permitted by this Agreement and the Transaction Documents and that the release of the Lien on such Collateral is authorized by the Transaction Documents (which certificate shall be deemed to have been provided upon the delivery by the Borrower (or the Services Provider on its behalf) of a Borrower Order in respect of such Acquisition or Disposition), and in the case of clause (2), the Borrower shall deliver a certificate signed by Authorized Officers of the Borrower to the Administrative Agent and the Collateral Agent stating that such consent of the Requisite Lenders has been received. The Collateral Agent shall have no obligation to review or verify whether the Borrower or the Services Provider on its behalf has obtained and delivered (or made available to the Transaction Data Room) the necessary Diligence Information and other Custody Documents required for purchases of Collateral Obligations hereunder, and the Collateral Agent shall have no obligation to maintain the Transaction Data Room on behalf of the Borrower.

(b) Right to Realize on Collateral. Notwithstanding anything contained in the Transaction Documents to the contrary, the Credit Parties, the Agents and each other Secured Party hereby agree that (1) no Secured Party (other than the Collateral Agent) shall have any right to realize upon any of the Collateral, it being understood and agreed that all such powers, rights and remedies hereunder and under any of the Transaction Documents may be exercised solely by the Collateral Agent (at the written direction of the Requisite Lenders) for the benefit of the Secured Parties in accordance with the terms hereof and thereof, and (2) in the event of a foreclosure or similar enforcement action by the Collateral Agent (at the written direction of the Requisite Lenders) on any of the Collateral pursuant to a public or private sale or other Disposition (including pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code or under any analogous provisions of any other Debtor Relief Law), the Collateral Agent (or any Lender, except with respect to a "credit bid" pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code or such other Debtor Relief Law) may be the purchaser or licensor of any or all of such Collateral at any such Disposition and the Collateral Agent, as agent for and representative of Secured Parties (but not any Lender or Lenders in its or their respective individual capacities) shall be entitled, upon instructions from the Requisite Lenders, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such Disposition, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such Disposition.

(c) Release of Collateral, Termination of Transaction Documents; Etc. Notwithstanding anything to the contrary contained herein or any other Transaction Document, when all Obligations (other than contingent Obligations for which no claim has been asserted) have been paid in full and all Commitments have terminated or expired (as evidenced by an executed payoff letter and confirmation from the Administrative Agent of the receipt of such payoff amounts), the security interest created hereunder and under the other Collateral Documents and all guarantee obligations under the Transaction Documents shall automatically terminate and the Collateral Agent shall (at the sole cost and expense of the Borrower) take such actions as shall be requested in writing by the Borrower to effect such release of its security interest in all Collateral and to release all guarantee obligations provided for in any Transaction Document. The Borrower shall prepare any such documentation at its expense and shall be responsible for the costs and expenses of the Collateral Agent (including legal fees and expenses) in connection with any release under this clause (c). Any such release of guarantee obligations shall be deemed subject to the provision that such guarantee obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Credit Party, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, any Credit Party or any substantial part of its property, or otherwise, all as though such payment had not been made.

10.9. Withholding Taxes.

To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without duplication of the provisions of Section 2.15(g), if the IRS or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective or for any other reason, or if the Administrative Agent reasonably determines that a payment was made to a Lender pursuant to this Agreement without deduction of applicable withholding Tax from such payment, such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred.

10.10. Administrative Agent May File Bankruptcy Disclosure and Proofs of Claim.

In case of the pendency of any proceeding under any Debtor Relief Laws relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file a verified statement pursuant to rule 2019 of the Federal Rules of Bankruptcy Procedure that complies with such rule's disclosure requirements for entities representing more than one creditor;

(b) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel and all other amounts due the Lenders and the Agents under Transaction Documents allowed in such judicial proceeding); and

(c) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same,

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances

of the Agents and their respective agents and counsel, and any other amounts due to the Agents under the Transaction Documents. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Agents, their agents and counsel, and any other amounts due to the Agents under the Transaction Documents out of the estate in any such proceeding shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Lenders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing contained herein shall be deemed to authorize any Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize any Agent to vote in respect of the claim of any Lender in any such proceeding.

SECTION 11. MISCELLANEOUS

11.1. Notices.

(a) Notices Generally. Any notice or other communication herein required or permitted to be given to a Credit Party, the Collateral Agent, the Collateral Custodian or the Administrative Agent, shall be sent to such Person's address as set forth on Appendix B or in the other relevant Transaction Document, and in the case of any Lender, the address as indicated on Appendix B or otherwise indicated to the Administrative Agent in writing. Except as otherwise set forth in Section 3.2(b) or paragraph (b) below, each notice hereunder shall be in writing and may be personally served or sent by facsimile (except for any notices sent to the Administrative Agent) or United States mail or courier service and shall be deemed to have been given when delivered in person or by courier service and signed for against receipt thereof, upon receipt of facsimile, or three Business Days after depositing it in the United States mail with postage prepaid and properly addressed; *provided* that (1) no notice to any Agent shall be effective until received by such Agent; (2) any such notice or other communication shall at the request of the Administrative Agent be provided to any sub-agent appointed pursuant to Section 11.3(c) as designated by the Administrative Agent from time to time; and (3) any such notice or other communication to the Administrative Agent, Collateral Agent or Collateral Administrator may be made via SWIFT.

(b) Electronic Communications.

(1) Notices and other communications to any Agent and Lenders hereunder may be delivered or furnished by electronic communication (including e mail and Internet or intranet websites, including the Platform) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Agent or any Lender pursuant to Section 2 if such Person has notified the Administrative Agent that it is incapable of receiving notices under such Section by electronic communication. The Administrative

Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (x) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgment), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (y) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (x) of notification that such notice or communication is available and identifying the website address therefor.

(2) Each Credit Party understands that the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution and agrees and assumes the risks associated with such electronic distribution, except to the extent caused by the willful misconduct or gross negligence of the Administrative Agent, as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(3) The Platform and any Approved Electronic Communications are provided "as is" and "as available". None of the Agents or any of their respective officers, directors, employees, agents, advisors or representatives (the "**Agent Affiliates**") warrant the accuracy, adequacy, or completeness of the Approved Electronic Communications or the Platform and each expressly disclaims liability for errors or omissions in the Platform and the Approved Electronic Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects is made by the Agent Affiliates in connection with the Platform or the Approved Electronic Communications. In no event shall the Agent Affiliates have any liability to the Borrower or the other Credit Parties, any Lender or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower's, any Credit Party's or the Administrative Agent's transmission of communications through the Platform.

(4) Each Credit Party, each Lender and each Agent agrees that the Administrative Agent may, but shall not be obligated to, store any Approved Electronic Communications on the Platform in accordance with the Administrative Agent's customary document retention procedures and policies.

11.2. Expenses.

Whether or not the initial Credit Extension is made hereunder, the Borrower agrees to pay promptly (a) all the actual and reasonable costs and out-of-pocket expenses incurred in connection with the negotiation, preparation and execution of the Transaction Documents and any consents, amendments, waivers or other modifications thereto; (b) all the costs of furnishing all opinions by counsel for the Borrower and the other Credit Parties; (c) the reasonable fees, expenses and disbursements of counsel to the Agents (in each case not including allocated costs of internal counsel, but including special New York counsel to the Administrative Agent) in connection with the negotiation, preparation and execution of the Transaction Documents and any consents, amendments, waivers or other modifications thereto and any other documents or matters requested by the Borrower; (d) all the actual costs and reasonable out-of-pocket expenses of creating, perfecting, recording, maintaining and preserving Liens in favor of the Collateral Agent, for the benefit of Secured Parties, including filing and recording fees, expenses and taxes, stamp or documentary taxes, search fees, title insurance premiums and reasonable fees, expenses and disbursements of counsel to each Agent and of counsel providing any opinions that any Agent or the Requisite Lenders may request in respect of the Collateral or the Liens created pursuant to the Collateral Documents; (e) all the actual costs and reasonable fees, out-of-pocket expenses and disbursements of any auditors, accountants, consultants or appraisers; (f) all the actual costs and reasonable out-of-pocket expenses (including the reasonable fees, out-of-pocket expenses and disbursements of any appraisers, consultants, advisors and agents employed or retained by the Collateral Agent and its counsel) in connection with the custody or preservation of any of the Collateral; and (g) after the occurrence of a Default or an Event of Default, all costs and out-of-pocket expenses, including reasonable attorneys' fees (not including allocated costs of internal counsel) and costs of settlement, incurred by any Agent and the Lenders in enforcing any Obligations of or in collecting any payments due from any Credit Party hereunder or under the other Transaction Documents by reason of such Default or Event of Default (including in connection with the sale, lease or license of, collection from, or other realization upon any of the Collateral) or in connection with any refinancing or restructuring of the credit arrangements provided hereunder in the nature of a "work out" or pursuant to any insolvency or bankruptcy cases or proceedings.

This Section 11.2 shall survive the termination of the Agreement and the resignation or removal of the Agents.

11.3. Indemnity.

(a) In addition to the payment of expenses pursuant to Section 11.2, whether or not the transactions contemplated hereby shall be consummated, the Borrower agrees to defend (subject to Indemnitees' selection of counsel), indemnify, pay and hold harmless, each Agent and Lender and each of their respective officers, partners, members, directors, trustees, advisors, employees, agents, sub-agents and affiliates (each, an "**Indemnitee**"), from and against any and all Indemnified Liabilities pursuant to the Priority of Payments. To the extent that the undertakings to defend, indemnify, pay and hold harmless set forth in this Section 11.3 may be unenforceable in whole or in part

because they are violative of any law or public policy, the Borrower shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Indemnitees or any of them pursuant to the Priority of Payments. This Section 11.3(a) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, or similar amounts arising from any non-Tax claim.

(b) To the fullest extent permitted by applicable law, the Borrower shall not assert, and the Borrower hereby waives, any claim against each Lender and each Agent and their respective Affiliates, directors, employees, attorneys, agents or sub-agents, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Transaction Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, or any Loan, or the use of the proceeds thereof. None of any Lender or any Agent or any of their respective Affiliates, directors, employees, attorneys, agents or sub-agents shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Transaction Documents or the transactions contemplated hereby or thereby.

(c) The Borrower also agrees that no Lender or Agent nor their respective Affiliates, directors, employees, attorneys, agents or sub-agents will have any liability to the Borrower or any person asserting claims on behalf of or in right of the Borrower or any other person in connection with or as a result of this Agreement or any Transaction Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan, or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, in each case, except to the extent that any losses, claims, damages, liabilities or expenses incurred by the Borrower or its affiliates, shareholders, partners or other equity holders have been found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted directly from the gross negligence or willful misconduct of such Lender or Agent or their respective Affiliates, directors, employees, attorneys, agents or sub-agents in performing its obligations under this Agreement or any Transaction Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein; provided that in no event will such Lender or Agent, or their respective Affiliates, directors, employees, attorneys, agents or sub-agents have any liability for any indirect, consequential, special or punitive damages in connection with or as a result of such Lender's or Agent's, or their respective Affiliates', directors', employees', attorneys', agents' or sub-agents' activities related to this Agreement, any Transaction Document, or any agreement or instrument contemplated hereby or thereby or referred to herein or therein.

(d) This Section 11.3 shall survive the termination of the Agreement and the resignation or removal of the Agents.

11.4. Set-Off.

In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, upon the occurrence and during the continuance of any Event of Default each Lender is hereby authorized by each Credit Party at any time or from time to time subject to the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed), without notice to any Credit Party or to any other Person (other than the Administrative Agent), any such notice being hereby expressly waived, to set off and to appropriate and to apply any and all deposits (general or special, including indebtedness evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other indebtedness at any time held or owing by such Lender to or for the credit or the account of any Credit Party against and on account of the obligations and liabilities of any Credit Party to such Lender hereunder and under the Transaction Documents, including all claims of any nature or description arising out of or connected hereto and participations therein or with any other Transaction Document, irrespective of whether or not (a) such Lender shall have made any demand hereunder or (b) the principal of or the interest on the Loans or any other amounts due hereunder shall have become due and payable pursuant to Section 2 and although such obligations and liabilities, or any of them, may be contingent or unmatured; *provided that*, if any Defaulting Lender shall exercise any such right of setoff, (1) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Sections 2.12 and 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and their respective Affiliates under this Section 11.4 are in addition to other rights and remedies (including other rights of setoff) that such Lender or their respective Affiliates may have.

11.5. Amendments and Waivers.

(a) Requisite Lenders' and Services Provider Consent. Subject to the additional requirements of Sections 11.5(b) and 11.5(c) and the proviso below, no amendment, modification, termination or waiver of any provision of this Agreement, or consent to any departure by the Borrower therefrom, shall in any event be effective without the written concurrence of the Requisite Lenders and the Services Provider; *provided that* (i) the Administrative Agent may, with the consent of the Borrower only, amend, modify or supplement this Agreement or any other Transaction Document to cure any ambiguity, omission, defect or inconsistency (as reasonably determined by the Administrative Agent), so long as such amendment, modification or supplement does not adversely affect the rights of any Lender or the Lenders shall have received at least five Business Days' prior written notice thereof and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Requisite Lenders stating that the Requisite Lenders object to such amendment and (ii) the Administrative Agent may, in its sole and absolute discretion, consent to any action or omission as set forth in this Agreement and may grant waivers, concessions and other indulgences in accordance with the terms of this Agreement.

(b) Unanimous Lenders' Consent, Etc. Without the written consent of each Lender, no amendment, modification, termination, or consent shall be effective if the effect thereof would:

- (1) extend the scheduled final maturity of any Loan or related Note;
- (2) waive, reduce or postpone any scheduled repayment (but not prepayment) of the Loans;
- (3) other than as a result of ~~the replacement of LIBOR as the~~ Benchmark Replacement, reduce the rate of interest on any Loan, any fee, any Minimum Spread Payment or any Make-Whole Amount payable hereunder to Lenders; provided that the waiver of any interest payment, Minimum Spread Payment or Make-Whole Amount by any Lender shall not require the consent of any other Lender;
- (4) extend the time for payment of any such interest, fees, Minimum Spread Payments or Make-Whole Amounts;
- (5) reduce the principal amount of any Loan;
- (6) amend, modify, terminate or waive any provision of this Section 11.5(b) or any other provision of this Agreement that expressly provides that the consent of all Lenders is required;
- (7) amend the definition of "Loan Pro Rata Share";
- (8) amend the definition of "Advance Rate", "Borrowing Base", "Collateral Obligation", "Collateral Obligation Criteria", "Collateral Portfolio Requirements", "Pro Rata Share", "Reinvestment Criteria", "Requisite Lenders" or "Spread" herein; or amend the definition of "Borrowing Base Deficiency" or "Cash Payment Threshold" in the Margining Agreement;
- (9) release all or any material portion of the Collateral except as expressly provided in the Transaction Documents and except in connection with a "credit bid" undertaken by the Collateral Agent at the direction of the Requisite Lenders pursuant to Section 363(k), Section 1129(b)(2)(a) (ii) or otherwise of the Bankruptcy Code or other analogous Debtor Relief Law or other sale or disposition of assets in connection with an enforcement action with respect to the Collateral permitted pursuant to the Transaction Documents (in which case only the consent of the Requisite Lenders will be needed for such release);
- (10) change the currency in which any Loan or other Obligation is denominated;

(11) consent to the assignment or transfer by any Credit Party of any of its rights and obligations under any Transaction Document; or

(12) amend, modify, terminate or waive any provision of Section 2.1(b) or Section 7.

(c) Other Consents. Except as set forth in clause (a) above, no amendment, modification, termination or waiver of any provision of this Agreement, or consent to any departure by any Credit Party therefrom, shall amend, modify, terminate or waive any provision of this Agreement as the same applies to any Agent, or any other provision hereof as the same applies to the rights or obligations of any Agent, in each case without the consent of such Agent, as applicable.

(d) Execution of Amendments, Etc. The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 11.5 shall be binding upon each Lender at the time outstanding, each future Lender and, if signed by a Credit Party, on such Credit Party.

(e) Cashless Settlement. Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrower, the Administrative Agent and such Lender.

11.6. Successors and Assigns; Participations.

(a) Generally. This Agreement shall be binding upon the parties hereto and their respective successors and assigns and shall inure to the benefit of the parties hereto and the successors and assigns of Lenders. No Borrower's rights or obligations hereunder nor any interest therein may be assigned or delegated by the Borrower without the prior written consent of all Lenders. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, Affiliates of each of the Agents and Lenders and other Indemnities) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Register. The Borrower, the Administrative Agent and Lenders shall deem and treat the Persons listed as Lenders in the Register as the holders and owners of the corresponding Commitments and Loans listed therein for all purposes hereof, and no assignment or transfer of any such Commitment or Loan shall be effective, in each case, unless and until recorded in the Register following receipt of a fully executed Assignment

Agreement effecting the assignment or transfer thereof, together with the required forms and certificates regarding tax matters and any fees payable in connection with such assignment, in each case, as provided in Section 11.6(d). Each assignment shall be recorded in the Register promptly following receipt by the Administrative Agent of the fully executed Assignment Agreement and all other necessary documents and approvals, prompt notice thereof shall be provided to the Borrower and a copy of such Assignment Agreement shall be maintained, as applicable. The date of such recordation of a transfer shall be referred to herein as the related “**Assignment Effective Date**”. Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is listed in the Register as a Lender shall be conclusive and binding on any subsequent holder, assignee or transferee of the corresponding Commitments or Loans.

(c) Right to Assign. Each Lender shall have the right at any time to sell, assign or transfer all or a portion of its rights and obligations under this Agreement, including all or a portion of its Commitment or Loans owing to it or other Obligations (*provided* that pro rata assignments shall not be required and each assignment shall be of a uniform, and not varying, percentage of all rights and obligations under and in respect of any applicable Loan and any related Commitments) to any Eligible Assignee upon the receipt of consent of the Administrative Agent and the Borrower (each such consent not to be unreasonably withheld or delayed); *provided* that:

(1) each such assignment pursuant to this Section 11.6(c) shall be in an aggregate amount of not less than the lesser of (I) U.S.\$10,000,000, (II) such lesser amount as agreed to by the Borrower and Administrative Agent or (III) the aggregate amount of the Loans and any related Commitments of the assigning Lender;

(2) no consent of the Administrative Agent or the Borrower shall be required for any assignment by a Lender (x) pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all its assets to, another entity (but without prejudice to any other right or remedy under this Agreement) or (y) to any affiliate of the assigning Lender to the extent that such assignment would not give rise to the imposition of increased costs or other amounts by such assignee under Section 2.14 or 2.15; and

(3) no consent of the Borrower shall be required if an Event of Default has occurred and is continuing.

(d) Mechanics.

(1) Assignments and assumptions of Loans and Commitments by Lenders shall be effected by manual execution and delivery to the Administrative Agent of an Assignment Agreement. Assignments made pursuant to the foregoing provision shall be effective as of the Assignment Effective Date. In connection with all assignments there shall be delivered to the Administrative Agent such forms, certificates or other evidence, if any, with respect to United

States federal income tax withholding matters as the assignee under such Assignment Agreement may be required to deliver pursuant to Section 2.15(c), together with payment to the Administrative Agent of a registration and processing fee of U.S.\$3,500 (except that no such registration and processing fee shall be payable (y) in connection with an assignment by or to Goldman Sachs or any Affiliate thereof or (z) in the case of an assignee that is already a Lender or is an affiliate of a Lender or a Person under common management with a Lender).

(2) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans. Notwithstanding the foregoing, if any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(e) Representations and Warranties of Assignee. Each Lender, upon execution and delivery hereof or upon succeeding to an interest in the Commitments and Loans, as the case may be, represents and warrants as of the Closing Date or as of the Assignment Effective Date that (1) it is an Eligible Assignee (or, if not an Eligible Assignee, the assignment to it is permitted under this Section 11.6); (2) it has experience and expertise in the making of or investing in commitments or loans such as the applicable Commitments or Loans, as the case may be; (3) it will make or invest in, as the case may be, its Commitments or Loans for its own account in the ordinary course and without a view to distribution of such Commitments or Loans within the meaning of the Securities Act or the Exchange Act or other federal securities laws (it being understood that, subject to the provisions of this Section 11.6, the disposition of such Commitments or Loans or any interests therein shall at all times remain within its exclusive control); and (4) it will not provide any information obtained by it in its capacity as a Lender to the Sponsor or any Affiliate of the Sponsor.

(f) Effect of Assignment. Subject to the terms and conditions of this Section 11.6, as of the Assignment Effective Date (1) the assignee thereunder shall have the rights and obligations of a “Lender” hereunder to the extent of its interest in the Loans and Commitments as reflected in the Register and shall thereafter be a party hereto and a “Lender” for all purposes hereof; (2) the assigning Lender thereunder shall, to the extent

that rights and obligations hereunder have been assigned to the assignee, relinquish its rights (other than any rights which survive the termination hereof under Section 11.8) and be released from its obligations hereunder (and, in the case of an assignment covering all or the remaining portion of an assigning Lender's rights and obligations hereunder, such Lender shall cease to be a party hereto on the Assignment Effective Date; *provided* that, anything contained in any of the Transaction Documents to the contrary notwithstanding, such assigning Lender shall continue to be entitled to the benefit of all indemnities hereunder as specified herein with respect to matters arising out of the prior involvement of such assigning Lender as a Lender hereunder); (3) the Commitments shall be modified to reflect any Commitment of such assignee; and (4) if any such assignment occurs after the issuance of any Note hereunder, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender its applicable Notes to the Borrower (with a copy to the Administrative Agent) for cancellation (provided that, such Notes shall be deemed to be cancelled and of no further force and effect immediately upon the effectiveness of any assignment regardless of when such Notes are delivered for cancellation), if so requested by the assignee and/or assigning Lender the Borrower shall issue and deliver new Notes, to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the new outstanding Loans of the assignee and/or the assigning Lender. No assignee shall be entitled to receive any greater payment under Section 2.13, 2.14 or 2.15 hereof than the assignor would have been entitled to receive with respect to the rights assigned, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after such assignment.

(g) Participations.

(1) Each Lender shall have the right at any time to sell one or more participations to any Person (other than a Credit Party, the Sponsor, any Sponsor Affiliate or any Natural Person) in all or any part of its Commitments, Loans or in any other Obligation. Each Lender that sells a participation pursuant to this Section 11.6(g) shall, acting solely for U.S. federal income tax purposes as a non-fiduciary agent of the Borrower, maintain a register on which it records the name and address of each participant and the principal amounts of (and stated interest on) each participant's participation interest with respect to the Loans (each, a "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any participant or any information relating to a participant's interest in any Commitments, Loans or its other obligations under this Agreement) except to the extent that the relevant parties, acting reasonably and in good faith, determine that such disclosure is necessary to establish that such Commitment, Loan or other Obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations and Section 163(f) of the Code, including proposed United States Treasury Regulations 1.163-5(b). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of a participation with respect to the Loan for all purposes under this Agreement, notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as the Administrative Agent) shall have no responsibility for maintaining a Participant Register. Each Lender that sells a participation pursuant to this Section 11.6(g) shall require that each participant agree to be subject to Section 11.23 with respect to the Confidential Information of the Borrower as those such participant were a Lender.

(2) The holder of any such participation, other than an Affiliate of the Lender granting such participation, shall not be entitled to require such Lender to take or omit to take any action hereunder except with respect to any amendment, modification or waiver that would (A) extend the final scheduled maturity of any Loan, or Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Commitment shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof), (B) consent to the assignment or transfer by any Credit Party of any of its rights and obligations under this Agreement or (C) release all or substantially all of the Collateral under the Collateral Documents (in each case, except as expressly provided in the Transaction Documents) supporting the Loans hereunder in which such participant is participating.

(3) Each Borrower agrees that each participant shall be entitled to the benefits of Sections 2.13(g), 2.14 and 2.15, subject to the requirements and limitations therein, to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (c) of this Section; *provided* that (x) a participant shall not be entitled to receive any greater payment under Sections 2.13, 2.14 or 2.15, than the applicable Lender would have been entitled to receive with respect to the participation sold to such participant, except to the extent such entitlement to receive a greater payment results from a Change in Law, which was not reasonably anticipated or reasonably foreseeable, that occurs after such participant acquired the participation or unless the sale of the participation to such participant is made with the Borrower's prior written consent; (y) a participant shall not be entitled to the benefits of Section 2.15 unless the Borrower is notified of the participation sold to such participant and such participant agrees, for the benefit of the Borrower, to comply with Section 2.15 as though it were a Lender; and (z) except as specifically set forth in clauses (x) and (y) of this sentence, nothing herein shall require any notice to the Borrower or any other Person in connection with the sale of any participation. To the extent permitted by law, each participant also shall be entitled to the benefits of Section 11.4 as though it were a Lender, *provided* that such participant agrees to be subject to Section 2.12 as though it were a Lender. Each Lender that sells a participation agrees to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.18 with respect to any participant.

(h) Certain Other Assignments and Participations. In addition to any other assignment or participation permitted pursuant to this Section 11.6 any Lender may assign, pledge and/or grant a security interest in all or any portion of its Loans, the other Obligations owed by or to such Lender, and its Notes, if any, to secure obligations of such Lender including any Federal Reserve Bank as collateral security pursuant to Regulation A and any operating circular issued by such Federal Reserve Bank; *provided* that (1) no Lender, as between the Borrower and such Lender, shall be relieved of any of its obligations hereunder as a result of any such assignment and pledge, and (2) in no event shall the applicable Federal Reserve Bank, pledgee or trustee, be considered to be a “Lender” or be entitled to require the assigning Lender to take or omit to take any action hereunder.

11.7. Independence of Covenants.

All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

11.8. Survival of Representations, Warranties and Agreements.

All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Credit Extension. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Credit Party set forth in Sections 2.13(g), 2.14, 2.15, 10, 11.2, 11.3, 11.4 and 11.22 and the agreements of Lenders set forth in Sections 2.15 and 10.6 shall survive the payment of the Loans, and the termination hereof.

11.9. No Waiver; Remedies Cumulative.

No failure or delay on the part of any Agent or any Lender in the exercise of any power, right or privilege hereunder or under any other Transaction Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to each Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Transaction Documents. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

11.10. Marshalling; Payments Set Aside.

Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Credit Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Credit Party makes a payment or payments to the Administrative Agent or the Lenders (or to the Administrative Agent, on behalf of the Lenders), or any Agent or Lender enforces any security interests or exercises any right of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

11.11. Severability.

In case any provision in or obligation hereunder or under any other Transaction Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

11.12. Obligations Several; Independent Nature of Lenders' Rights.

The obligations of the Lenders hereunder are several and no Lender shall be responsible for the obligations or Commitment of any other Lender hereunder. Nothing contained herein or in any other Transaction Document, and no action taken by the Lenders pursuant hereto or thereto, shall be deemed to constitute the Lenders as a partnership, an association, a joint venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

11.13. Headings.

Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

11.16. WAIVER OF JURY TRIAL.

EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER TRANSACTION DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS LOAN TRANSACTION OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 11.16 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO OR ANY OF THE OTHER TRANSACTION DOCUMENTS OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE LOANS MADE HEREUNDER. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

11.17. Usury Savings Clause.

Notwithstanding any other provision herein, the aggregate interest rate charged with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Obligations are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, the Borrower shall pay to the Administrative Agent an

amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of the Lenders and the Borrower to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to the Borrower.

11.18. Effectiveness; Counterparts.

This Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto and receipt by the Borrower and the Administrative Agent of written notification of such execution and authorization of delivery thereof. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic format (i.e., "pdf" or "tif") shall be effective as delivery of a manually executed counterpart of this Agreement.

11.19. PATRIOT Act.

Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Credit Party that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies each Credit Party, which information includes the name and address of each Credit Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify such Credit Party in accordance with the PATRIOT Act.

11.20. Electronic Execution of Assignments.

The words "execution", "signed", "signature", and words of like import in any Assignment Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

11.21. No Fiduciary Duty.

Each Agent, Lender and their Affiliates (collectively, solely for purposes of this paragraph, the "**Lenders**"), may have economic interests that conflict with those of the Credit Parties, their stockholders and/or their affiliates. Each Credit Party agrees that nothing in the Transaction Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Credit Party, its stockholders or its affiliates, on the other. The

Credit Parties acknowledge and agree that (a) the transactions contemplated by the Transaction Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Credit Parties, on the other, and (b) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Credit Party, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Credit Party, its stockholders or its Affiliates on other matters) or any other obligation to any Credit Party except the obligations expressly set forth in the Transaction Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Credit Party, its management, stockholders, creditors or any other Person. Each Credit Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Credit Party agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Credit Party, in connection with such transaction or the process leading thereto.

11.22. Judgment Currency.

(a) The Credit Parties' obligations hereunder and under the other Transaction Documents to make payments in USD (each, for purposes herein, the "**Obligation Currency**") shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than the Obligation Currency, except to the extent that such tender or recovery results in the effective receipt by the Secured Party entitled thereto of the full amount of the Obligation Currency expressed to be payable to it under this Agreement or the other Transaction Documents. If for the purpose of obtaining or enforcing judgment against any Credit Party in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than the Obligation Currency (such other currency being hereinafter referred to as the "**Judgment Currency**") an amount due in the Obligation Currency, the conversion shall be made, at the applicable exchange rate thereof as of the day on which the judgment is given (such day being hereinafter referred to as the "**Judgment Currency Conversion Date**").

(b) If there is a change in the rate of exchange prevailing between the Judgment Currency Conversion Date and the date of actual payment of the amount due, the Credit Parties jointly and severally covenant and agree to pay, or cause to be paid, and each jointly and severally indemnifies the Secured Parties for such additional amounts, if any (but in any event not a lesser amount), as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency that could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate or exchange prevailing on the Judgment Currency Conversion Date. The foregoing indemnity shall constitute a separate and independent obligation of the Credit Parties and shall survive any termination of this Agreement and the other Transaction Documents, and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid.

(c) For purposes of determining any rate of exchange for this Section 11.22, such amounts shall include any premium and costs payable in connection with the purchase of the Obligation Currency.

11.23. Confidentiality

(a) The Collateral Agent, the Collateral Administrator Parties, the Collateral Custodian, the Administrative Agent and each Lender will maintain the confidentiality of all Confidential Information to protect Confidential Information delivered to such Person; provided that such Person may deliver or disclose Confidential Information to: (i) such Person's directors, trustees, officers, employees, agents, attorneys and affiliates who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 11.23 and to the extent such disclosure is reasonably required for the administration of this Agreement and the other Transaction Documents, the matters contemplated hereby or the investment represented by the Loans; (ii) such Person's legal advisors, financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 11.23 and to the extent such disclosure is reasonably required for the administration of this Agreement, the matters contemplated hereby or the investment represented by the Loans; (iii) any other Lender, or any of the other parties to this Agreement, the Corporate Services Agreements or the other Transaction Documents; (iv) any federal or state or other regulatory, governmental or judicial authority having jurisdiction over such Person in the course of any routine examination by such authority; (v) any other Person with the consent of the Borrower and the Services Provider; (vi) any other Person to which such delivery or disclosure may be necessary or appropriate (A) to effect compliance with any law, rule, regulation or order applicable to such Person, (B) in response to any subpoena or other legal process upon prior notice to the Borrower and the Services Provider (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (C) in connection with any litigation to which such Person is a party upon prior notice to the Borrower and the Services Provider (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (D) to the extent such Person may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies with respect to the Obligations, this Agreement or the other Transaction Documents or (E) in the Collateral Agent's, the Collateral Custodian's, a Collateral Administrator Party's or the Administrative Agent's performance of its obligations under this Agreement, the Collateral Administration Agreement or other Transaction Document; (vii) any Person of the type that would be, to such Person's knowledge, permitted to acquire Loans in accordance with the requirements of Section 11.6 to which such Person sells or offers to sell any such Loan or any part thereof (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 11.23); and (viii) with respect to any Collateral Obligation, any actual or prospective transferee of such Collateral Obligation (if such

Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 11.23 with respect to such Confidential Information or has otherwise agreed to be bound by all applicable confidentiality restrictions applicable to such Confidential Information in the Underlying Instruments relating to such Collateral Obligation). Each Lender agrees that it shall use the Confidential Information for the sole purpose of making an investment in the Loans or administering its investment in the Loans; and that the Collateral Agent, the Collateral Administrator Parties and the Administrative Agent shall neither be required nor authorized to disclose to the Lenders any Confidential Information in violation of this Section 11.23. In the event of any required disclosure of the Confidential Information by such Lender, such Lender agrees to use reasonable efforts to protect the confidentiality of the Confidential Information.

(b) For the purposes of this Section 11.23, “**Confidential Information**” means information delivered to the Collateral Agent, the Collateral Custodian, the Collateral Administrator Parties, the Administrative Agent or any Lender by or on behalf of the Borrower or the Services Provider in connection with and relating to the transactions contemplated by or otherwise pursuant to this Agreement; *provided* that such term does not include information that: (i) was publicly known or otherwise known to the Collateral Agent, the Collateral Custodian, the Collateral Administrator Parties, the Administrative Agent or such Lender or beneficial owner prior to the time of such disclosure; (ii) subsequently becomes publicly known through no act or omission by the Collateral Agent, the Collateral Administrator Parties, the Administrative Agent or any Lender or any person acting on behalf of the Collateral Agent, the Collateral Custodian, the Collateral Administrator Parties, the Administrative Agent or any Lender; (iii) otherwise is known or becomes known to the Collateral Agent, the Collateral Custodian, the Collateral Administrator Parties, the Administrative Agent or any Lender other than (x) through disclosure by or on behalf of the Borrower or the Services Provider or (y) to the knowledge of the Collateral Agent, the Collateral Custodian, the Collateral Administrator Parties, the Administrative Agent or any Lender, as the case may be, in each case after reasonable inquiry, as a result of the breach of a fiduciary duty to the Borrower or the Services Provider or a contractual duty to the Borrower or the Services Provider; or (iv) is allowed to be treated as non-confidential by consent of the Borrower and the Services Provider.

(c) Nothing in this Agreement shall prevent the Fund or any of its Affiliates from disclosing the terms of any Transaction Document or copies of any Transaction Document (in each case other than the Fee Letter and the Margining Agreement) to the extent that the Fund or such Affiliate determines in its sole discretion that such disclosure is necessary or appropriate to comply with the requirements of the Exchange Act or any other applicable law.

11.24. [Reserved]

11.25. Contractual Recognition of Bail-In

Notwithstanding anything to the contrary in any Transaction Document or in any other agreement, arrangement or understanding among any such the parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Transaction Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(1) a reduction in full or in part or cancellation of any such liability;

(2) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Transaction Document; or

(3) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

SECTION 12. SUBORDINATION

(a) Anything in this Agreement or the other Transaction Documents to the contrary notwithstanding, the Borrower agrees for the benefit of the Lenders and the Agents that the rights of the Equity Holder to distributions by the Borrower and in and to the Collateral, including any payment from Proceeds of Collateral, shall be subordinate and junior to the Obligations, to the extent and in the manner set forth in this Agreement including as set forth in Section 7.1 and hereinafter provided. If any Event of Default has occurred and has not been cured or waived, and notwithstanding anything contained in Section 7.1 to the contrary, interest on and principal of and other amounts owing in respect of the Loans and all other Obligations shall be paid in full in Cash (in order of priority) before any further payment or distribution is made on account of the Equity Holder.

(b) If notwithstanding the provisions of this Agreement, any holder of any Subordinate Interests shall have received any payment or distribution in respect of such Subordinate Interests contrary to the provisions of this Agreement, then, unless and until either the Obligations shall have been paid in full in Cash in accordance with this Agreement, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Collateral Agent, which shall pay and deliver the same to the Lenders in accordance with this Agreement; provided that, if any such payment or distribution is made other than in Cash, it shall be held by the Collateral Agent as part of the Collateral and subject in all respects to the provisions of this Agreement, including this Section 12.

(c) The Borrower agrees with all Lenders that the Borrower shall not demand, accept, or receive any payment or distribution in respect of such Subordinate Interests in violation of the provisions of this Agreement, including this Section 12. Nothing in this Section 12 shall affect the obligation of the Borrower to pay holders of Subordinate Interests.

(d) In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Lender under this Agreement, subject to the terms and conditions of this Agreement, a Lender or Lenders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Lender, the Borrower or any other Person, except for any liability to which such Lender may be subject to the extent the same results from such Lender's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Agreement.

SECTION 13. ASSIGNMENT OF CORPORATE SERVICES AGREEMENTS

(a) The Borrower, in furtherance of the covenants of this Agreement and as security for the Obligations and the performance and observance of the provisions hereof and of the other Transaction Documents, hereby assigns, transfers, conveys and sets over to the Collateral Agent, for the benefit of the Secured Parties, all of the Borrower's estate, right, title and interest in, to and under the Corporate Services Agreement to which it is a party (except as set forth in the second proviso of this Section 13(a)), including (1) the right to give all notices, consents and releases thereunder, (2) the right to take any legal action upon the breach of an obligation of the Services Provider thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (3) the right to receive all notices, accountings, consents, releases and statements thereunder and (4) the right to do any and all other things whatsoever that the Borrower is or may be entitled to do thereunder; *provided* that, notwithstanding anything herein to the contrary, the Collateral Agent shall not have the authority to execute any of the rights set forth in subclauses (1) through (4) above or may otherwise arise as a result of the grant until the occurrence of an Event of Default hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived; *provided* that the assignment made hereby does not include an assignment of the Borrower's right to terminate the Services Provider pursuant to Section 11 of such Corporate Services Agreement or any other provision contained therein (unless both (x) a Cause Event or other "cause" event under a Corporate Services Agreement has occurred and is continuing and (y) another Event of Default hereunder shall have occurred and then be continuing).

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Borrower under the provisions of the Corporate Services Agreements, nor shall any of the obligations contained in the Corporate Services Agreements be imposed on the Collateral Agent.

(c) Upon the repayment of the Obligations in full and the release of the Collateral from the lien of the Collateral Documents, this assignment and all rights herein assigned to the Collateral Agent for the benefit of the Secured Parties shall cease and terminate and all the estate, right, title and interest of the Collateral Agent in, to and under the Corporate Services Agreements shall revert to the Borrower and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Borrower represents that it has not executed any other assignment of the Corporate Services Agreement to which it is a party.

(e) The Borrower agrees that this assignment is irrevocable, and that it will not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Borrower will, from time to time, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as the Collateral Agent may specify or as may be required to maintain the perfection thereof.

(f) The Borrower hereby agrees, and hereby undertakes to obtain the agreement and consent of the Services Provider in the Corporate Services Agreement to which it is a party, to the following:

(1) The Services Provider consents to the provisions of this assignment and agrees to perform any provisions of this Agreement applicable to the Services Provider subject to the terms of such Corporate Services Agreement.

(2) The Services Provider acknowledges that, except as otherwise set forth in clause (a) above, the Borrower is assigning all of its right, title and interest in, to and under such Corporate Services Agreement to the Collateral Agent for the benefit of the Secured Parties.

(3) The Services Provider shall deliver to the Collateral Agent and the Collateral Administrator duplicate original copies of all notices, statements, communications and instruments delivered or required to be delivered to the Borrower pursuant to the Corporate Services Agreement.

(4) Neither the Borrower nor the Services Provider will enter into any agreement amending, modifying or terminating a Corporate Services Agreement without (x) complying with the applicable provisions of such Corporate Services Agreement, and (y) the consent of the Requisite Lenders.

(5) Except as otherwise set forth herein and therein, the Services Provider shall continue to serve as Services Provider under the Corporate Services Agreements notwithstanding that the Services Provider shall not have received amounts due it thereunder because sufficient funds were not then available hereunder to pay such amounts in accordance with the Priority of Payments. The Services Provider agrees not to cause the filing of a petition in bankruptcy against the Borrower for the non-payment of the Fixed Amounts or Successor Management Fees, or other amounts payable by the Borrower to the Services Provider under the Corporate Services Agreements prior to the date which is one year and one day (or, if longer, the applicable preference period) after the payment in full of the Loans; provided that nothing in this Section 13 shall preclude, or be deemed to stop, the Services Provider (x) from taking any action prior to the expiration of the aforementioned one year and one day (or longer) period in (A) any case or proceeding voluntarily filed or commenced by the Borrower or (B) any involuntary insolvency proceeding filed or commenced by a Person other than the Services Provider or its Affiliates or (y) from commencing against the Borrower or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

(6) The Services Provider irrevocably submits to the non-exclusive jurisdiction of any federal or New York state court sitting in the Borough of Manhattan in The City of New York in any action or Proceeding arising out of or relating to the Loans or this Agreement, and the Services Provider irrevocably agrees that all claims in respect of such action or Proceeding may be heard and determined in such federal or New York state court. The Services Provider irrevocably waives, to the fullest extent it may legally do so, the defense of an inconvenient forum to the maintenance of such action or Proceeding. The Services Provider irrevocably consents to the service of any and all process in any action or Proceeding by the mailing or delivery of copies of such process to it at the office of the Services Provider provided for herein. The Services Provider agrees that a final judgment in any such action or Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(g) If both (A) a Cause Event (or other “cause” event under a Corporate Services Agreement) and (B) another Event of Default hereunder at any time occurs and is continuing, the Borrower shall, upon the written direction of the Requisite Lenders, remove the Services Provider as the Borrower’s services provider pursuant to the terms of the Corporate Services Agreements. As used herein, “**Cause Event**” means an event that shall have occurred by reason of (1) the conviction (or plea of no contest) for a felony of the Services Provider, (2) the conviction (or plea of no contest) for a felony of an officer or a member of the board of directors (or other analogous body) of the Services Provider having responsibility for the performance by the Borrower of its obligations under the Transaction Documents or the performance by the Services Provider of its obligations under the Transaction Documents, if the employment or other affiliation of such Person so convicted is not terminated by the Services Provider within 30 days of

such conviction and the Requisite Lenders vote thereafter to invoke this termination provision, or (3) the Services Provider or an officer or a member of the board of directors of the Services Provider having responsibility for the performance by the Borrower of its obligations under the Transaction Documents or the performance by the Services Provider of its obligations under the Transaction Documents has engaged in gross negligence or willful misconduct with respect to the Borrower that has resulted in a material adverse effect on the Borrower or the Collateral Obligations, or has committed a knowing material violation of securities law, each as determined by a final decision of a court or binding arbitration decision unless, in the case of such natural persons, their employment or other affiliation with the Services Provider is terminated or suspended within 30 days after discovery by the Services Provider.

The Services Provider shall promptly provide written notice to the Collateral Agent and the Administrative Agent upon the occurrence of a Cause Event or any other “cause” event under a Corporate Services Agreement, and the Administrative Agent shall promptly notify the Lenders thereof.

(h) If the Services Provider is terminated due to a Cause Event (or any other “cause” event under a Corporate Services Agreement) or pursuant to Section 11 of the Corporate Services Agreement at a time when another Event of Default has occurred and is continuing, the Borrower will act at the direction of the Requisite Lenders to appoint a successor manager.

SECTION 14. COLLATERAL CUSTODIAN

(a) Initial Collateral Custodian. The role of Collateral Custodian with respect to the Custody Documents shall be conducted by the Person designated as Collateral Custodian hereunder from time to time in accordance with this Section 14. The Borrower and the Lenders hereby designate and appoint the Collateral Custodian to act as its agent and hereby authorizes the Collateral Custodian to take such actions on its behalf and to exercise such powers and perform such duties as are expressly granted to the Collateral Custodian by this Agreement. The Collateral Custodian hereby accepts such agency appointment to act as Collateral Custodian pursuant to the terms of this Agreement, until its resignation or removal as Collateral Custodian pursuant to the terms hereof.

(b) Successor Collateral Custodian. Upon the Collateral Custodian’s receipt of a Collateral Custodian Termination Notice from the Administrative Agent (acting at the direction of the Requisite Lenders) of the designation of a successor Collateral Custodian pursuant to the provisions of clause (i) below, the Collateral Custodian agrees that it will terminate its activities as Collateral Custodian hereunder.

(c) Appointment. The Borrower and each of the Lenders hereby appoint Alter Domus (US) LLC to act as Collateral Custodian, for the benefit of the Secured Parties. The Collateral Custodian hereby accepts such appointment and agrees to perform the duties and obligations with respect thereto set forth herein.

(d) Duties. From the Closing Date until its resignation pursuant to clause (n) below or its removal pursuant to clause (i) below, the Collateral Custodian shall perform, on behalf of the Secured Parties, the following duties and obligations:

(1) The Collateral Custodian shall at all times hold all Custody Documents that constitute Escrowed Assignment Agreement Documents at one of its offices in the United States (for purposes hereof, the “**Custodial Office**”). The Collateral Custodian may change the Custodial Office at any time and from time to time upon notice to the Borrower, the Services Provider, the Collateral Agent and the Administrative Agent, *provided* that the replacement Custodial Office shall be an office of the Collateral Custodian located in the United States. All Custody Documents held by the Collateral Custodian shall be available for inspection by the Administrative Agent upon prior written request and during normal business hours of the Collateral Custodian. Any such inspection shall occur no earlier than five Business Days after such inspection is requested and the costs of such inspection shall be borne by the requesting party. The Administrative Agent (including its representatives and designees) may not request more than two inspections per year or, if an Event of Default has occurred and is continuing no more than once a month. Notwithstanding anything to the contrary herein, the Collateral Custodian shall not be required to hold or accept custody of any Custody Document hereunder to the extent such Custody Document is of a type not approved for deposit into the custodial vault of the Collateral Custodian; *provided* that (1) the Collateral Custodian notifies the Services Provider and the Lenders prior to refusing to hold such documents and (2) the failure of the Collateral Custodian to accept and hold such documents shall not result in a default or an Event of Default with respect to the Borrower hereunder (*provided* that copies of such documents shall have been delivered by the Borrower to or otherwise made available to the Administrative Agent).

(2) In taking and retaining custody of any such Custody Documents, the Collateral Custodian shall be deemed to be acting as the agent of the Secured Parties; *provided* that (x) the Collateral Custodian makes no representations as to the existence, perfection, enforceability or priority of any Lien on such Custody Documents or the instruments therein or as to the adequacy or sufficiency of such Custody Documents; and (y) the Collateral Custodian’s duties shall be limited to those expressly contemplated herein.

(3) All Custody Documents required to be held by the Collateral Custodian shall be maintained in such a manner so as to permit retrieval and access. The Collateral Custodian shall segregate such Custody Documents on its inventory system and will not commingle any such Custody Documents with any other files of the Collateral Custodian other than those, if any, relating to the Borrower and its Affiliates and Subsidiaries.

(4) Notwithstanding any provision to the contrary elsewhere in the Transaction Documents, the Collateral Custodian shall not have any fiduciary relationship with any party hereto or any Secured Party in its capacity as such, and no implied covenants, functions, obligations or responsibilities shall be read into this Agreement, the other Transaction Documents or otherwise exist against the Collateral Custodian. Without limiting the generality of the foregoing, it is hereby expressly agreed and stipulated by the other parties hereto that the Collateral Custodian shall not be required to exercise any discretion hereunder and shall have no investment or management responsibility. The Collateral Custodian shall not be deemed to assume any obligations or liabilities of the Borrower or Services Provider hereunder or under any other Transaction Document.

(5) The Collateral Custodian shall have no obligation to review or verify whether the Borrower or the Services Provider on its behalf has obtained and delivered (or made available to the Transaction Data Room) the necessary Diligence Information and other Custody Documents required for purchases of Collateral Obligations hereunder, and the Collateral Custodian shall have no obligation to maintain the Transaction Data Room on behalf of the Borrower unless otherwise expressly agreed by the Collateral Custodian in writing.

(e) Event of Default. After the occurrence and during the continuance of an Event of Default, and provided the Collateral Custodian has received notice of such Event of Default in accordance with Section 10.3(d), the Collateral Custodian agrees to cooperate with the Administrative Agent and the Collateral Agent (acting at the direction of the Requisite Lenders) and deliver any Escrowed Assignment Agreement Documents to the Collateral Agent (pursuant to a written request in the form of Exhibit D) as requested in order to take any action that the Requisite Lenders deem necessary or desirable in order for the Collateral Agent to perfect, protect or more fully evidence the security interests granted by the Borrower under the Transaction Documents, or to enable any of them to exercise or enforce any of their respective rights hereunder. If the Collateral Custodian receives written instructions from the Collateral Agent, the Services Provider or the Borrower that conflicts with any instructions received from the Administrative Agent, the Collateral Custodian shall rely on and follow the instructions given by the Administrative Agent.

(f) [Reserved]

(g) Merger/Consolidation. Any Person (a) into which the Collateral Custodian may be merged or consolidated, (b) that may result from any merger or consolidation to which the Collateral Custodian shall be a party or (c) that may succeed to the properties and assets of the Collateral Custodian substantially as a whole, which Person in any of the foregoing cases executes an agreement of assumption to perform every obligation of the Collateral Custodian hereunder, shall be the successor to the Collateral Custodian under this Agreement without further act of any of the parties to this Agreement.

(h) Compensation. As compensation for its Collateral Custodian activities hereunder, the Collateral Custodian shall be entitled to compensation as set forth in the Collateral Custodian Fee Letter. The Collateral Custodian's entitlement to receive such compensation shall cease on the earlier to occur of: (a) its removal as Collateral Custodian pursuant to clause (i) below, (b) its resignation as Collateral Custodian pursuant to clause (n) below or (c) the termination of this Agreement; provided that, for the avoidance of doubt, the Collateral Custodian shall remain entitled to receive, as and when such amounts are payable under the terms of this Agreement, any compensation accrued prior to the release of all Custody Documents from the custody of the Collateral Custodian.

(i) Removal. The Collateral Custodian may be removed, with or without cause, by the Requisite Lenders by notice (with a copy to the Borrower and the Services Provider) given in writing to the Collateral Custodian (the "**Collateral Custodian Termination Notice**"); *provided that*, notwithstanding its receipt of a Collateral Custodian Termination Notice, the Collateral Custodian shall continue to act in such capacity (and, for the avoidance of doubt, so long as it continues to act in such capacity, shall continue to receive the compensation and any other amounts to which it is entitled to receive in such capacity under the terms of this Agreement and the Bank Party Fee Letter) until a successor Collateral Custodian has been appointed (with the consent of the Borrower so long as no Event of Default has occurred and is continuing) and has agreed to act as Collateral Custodian hereunder.

(j) Reserved.

(k) Rights of the Collateral Custodian. The Collateral Custodian may consult counsel selected with due care and shall not be liable for any action taken, suffered or omitted by it hereunder in good faith and in accordance with the advice or opinion of such counsel. The Collateral Custodian shall not be liable for any error of judgment, or for any act done or step taken or omitted by it, in good faith, or for any mistakes of fact or law, or for anything that it may do or refrain from doing in connection herewith except in the case of its willful misconduct, bad faith, or gross negligence of its obligations (as determined in a final, non-appealable judgment by a court of competent jurisdiction). The Collateral Custodian makes no warranty or representation and shall have no responsibility (except as expressly set forth in this Agreement) as to the content, enforceability, completeness, validity, sufficiency, value, genuineness, ownership or transferability of the Collateral, and will not be required to and will not make any representations as to the validity or value (except as expressly set forth in this Agreement) of any of the Collateral. The Collateral Custodian shall not be obligated to take any legal action hereunder that might in its judgment involve any expense or liability unless it has been furnished with an indemnity reasonably satisfactory to it. The Collateral Custodian shall have no duties or responsibilities except such duties and responsibilities as are specifically set forth in this Agreement and no covenants or obligations shall be implied in this Agreement against the Collateral Custodian. The duties, obligations and responsibilities of the Collateral Custodian shall be determined solely by the express provisions of this Agreement. No implied duties, obligations or responsibilities shall be read into this Agreement against, or on the part of, the Collateral Custodian. Any permissive right of the Collateral Custodian to take any action hereunder shall not be construed as a duty. The Collateral Custodian shall not be required to expend or risk its own funds in the performance of its duties hereunder. It is expressly agreed and acknowledged that the Collateral Custodian is not guaranteeing performance of or assuming any liability for the obligations of the other parties hereto or any parties to the Collateral.

(l) Request for Directions. In case any reasonable question arises as to its duties hereunder, the Collateral Custodian may request instructions from the Administrative Agent, and shall be entitled at all times to refrain from taking any action unless it has received instructions from the Administrative Agent. The Collateral Custodian shall in all events have no liability, risk or cost for any action taken pursuant to and in compliance with the instruction of the Administrative Agent. In no event shall the Collateral Custodian be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Collateral Custodian has been advised of the likelihood of such loss or damage and regardless of the form of action.

(m) Responsibilities. The Collateral Custodian shall have no responsibilities or duties with respect to any Custody Document while such Custody Document is not in its possession. The Collateral Custodian may act or exercise its duties or powers hereunder either directly or, by or through its agents or attorneys, and the Collateral Custodian shall not be liable or responsible for the negligence or misconduct of any non-Affiliated agent or non-Affiliated attorney appointed with due care by it. If the Collateral Custodian is prevented from fulfilling its obligations under this Agreement as a result of governmental or regulatory actions, government regulations, fires, strikes, accidents, acts of God or other causes beyond the control of the Collateral Custodian, the Collateral Custodian shall use commercially reasonable efforts to mitigate the effects of such circumstances and resume performance as soon as reasonably possible, and the Collateral Custodian's obligations shall be suspended for a reasonable time during which such conditions exist.

(n) Resignation. The Collateral Custodian may resign and be discharged from its duties or obligations hereunder by giving not less than 60 days written notice thereof to the Requisite Lenders (with a copy to the Services Provider and the Borrower) and with the consent of the Requisite Lenders. Upon receiving notice of such resignation, the Requisite Lenders shall promptly appoint a successor Collateral Custodian (with the consent of the Borrower) by written instrument, in duplicate, executed by the Requisite Lenders, one copy of which shall be delivered to the Collateral Custodian so resigning and one copy to the successor Collateral Custodian, together with a copy to the Borrower, the Services Provider, the Collateral Agent and the Administrative Agent. If no successor collateral custodian has accepted appointment as the Collateral Custodian by the date 60 days following a resigning Collateral Custodian's notice of resignation, the resigning Collateral Custodian's resignation shall nevertheless thereupon become effective, and the Administrative Agent (or its designee) shall perform the duties of the Collateral Custodian hereunder until such time, if any, as the Requisite Lenders appoint a successor Collateral Custodian. Upon the effective date of such resignation, or if the Requisite Lenders give the Collateral Custodian written notice of an earlier termination hereof, the Collateral Custodian shall (i) be reimbursed for any reasonable and documented costs and expenses the Collateral Custodian may incur in connection with

the termination of its duties under this Agreement and (ii) deliver all of the Custody Documents in the possession of Collateral Custodian to the successor Collateral Custodian. For the avoidance of doubt, the Collateral Custodian shall be entitled to receive, as and when such amounts are payable in accordance with this Agreement and any compensation accrued through the effective date of its resignation pursuant to and in accordance with this Section 14.

(o) Release of Custody Documents. Upon satisfaction of any of the conditions set forth in Section 6.8 for the sale or release of a Collateral Obligation in whole, the Services Provider shall, by delivery to the Collateral Custodian of a request for release substantially in the form of Exhibit D (with a copy to the Lenders) (which may be delivered concurrently with the Borrower Order delivered pursuant to Section 6.7(a)), direct the release of the related Custody Documents for such Collateral Obligation which are held by the Collateral Custodian in physical custody pursuant to this Section 14. Upon receipt of such direction, the Collateral Custodian shall release the related Custody Documents to the Services Provider (or as otherwise provided in the related release request) and the Services Provider will not be required to return the related Custody Documents to the Collateral Custodian. Written instructions as to the method of shipment and shipper(s) the Collateral Custodian is directed to utilize in connection with the transmission of Custody Documents in the performance of the Collateral Custodian's duties under this clause (o) shall be delivered by the Services Provider to the Collateral Custodian prior to any shipment of any Custody Documents hereunder. If the Collateral Custodian does not receive such written instruction from the Services Provider, the Collateral Custodian shall be authorized and indemnified as provided herein to utilize a nationally recognized courier service. The Services Provider shall arrange for the provision of such services at the sole cost and expense of the Borrower and shall maintain such insurance against loss or damage to the Custody Documents as the Services Provider deems appropriate.

Except as otherwise expressly provided above in this clause (o), Escrowed Assignment Agreement Documents shall be released by the Collateral Custodian only in connection with sales of Collateral Obligations pursuant to the exercise of remedies under the Collateral Documents (and in each case only upon written direction therefor from the Administrative Agent).

(p) Collateral Custodian as Agent. The Collateral Custodian agrees that, with respect to any Custody Documents at any time or times in its possession, the Collateral Custodian shall be the agent of the Collateral Agent, for the benefit of the Secured Parties, for purposes of perfecting (to the extent not otherwise perfected) the Collateral Agent's security interest in the Collateral and for the purpose of ensuring that such security interest is entitled to First Priority status under the UCC.

(q) Acknowledgment of Receipt. The Collateral Custodian shall deliver to the Administrative Agent, within three Business Days of receipt of any written notice from the Borrower delivered pursuant to Sections 6.7(e), 6.7(f) and 8.2 of this Agreement, a signed acknowledgment setting forth a list of the Underlying Instruments, related Custody Documents and Diligence Information the Collateral Custodian has received in either electronic or original format.
